Two Thousand Questions and Answers about the War 1991 this book provides a stimulating discussion of and introduction to just war theory

What is War? What is Peace? 2016-06-01 the enactment of the japanese imperial government disclosure act p l 106 657 and the issuance of executive order 13110 jan 11 1999 aimed at making u s government records related to japanese war crimes and war criminals in world war ii more accessible records surveys implementing these requirements disclosed that there were relatively few remaining security classified relevant documents waiting for disclosure on the other hand better identification of relevant documents and improved access to these records was a primary goal of the white house the interagency working

group iwg staff took up the admonition from the national security advisor that agencies should bring to light hitherto unknown relevant unclassified or declassified records encountered in the course of the search for relevant classified records in selecting documents the iwg staff focused on several subjects and topics that have longstanding interest and concerns for researchers japanese research and experiments in biological warfare bw japanese instigation of biological warfare attacks in world war ii japanese biological warfare experiments on living humans and animals japanese atrocities against prisoners of war japanese atrocities against civilian populations allied decisions to hold japanese responsible for war crimes allied decisions to hold war crimes trials allied decision to consider emperor hirohito as a person responsible for war crimes allied decisions to investigate specific japanese scientists and military personnel for bw crimes american pows held at mukden pow camp hoten and any evidence of bw experiments on them some subjects of current interest such as comfort women were specifically searched for but with little success this collection will continue to expand as new documents are discovered

Persian Gulf War (1990-1991): The Ground War Gr. 5-8 2020-01-20 why did the first world war start who was fighting who did soldiers still fight with swords had aeroplanes been invented yet what was it like to be inside the first tank sent to war how could a shaving brush help you escape being captured did animals fight in the war how can a pigeon be a war hero what was the women s land army why did it go on so long how did it end find out the answers to these and a lot of other exciting questions in this brilliantly informative book which will tell you everything you ever needed to know about world war i the imperial war museum was founded in 1917 to collect and display material relating to the great war which was still being fought today iwm is unique in its coverage of conflicts especially those involving britain and the commonwealth from the first

world war to the present they seek to provide for and to encourage the study and understanding of the history of modern war and wartime experience

Just War Theory 1955 this book provides a thorough critical overview of the current debate on the ethics of war as well as a modern just war theory that can give practical action guidance by recognizing and explaining the moral force of widely accepted law traditionalist walzerian and revisionist approaches have dominated contemporary debates about the classical jus ad bellum and jus in bello requirements in just war theory in this book uwe steinhoff corrects widely spread misinterpretations of these competing views and spells out the implications for the ethics of war his approach is unique in that it complements the usual analysis in terms of self defense with an emphasis on the importance of other justifications that are often lumped together under the heading of lesser evil it also draws on criminal law and legal scholarship which has been largely ignored by just war theorists ultimately steinhoff rejects arguments in favor of moral fundamentalism the view that the laws and customs of war must simply follow an immutable morality in contrast he argues that widely accepted laws and conventions of war are partly constitutive of the moral rules that apply in a conflict the ethics of war and the force of law will be of interest to scholars and advanced students working in just war theory applied ethics political philosophy political theory philosophy of law and criminal and military law

Gasoline Price War in New Jersey 1890 the biggest and deadliest war over 50 countries involved more than 100 million people mobilized 50 to 85 million deaths half of which were innocent civilians six bloody years countless atrocities and savageries if you re interested in the story and legacy of world war ii then this history book is for you from the pearl harbor

attack and the d day invasion to the holocaust and the manhattan project world war ii has had a lasting impact on the world larger than life heroes and villains were minted hitler macarthur stalin and churchill to name a few the ballistic missile atomic bomb radar and other inventions were developed that came to define modern life the impact of world war ii cannot be underestimated the handy world war ii answer book looks at the blitzkrieg hiroshima concentration camps and the rest of the war s history it answers nearly 350 of the most intriguing questions about the war including why did italy and germany become allies what was special about the commando fighting knife what were the secrets of station x who were the desert rats did the allies know that the holocaust was happening when was the first enigma machine captured and by whom what led to the battle of midway how was the fate of stalingrad decided who were the flying tigers did hitler really sleep through the d day invasion what was the biggest naval battle of world war ii why was iwo jima so difficult for the americans to capture how did two of the nuremberg prisoners evade justice what happened to emperor hirohito fought all over the world there were battles and operations warships and warplanes guns and bombs attacks and sieges soldiers and leaders there was despair and victory triumph and tragedy struggle and sacrifice learn all about the conflict in the handy world war ii answer book with more than 120 photos and graphics this fascinating tome is richly illustrated its helpful bibliography and extensive index add to its usefulness

Parliamentary Debates 1885 this study is a pioneering exploration of how rabbis in the religious zionist community in israel constructed a body of jewish law on war it focuses on five leading rabbis in this camp and how they dealt with a number of key moral issues that the waging of modern war raised

How Can a Pigeon Be a War Hero? 2024-08-27 it is impossible to reproduce the state of mind of the men who waged war in 1917 and 1918 edward coffman wrote in the war to end all wars in doughboys on the great war the voices of thousands of servicemen say otherwise the majority of soldiers from the american expeditionary forces returned from europe in 1919 where many were simply asked for basic data veterans from four states utah minnesota connecticut and virginia were given questionnaires soliciting additional information and remarks drawing on these questionnaires completed while memories were still fresh this book presents a chorus of soldiers voices speaking directly of the expectations motivations and experiences as infantrymen on the western front in world war i what was it like to kill or maim german soldiers to see friends killed or maimed by the enemy to return home after experiencing such violence again and again soldiers wrestle with questions like these putting into words what only they can tell they also reflect on why they volunteered why they fought what their training was and how ill prepared they were for what they found overseas they describe how they interacted with the civilian populations in england and france how they saw the rewards and frustrations of occupation duty when they desperately wanted to go home and perhaps most significantly what it all added up to in the end together their responses create a vivid and nuanced group portrait of the soldiers who fought with the american expeditionary forces on the battlefields of aisne marne argonne forest belleau wood chateau thierry the marne metz meuse argonne st mihiel sedan and verdun during the first world war the

picture that emerges is often at odds with the popular notion of the disillusioned doughboy though hardened and harrowed by combat the veteran heard here is for the most part proud of his service service undertaken for duty honor and country in short a hundred years later the doughboy once more speaks in his own true voice

