every american over the age of fifteen needs to read this book the constitution of the united states is the most important political document in the history of the human race it enshrines natural rights instead of the terribly destructive human rights which are being forced upon us very few americans understand the constitution which is why our government has been able to trample and discard it with little or no protest the patriot s guide to taking america back explains in simple clear language exactly how far we have moved from the constitution and why america faces so many problems today most of which have been caused by our government the patriot s guide offers a plan by which americans may take america back to the constitution and regain the sacred freedoms we seem to be willing to throw away if you think something is terribly wrong in america today you re right the patriot s guide will help you understand the problem and the solution long considered to be the standard reference work in this area this three volume set
