custody and support get the answers you need when you re getting divorced you can make a tough time easier for yourself and your children if you work with the other parent to agree on a custody plan and child support if you can t resolve these issues you ll have to head to court and ask a judge to decide for you either way nolo s essential guide to child custody support can help you ll learn how negotiation and mediation can keep costs down and improve future dealings with your ex where to find your state s child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work how covid 19 is affecting custody arrangements and family court hearings and when you need a lawyer and how to work with one you ll also find specifics about each state s laws including what factors courts consider when they rule on custody arrangements and what happens when one parent wants to move away with the children

Nolo's Essential Guide to Child Custody and Support

2020-11-24

the national science foundation s division of atmospheric sciences atm supports research to develop new understanding of earth s atmosphere and how the sun impacts it strategic guidance for the national science foundation s support of the atmospheric sciences provides guidance to atm on its strategy for achieving its goals in the atmospheric sciences including cutting edge research education and workforce development service to society computational and observational objectives and data management the report reviews how the atmospheric

sciences have evolved over the past several decades and analyzes the strengths and limitations of the various modes of support employed by atm it concludes that atm is operating in an environment that is ever more cross disciplinary interagency and international making a more strategic approach necessary to manage activities in a way that actively engages the atmospheric sciences community at the same time atm should preserve opportunities for basic research especially projects that are high risk potentially transformative or unlikely to be supported by other government agencies finally atm needs to be more proactive in attracting highly talented students to the atmospheric sciences as an investment in the ability to make future breakthroughs

A Guide for Judges in Child Support Enforcement

1983

this title was first published in 2000 this book provides an exploration of the link between individualized project evaluation and policy analysis the conceptual and legislative frameworks which contextualize family support are explored in full by drawing on existing literature and examining the political and legislative aspects of family support the book aims to provide in one volume accessible and up to date information and discussion of key developments within family support in the uk and internationally as well as within northern ireland where the research is set five family support settings are selected for close examination by the research and the key evaluation questions applied the book details the methodology employed and explores exactly how the settings were organized for family support additionally the book seeks to identify needs in the context of family support across the range of settings by examining indicators of potential need services appropriate to family support were also analyzed across the range of settings finally the book reviews the settings against criteria for the evaluation and development of projects considered to be family support

within the terms of the proposed decisions staff has formulated specific proposals on a number of issues raised in general terms during the previous board discussion i the modalities for a fixed schedule of reviews including how to signal that a program is back on track ii the application of a misreporting framework under the psi and iii the relationship between the psi and the prs process

A Guide for Judges in Child Support Enforcement

1986

for anyone who has experienced the suicide of a loved one coworker neighbor or acquaintance and is seeking information about coping with such a profound loss this compassionate guide explores the unique responses inherent to their grief using the metaphor of the wilderness the book introduces 10 touchstones to assist the survivor in this naturally complicated and particularly painful journey the touchstones include opening to the presence of loss embracing the uniqueness of grief understanding the six needs of mourning reaching out for help and seeking reconciliation over resolution learning to identify and rely on each of these touchstones will bring about hope and healing including 12 meeting plans that interface with the main text and companion journal this organizational guide deftly combines grief education with compassionate support for those who want to facilitate an effective suicide grief support group

Family Support - Linking Project Evaluation to Policy Analysis

2018-02-05

living independently and participating in one s community are priorities for many people in many regions across the united states there are programs that support and enable people with disabilities and older adults to live where they choose and with whom they choose and to participate fully in their communities tremendous progress has been made however in many cases the programs themselves and access to them vary not only between states but also within states many programs are small and even when they prove to be successful they are still not scaled up to meet the needs of the many people who would benefit from them the challenges can include insufficient workforce insufficient funding and lack of evidence demonstrating effectiveness or value to get a better understanding of the policies needed to maximize independence and support community living and of the research needed to support implementation of those policies the national academies of sciences engineering and medicine convened a public workshop in october 2015 participants explored policies in place that promote independence and community living for older adults and people with physical disabilities and identified policies and gaps in policies that can be barriers to independence and the research needed to support changing those policies this report summarizes the presentations and discussions from the workshop
