The Bible Doctrine of the Soul 2018-02-08 excerpt from the bible doctrine of the soul an answer to the question is the popular conception of the soul that of holy scripture it is at most but a sketch from among the multitude of proof texts on this point the writer has endeavored merely to present a sufficient number and to stimulate inquiry and remove obstacles which have hindered independent research he has made some suggestions rather than an elaborate argument in these matters which revelation alone may presume to decide he has desired to lead the reader back to the bible to study for himself the teachings of that inspired guide about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of

God's Autopsy and the Living Truth of Soul 2022-08-22 the grand narrative of christianity that the bible created is dead and the bible is silent does the bible have anything relevant to say to our modern circumstances we ask where did god come from what happened to god god's autopsy reinterprets soul and god as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia this book offers a new way to understand the trajectory of western civilization by making the implicit foundation of western consciousness soul visible and conscious our modern western consciousness is radically different from that of antiquity when the bible emerged jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself beginning with preliterate polytheism the emergence of the transcendent god yahweh and christ which led directly to the enlightenment objective soul continues to unfold itself how did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us the answer is unexpectedly and shockingly in the bible itself

Cobwebs in the Christian Soul 2018-10-09 greetings to my christian siblings this book is presented in a straightforward and conversational style each chapter is scripturally based and simple to understand the problem solving action steps regarding the christian issues discussed here are user friendly but i caution you that breaking old habits takes dedication and stamina these action steps are not for the faint hearted for they ask us to delve past the surface of our daily interactions and get to the heart of how honest we really are with ourselves with others and with our god from personal experience i can state that understanding god's will in my life is often far easier than submitting to his will in my life like so many life lessons i've learned the action steps that you will read about in this book the hard way they did not first appear as i see them today they appeared as anxiety sleeplessness bad dreams dysfunctional relationships buckets of tears and diminished health amazingly when i got

right with god the action steps came into focus like i said i learned these steps the hard way hebrews 12:1 therefore since we are surrounded by such a great cloud of witnesses let us throw off everything that hinders and the sin that so easily entangles and let us run with perseverance the race marked out for us sin like cobwebs can easily entangle us and just like when we walk through an actual cobweb and are then simply overcome with the urgency to get that sticky stuff off of our bodies the spiritual equivalent should occur when we find that the spider has managed to weave a spiritual cobweb in our soul we should be overcome with the same urgency to be rid of it immediately the spider wants to trap us and he spins various and sundry webs to try to do so satan's cobwebs are waiting for us all though the blood of christ does continually clean us 1 john 1:7 but sometimes we lose our focus and get all wrapped up in the spider's web when that happens we may tend to obsess about how we were wronged or how we woefully wronged someone else it is significant to note that in such times it is apparent that our minds have been focusing on our yesterdays and our tomorrows instead of simply looking up to christ who is our right now in many churches today there are people who feel spiritually miserable because they have been attacked by satan's spiritual spider webs here's how it happens some wrong word or deed occurs and the next thing you know the spider is attempting to set up housekeeping in your soul and he always brings his darkness with him things like hopelessness anger misery isolation rejection worthlessness jealousy revenge apathy but we are not of the dark we are children of light ephesians 5:8 for you were once darkness but now you are light in the lord live as children of light clearly satan wants to alienate us from god and he is using our own minds to do so because of that this book is needed because of that this book was written the action steps below indicate what we as christians are supposed to do when we come face to face with our own human errors and find cobwebs in the christian soul 2 fess up 3 fix it even if you can't god can 4 move on 5 live better pray study god's word 6 be actively engaged in the church so there you have it six simple chapters based on six simple concepts let's get started in him gayla wood

Soul-Searching 2019-08-06 there are well over one hundred different views of the nature of human existence though the bible may rule out many of these there still remains a large number that are all compatible with scripture the bible never explicitly defines the nature of the soul or spirit which is actually quite puzzling or even ironic given that one major aim of scripture is spiritual development and ultimate questions about the soul in fact judeo christian thinking on those questions has been evolving over the course of four thousand years this book documents that evolution as a man named abram left babylon four thousand years ago journeying through the lands and the philosophies of civilizations preceding him by many more thousands of years while he and his descendants both physical and spiritual unpacked their understanding of our inner being the human soul and the afterlife that journey is followed to the present day and examines how a critically thinking christian can embrace a theology of the human soul that is fully compatible with modern scientific findings including explanations for consciousness mind and soul

