one hell of a ride mosquito hunter is clifford muteros first autobiographical account it focuses on the evolution of his entomological career which was ignited in his early childhood from around the age of six up to the stage when he completed his phd studies in insect science at age thirty it is a one of a kind narration that sets out geosocial historical and entomological facts with a brand of humor that has the potential to instruct and inspire a new generation of would be natural scientists through the soft lore behind scientific investigation set mainly in a quintessentially rural farming community in central kenya and also in coastal kenya this narration reflects the abundance of stories based on village events which were enriched by news and music from the wider world via the bridging power of radio significantly mosquito hunter pays high tribute to the various mentors who inspired the author towards research of the natural environment chief among them is his father felix mutero whose all round mastery of efficient farming practices provided a master class of sorts to the future scholar themes ranging from health education love family music poverty and professional politics are all woven into this telling of the making of that rare species the african insect scientist brian hunter is a man of principles who is drawn into circumstances beyond his control unaware of his preordained destinies he embarks on an adventurous mission to right the wrongs of a society spiraling out of control hunting down and destroying evil while trying to reconcile himself to the loss of loved ones and encountering supernatural individuals along the way guiding him toward the destiny he is only just becoming aware of the watchers have roamed the earth for millenia searching for the tablet of breaking if they find it they will destroy the world jakob and his witch hunter companions are sent on a mission to locate the relic before it falls into the hands of the four fallen angels from the cliff top monasteries of meteora to a trap riddled mausoleum lying at the bottom of the dead sea the hexenjäger must stay one step ahead of the fallen angels and their army of undead usual road trip adventures but when findabhair is kidnapped by the king of faerie gwen must race to save her cousin before the rise of the hu death is a stalker preying on the ones i love and even my superpowers aren t strong enough to stop it all i wanted was to help the people suffering in eastern europe with the vampire queen gone daunator was laying claim to the area taking as many people as he could get unfortunately the leaders were still on their honeymoon and no one else on the team wanted to do anything about it except for christian my nemesis but when he found himself in a really bad situation it was up to me to save him before it was too late i had no idea trying to save someone i hate would jeopardize the ones i love most this is the last installment of my story the last chapter the last pages it ends when death finally catches up to its prey and someone i love is dead i m cassidy findley and this is my life as a teenage vampire hunter the chronicles of cassidy is a retelling of the clandestine saga specifically for middle grade through high school readers told from the perspective of high schooler cassidy findley in the war against vampires mankind has only one hope the dark hunters ancient warriors who died of brutal betrayal the dark hunters have sworn themselves into the service of the goddess artemis to protect us it s a pact with pretty good perks immortality power psychic abilities wealth and a cool wardrobe but it comes with a few drawbacks fatal sun poisoning and a new irreparable dental problem but aside from the fangs and nocturnal lifestyle it s not so bad talon an ancient celtic warrior has been cursed by the god camulus for killing his son camulus cursed talon decreeing death for everyone he loved now a dark hunter in modern day new orleans talon meets sunshine who is key to ending his curse once and for all not to mention helping him to save new orleans from an ancient god bent on total destruction two brothers searching for a cure to a curse find themselves in the midst of a supernatural storm this series will take readers on an incredible journey that shall redefine many of the pre established tropes of this genre new lore and monsters shall make appearances as the books go forward these novellas will offer new and veteran readers plenty to discuss don t miss out on this extraordinary series the chronicles of waterworld after the hough riots by ali taylor in cleveland ohio drugs rape violence and mayhem became a part of a neighborhood called hough heights after the hough riots in 1966 and 1968 and the assassination of dr martin luther king jr the children of hough were growing up experiencing the aftermath from a society whose forefathers knocked down obstacles of those who were abused neglected discriminated and hated due to the color of their skin now the next generation is experiencing new obstacles which caused them to neglect the ones our leaders risked their lives to put in place crime bosses frank burton king george and others come up with a plan to get rich from the negative environment of hough consequently two undercover fbi agents mysteriously disappear king george realizes the criminal underworld activities will be threatened by the agents disappearance and his past will catch up with him if he did not stop king george decides to change his ways and give back to the community however king george s son ali is now caught up in the criminal activities surrounding him king george and ali s girlfriend monique attempt to persuade ali to leave the criminal life behind before it is too late persiphony lalasha was born a pure breed in one of the 12 powerful clans given supernatural powers above others she was raised to do her father s bidding without question she s spent a lifetime killing lowly humans and undeserving vampires as her father saw fit until conflicting emotions rise to a head with the arrival of a newcomer to the realms she is forced to choose between the life she s lived and the human she can t live without enter genwone owns a human who is immune to every venom known to man including the bite of vampires if persiphony was raised to kill humans and undeserving vampires then genwone was raised as a champion for the human race endowed with special abilities beyond normal humans armed with his special stick and fighting companion genwone s purpose is to keep the balance but he meets his match in the ethereal beauty and is tested beyond his limits when he learns her secret what is to become of our champion and ultimately the human race
