

Free pdf Propylene glycol solution for humidors (Download Only)

solution for can be used in some cases but shouldn't usually be used to discuss a problem every problem has a solution to it and consequently to should be the preposition of choice in those cases we can find a solution to a problem for someone for example let's see what solution for looks like in a sentence
 1 we need to find a solution to this issue
 2 salt dissolves in water to form a solution
 3 the solution to the math problem was quite to me the difference between a solution to a problem and a solution for a problem is that the latter indicates a possible suggested solution yet to be verified as something that truly solves the problem while the former is a more solution