The Ethics of War and the Force of Law 2017 battles blood honor and heroism the nation s highest casualty bloodiest war is still discussed studied and acted out it continues to affect the political boundaries of today from the economic political and social forces behind the conflict through the first shots fired at fort sumter the military strategies battles and people and from lee s surrender at appomattox to the southern reconstruction and modern aftermath the handy civil war answer book is a captivating concise and convenient history of america s defining conflict the complex turbulent and difficult events leading to the war are explained the genius and folly of union and confederate generals major battles and the experiences of lesser known soldiers and civilians are examined blending historical review with a little surprising trivia into an engaging question and answer format it is perfect for browsing and answers more than 900 questions including how did the mexican american war influence 1850s america what was robert e lee s connection to george washington what was so important about the homestead act would north and south have been reconciled if lincoln had not been assassinated what became of generals grant and lee after the war

The Handy World War II Answer Book 2015-09-10 students interviewed someone from the world war ii era about their experiences and remembrances

Religious Zionism, Jewish Law, and the Morality of War 1863 when fort sumter was attacked in april 1861 hundreds of

soldiers were stationed at the u s army s camp floyd forty miles southwest of salt lake city the camp established in june 1858 was the nation s largest military post utah and the american civil war presents a wealth of primary sources pertaining to the territory s participation in the civil war material that until now has mostly been scattered incomplete or difficult to locate organized and annotated for easy use this rich mix of military orders dispatches letters circulars battle and skirmish reports telegraph messages command lists and other correspondence shows how utah s wartime experience was shaped by a peculiar blend of geography religion and politics editor kenneth l alford opens the collection with a year by year summary of important events in utah territory during the war with special attention paid to the army s recall from utah in 1861 the lot smith utah cavalry company s 107 day military service the union army s return in 1862 and relations between the military and mormons readers will find accounts of an 1861 attempt to court martial a virginia born commander for treason battle reports from the january 1863 bear river massacre documents from the army s high command authorizing governor james doty to enlist additional utah troops in october 1864 and evidence of colonel patrick edward connor s personal biases against native americans and mormons a glossary of nineteenth century phrases military terms and abbreviations along with a detailed timeline of key historical events places the records in historical context collected and published together for the first time these records document the unique role utah played in the civil war and reveal the war s influence both subtle and overt on the emerging state of utah

Two Thousand Questions and Answers about the War; A Catechism of the Methods of Fighting, Travelling and Living; Of the Armies, Navies and Air Fleets; Of the Personalities, Politics and Geography of the Warring Countries 1918 this work has

been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Report of the Joint Committee on the Conduct of the War: Bull Run-Ball's Bluff 2019-03-16 the mouth seems to be a simple organ when in fact it is the most vital organ in contact with the outside world quick to adapt to change and rapidly healed when injured the mouth shows emotion allows communication aids in lovemaking fights off bacterial and viral invasions and feeds us giving us the energy needed to survive it provides the passageway for food to nourish us and air to sustain us keeping the mouth healthy is a daily battle that can be won for a lifetime of good overall health once you learn proper techniques to do so in easy to understand detail this book explains how these battles of the mouth can overcome the worst odds

Two Thousand Questions and Answers about the War 2017-01-20 published in association with the imperial war museums

this book contains over 1 000 questions and answers if you need them and will provide the ultimate challenge to even the most knowledgeable military historian

Questions and Answers Covering the History of England and the Causes of the World War 2014-04-21 for the united states the 1991 persian gulf war was a brief and successful military operation with few injuries and deaths however soon after returning from duty a large number of veterans began reporting health problems they believed were associated with their service in the gulf at the request of congress the institute of medicine iom has been conducting an ongoing review of the evidence to determine veterans long term health problems and potential causes the fourth volume in the series released in 2006 summarizes the long term health problems seen in gulf war veterans in 2010 the iom released an update that focuses on existing health problems and identifies possible new ones considering evidence collected since the initial summary gulf war and health volume 10 is an update of the scientific and medical literature on the health effects associated with deployment to the gulf war that were identified in volumes 4 and 8 this report reviews and evaluates the associations between illness and exposure to toxic agents environmental or wartime hazards or preventive measures and vaccines associated with gulf war service and provides recommendations for future research efforts on gulf war veterans

Doughboys on the Great War 1889 in 1962 rachel carson warned of the consequences of man s pollution in her book silent spring a book that some feel marks the real beginning of our environmental awareness silent spring told of the consequences of our increasing pesticide use to birds almost 30 years after her warning the western arabian gulf experienced its silent spring when approximately 100 000 to 250 000 waterbirds died along with millions of other organisms due to the massive oil

spill that resulted due to gulf war the magnitude of our environmental problems has continued to grow during the last thirty years to a point where even the doomsday environmentalists could hardly have envisioned back in 1962 it seems the death of yet uncounted thousands of humans was not sufficient for saddam husain his desire for power and infamy led him to unleash environmental war on mankind at the end of the gulf war he set ablaze the oil fields of kuwait and released more oil into the sea than had been spilled at any time throughout history these actions were despicable and an affront to civilized man a quality environment should be a right of all mankind and to wage war by deliberately polluting the earth cannot be tolerated
