the elements the guardians the spirits and gods these are all things beginner witches are taught about and trained to work with we learn about correspondence and how to associate symbols with their mysteries but what are the real mysteries behind the symbols what lives at the very heart and core of these teachings in the deep heart of witchcraft we seek the teachings and ways that might lead us to look beyond the surface and into the depths of the craft in this book we ll look at the tools and spirits of the sacred elements to connect us back to the power of nature through ritual we turn and face traditions both new and old to enrich our practice and feed the soul and through the wheel of the year we connect with the ebb and flow of the cycles of time and space what if you were told that it is possible to feel god in your body mind heart and soul to develop an intimate relationship embody and become this pure universal intelligence through a journey into the deepest place within you the deep heart you will have access to the ultimate loving presence and the profound effects of its love awakening this presence in you initiates a healing process many have experienced the completion of emotional legacies and release of deeply ingrained emotional patterns conditioned thought and mental patterns dissolving into universal wisdom love thinking through the heart brain and body in multi dimension diseased cells regenerating and healing completely the healing of phobias anxiety depression muscle pain allergies cancers among many many other conditions this book is a guide for healing it delves into the higher reaches of the soul and the deeper meanings behind the human challenges of disease and disharmony it answers some of the big questions while constructively working with the finer points of human experience whether you are new to the path of the heart or are ready for further depth this book will call you home for more information and to receive anne s newsletter go to schoolofthedeepheart.com in the deep heart s core is the uplifting story of young teach for america volunteer who becomes an english teacher in a desperately impoverished african american high school in the rural mississippi delta beset by gang violence drug abuse ruptured families and teen pregnancy but among the sorrow and struggle he finds dignity and hope and works to bring the nascent intellectual curiosity of his students to full flower excerpt from the deep heart he was a tall thin dark man of thir being just a couple of years older than justin e had well cut features and dark brown eyes his clothes were lamentably shabby in justin s opinion a fact to which peter appeared to be incurably blind about the publisher forgotten books publishes hundreds of thousands of rare and
