this lyrical novel in verse tells the tale of fiery 16 year old elaine of ascolat who will one day be known in poems and paintings as rthe lady of shalotts from arthurian lore a man searches for his friend who has been missing for 40 years perhaps willa cather s most autobiographical work the song of the lark charts the story of a young woman s awakening as an artist against the backdrop of the western landscape thea kronborg an aspiring singer struggles to escape from the confines her small colorado town to the world of possibility in the metropolitan opera house in classic cather style the song of the lark is the beautiful unforgettable story of american determination and its inextricable connection to the land song of the sea depicts all these moods of the sea plus many more in this new collection of seascapes shells lighthouses and beaches all things seaworthy each page features morgan s luminous heart tugging art with quotations about the sea poems and literary snippets musings by the famous and the anonymous all celebrating the wonder of the ocean relationships are a wonderful mysterious often elusive sometimes painful part of the human experience the most intimate of all human relationships according to the bible is that between a husband and a wife it is no surprise therefore that there is a book of the bible the song of songs that focuses on this relationship what is surprising is how little attention is given to the song of songs by scholars by the church and by readers of the bible with this volume tremper longman iii unpacks for modern people what this ancient love poem says about the male female relationship and by analogy about god s love for his people longman s superb study begins with a thorough introduction to the song of songs and its background longman discusses the book s title authorship date literary style language structure cultural milieu and theological content he also canvasses the long history of interpretation of the song of songs a history too often characterized by repression of the text in the commentary itself longman structures the song of songs according to its twenty three poetic units and explains its message verse by verse the exposition is made clearer by longman s adoption of an anthropological approach to the text and by his frequent comparisons of the song of songs with other ancient near eastern literature learned yet highly accessible innovative yet fully informed by past scholarship this commentary shows the beautiful song of songs to be a timeless celebration of human love and sexuality in out of the cloister suzanne lavere uncovers a particular strain of interpretation of the biblical song of songs in and around 12th and 13th century paris that champions an active life of preaching and reform for the secular clergy song of the lark is the third novel by american author willa cather written in 1915 it is generally considered to be the second novel in cather s prairie trilogy following o pioneers 1913 and preceding my Ántonia 1918 the book tells the story of a talented artist born in a small town in colorado who discovers and develops her singing voice her story is told against the backdrop of the burgeoning american west in which she was born in a town along the rail line of fast growing chicago near the turn of the twentieth century and of the audience for singers of her skills in the us compared to europe thea kronborg grows up learning herself her strengths and her talent until she reaches success the title comes from a painting of the same name by jules breton in 1884 and part of the collection of the art institute of chicago friends of childhood dr howard archie had just come up from a game of pool with the jewish clothier and two traveling men who happened to be staying overnight in moonstone his offices were in the duke block over the drug store larry the doctor s man had lit the overhead light in the waiting room and the double student s lamp on the desk in the study the isinglass sides of the hard coal burner were aglow and the air in the study was so hot that as he came in the doctor opened the door into his little operating room where there was no stove the waiting room was carpeted and stiffly furnished something like a country parlor the study had worn unpainted floors but there was a look of winter comfort about it the doctor s flat top desk was large and well made the papers were in orderly piles under glass weights behind the stove a wide bookcase with double glass doors reached from the floor to the ceiling it was filled with medical books of every thickness and color on the top shelf stood a long row of thirty or forty volumes bound all alike in dark mottled board covers with imitation leather backs as the doctor in
