## Ethik für Dummies

2022-11-02

was ist richtig und was ist falsch wer entscheidet das und warum ist die antwort auf diese frage oft so schwer zu finden fragen wie diese beschäftigen wohl jeden irgendwann einmal christopher panza und adam potthast helfen ihnen sich den oft furchtbar komplizierten antworten darauf zu nähern sie erläutern ihnen die häufig schwer verständlichen schriften von kant hobbes und co erklären wie sich wissenschaft und religion zur ethik verhalten und vieles mehr darüber hinaus diskutieren sie themen wie biomedizinische ethik oder umweltschutz die aktuell die Öffentlichkeit bewegen so ist dieses buch der perfekte begleiter für sie wenn sie sich systematisch mit ethischen fragen beschäftigen wollen

## The Ethics of the Family

2010-03-08

our families are our first and most important ethical training grounds but what is the family and what are our ethical commitments to our family members and to the broader moral community after a brief introductory chapter on basic ethical concepts and theories the essays in this volume provide readers with ethical analyses of issues ranging from same sex marriage to a controversial proposal to license parents the chapters cover love sex marriage parents and children the relationship between the family and the larger moral community and the influence of emerging technologies on the ethical issues inherent in family life the volume is intended to open up this exciting territory in applied ethics to those interested in philosophy family studies social work and to anyone who wants a deeper understanding of the ethical forces at work in this most basic social institution

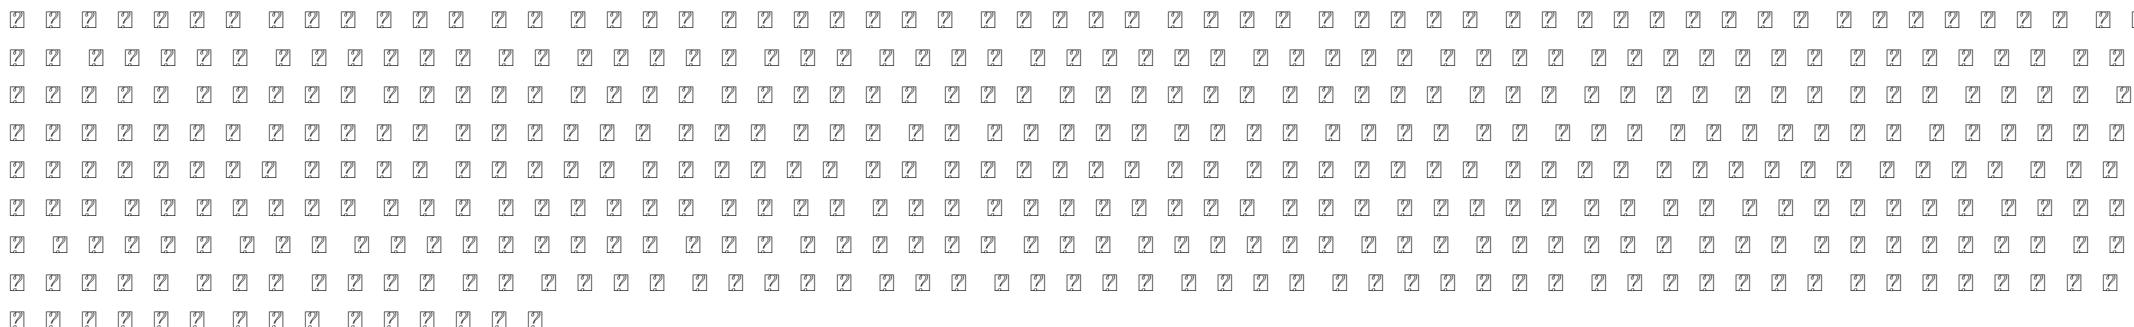

## Discovering the Meaning of Life

2021-09-08

have you ever asked yourself what the purpose of your life is do you feel like life is meaningless because you have not encountered a convincing answer to that question well you are not alone many philosophers have argued that a clear answer to the problem of meaning is forever lost and that there is no rational way to secure purpose if a solution could be discovered it would only be a very subjective one we may construct one for ourselves according to this line of thinking but an objective purpose can never be found i wrote this book because i strongly disagree with this contention if you are interested in this adventurous question you will find in these pages a novel approach to the problem and i argue that through philosophical inquiry we indeed can uncover an objective meaning to our lives this book is a step by step guide to walk you through the tough questions in the philosophy of meaning and to bring you closer to your destiny our purpose is relevant for all of us and perhaps the solution touches deeper than you might have ever dared to imagine