What the Bible Teach about the Creation of Mankind and Other Creatures and What Happend to Mankind After Creation 2011-09-13

all the major english bibles interpreted and translated the hebrew word ruwach as spirit and the greek word pneuma as spirit in reference to mankind therefore there is no possibility for all who read the major english bibles to draw any conclusion other than this that mankind were created with spirit soul and body this is well and acceptable if the interpretation of these words are true if they are wrongly interpreted and translated it would lead to wrong and false understanding of what and how mankind were created to be unfortunately the interpretation and translation of ruwach and pneuma concerning mankind are wrong and incorrect this had led to the wrong and false understanding of the word of the god concerning the creation of mankind and therefore the scriptural truth that a little leaven leaven the whole dough galatians 5 9 began to take effect this book is released to reveal the truth of how and what mankind and other living creatures were created with and to be it also reveals the difference between mankind and other living creatures and what happened to mankind after the creation some key points in this revealed in this book are are mankind created with spirit soul and body what and how are other living creatures created to be differences between mankind and other living creatures mankind were created with vital breath and breath of life what is the function of the vital breath in mankind what does it mean that mankind were created in the resemblance and likeness of elohiym mankind were created mortal what is the death sentence on adam and the rest of mankind the definition of death of flesh according to the bible living souls live by breathing through the nostrils mankind and air land sea creatures are flesh and are living souls souls of mankind and other living creatures are in the blood what happens to mankind after they die where do the souls of mankind go to after they expire souls of unsaved mankind are sent to hell are there any spirits sent to hell how are old testament saints saved as how are new testament saints saved as resurrection to everlasting life is not a one event affair the main difference between old testament saints and new testament saints

Study Guide 2014-01-01 from a biblical perspective of our human nature we are spirit and soul and body 1 thessalonians 5 23 understanding each dimension of our being and how each is to relate to the others according to god s created order is a strategic key of the kingdom of god come take hold of this key that will revolutionize and revitalize your spiritual journey our human spirit should abide in deep communion with god s holy spirit then our human spirit infused and led by the holy spirit should direct the mind will and emotions of our human soul which should manifest in the health and well being of our human bodies all is well with my soul when all is well with my spirit all is well with my body when all is well with my soul but for all to be well we must learn to allow the holy spirit to correctly align our spirit and soul and body first the spirit then the soul then the body as we ll discover looking more deeply into these three dimensions of our being when we re correctly aligned with the human spirit first we will live out our daily journey with more spiritual health and growing maturity fulfilled with more peace and joy walking in the wisdom of god instead of the ways of the world in right alignment my human spirit which is receiving my sense of guidance and discernment by abiding in communion with god s holy spirit directs my soul my soul is my mind will and emotions so my spirit should direct my mind and how i think my will and the choices i make my emotions and how i sense and feel and experience the world around me then then my soul should direct my body in right alignment my body manifests what s going on in my soul and my soul manifests what s going on in my spirit and my spirit manifests my abiding relationship with god s holy spirit first the spirit then

then the soul then the body this is what i call spiritual alignment or walking out my spiritual journey as a spiritual christian but the trouble is that much of the time we tend to live out our daily lives in a different order than god s created order instead of living in right alignment we re living out of alignment first the soul instead of first the spirit first the soul then the spirit then the body this is what i call soulish alignment or walking out my spiritual journey as a soulish christian in that wrong order when i m out of proper alignment i am more soulish than spiritual and all will not be well with my soul in the soulish alignment i ll be driven more by my own desires in the mind will and emotions of my soul rather than humbling myself to be led by god s holy spirit directing my human spirit when i m in a soulish alignment my mind will insist on my own thoughts instead of yielding to god s thoughts my human freewill will insist on my own will instead of yielding to god s will and my emotions will insist on driving my actions by reacting from my soul instead of responding by the leading of my spirit being led by god s holy spirit whether my spirit is on top and in charge directing my soul or whether my soul is on top and in charge suppressing my spirit makes all the difference and as we ll see alignment is everything the good news is that by the grace of god we can recognize it when we re being more soulish than spiritual and make a choice to humble our souls to come back into right alignment of spirit soul and body by far this has become one of the most revolutionary insights of my spiritual journey and as i ve shared these principles of this book through the years i ve heard so many testimonies of these simple insights becoming life changing for men and women at all stages of their spiritual journey to christ like maturity that s why i m thrilled to share them with you
