Tangled Up 2023 tangled up in love and in the sheets gemma turney is a walking contradiction a short tempered foul mouthed vegan yogi and environmentalist with a tongue sharp enough to bring a lesser man to his knees fortunately i am not one of those men when we re thrown together for a wedding i have trouble keeping my irritation in check with her antagonistic nature but the more time we spend together the more i see past her prickly exterior to the tender and caring heart she keeps under wraps and despite her attempts to scare me off with a glare i m not going anywhere she might be afraid of commitment but i m determined to make this little firecracker mine even if it means i get burned

Tangled Expectations 2023-04-15 crying women are my kryptonite which is why i ditch my friends to check on the dark haired woman in the corner of the bar and the moment she hits me with those glassy doe eyes i m done for just one incredible night together and i know maggie levandoski is it for me but due to some bad luck when my cell phone goes missing and really bad timing with a family tragedy i lose her contact information after weeks of searching for my real life cinderella i find her again in the middle of a busy new york street only to discover she believes i ghosted her for two months and she s moving away because she s pregnant with my baby

Tangled Want 2023-02 gemma turney is a walking contradiction a short tempered foul mouthed vegan yogi and environmentalist with a tongue sharp enough to bring a lesser man to his knees fortunately i am not one of those men when we re thrown together for a wedding she does everything she can to get under my skin which works just not in the way she s hoping she s a thorn in my side that i have no interest in removing so it s no surprise that one minute we re nose to nose in an argument and the next i have her pinned against the wall because keeping her mouth busy is the only way my girl is ever quiet this special edition includes a discreet cover and bonus epilogue

Tangled Up 2023-09 the shocking story of how exceptionally violent abuse turned one girl to desperate self harm before turning her life around growing up sophie carried a terrible secret she was her father s slave in the most horrific ways imaginable at just a few months old she was adopted by a couple that seemed comfortably well off and perfectly respectable to the outside world but behind closed doors sophie s childhood was a living hell her father spent the next decade grooming her for abuse and when sophie s mother left for good that very night he told sophie that from now on she would sleep in his bed unable to cope sophie spiralled into suicidal misery she began to self harm to try and escape the agony but one day she went too far and at 16 ended up in a psychiatric unit it was here that she finally confronted the horrors of home and began the painful journey of rebuilding her life a phenomenally courageous woman sophie now works for the samaritans and helps other young people in need harrowing yet compelling this is a searing and truly inspirational account of overcoming the worst abuse and self harm

Scarred 2012-05-24 taylor novak is the bane of my existence with her as per my email notes and weekend work hours she also happens to be my direct competition for a promotion but when she needs help with a personal matter i'm the only one there for her and suddenly my work enemy is my work friend after so many years of being her rival i don't know what to do with these new feelings especially the ones tempting me to bend her over and test the sturdiness of my desk as i get to know the surprisingly tender girl underneath the ice queen façade i find myself falling hard for her yet with the promotion in my sights i can only have one the job or taylor

Tangled Ambition 2023-07 a decade ago delaney hargrove was the prom queen i was her brother's best friend and the band geek hopelessly in love with her but i didn't think she could ever feel the same way about me and let her go without knowing the truth now she's back home and i'm determined to show her i'm not the bumbling boy she used to know i'm a man who remembers how sensitive the skin behind her ear is when i kiss it and who's learned how to make her skin flush a pretty pink though it will take more than that to truly win her over all i have to do is prove i won't break her heart which turns out to be harder than i expected when she's mistrustful after a bad break up but i'm not giving up i won't waste my second chance on a new beginning with my first love

Tangled Beginning 2023-04 the last time i saw my little brother's best friend was before i'd left for boot camp when she still had pigtails and braces now samantha kohler is all grown up and home for the summer with an offer i can't refuse twelve weeks of casual fun hell yes the problem is i've only ever had serious relationships and don't know how to do no strings attached but sam has plans to complete her phd and is moving out of state at the end of the august so a future together is impossible with the countdown on i collect as many of her smiles kisses and moans as i can yet it's not enough i want more a summer fling that's all we're supposed to be or is it

Tangled Hearts 2023-02-17 people have called me impulsive and reckless before yet my spur of the moment decision to date claire hart might be the best chance i've ever taken when i find out my landlord is selling my house i'm desperate to buy it but as a second grade teacher i'm not exactly rolling in the dough i find my solution in a local radio station giving away 10 000 dollars the catch only couples can enter undeterred i convince the school librarian to play my girlfriend although she doesn't think anyone would believe we'd ever date in real life especially since she was recently dumped for supposedly being boring and grumpy one kiss is all it takes for me to know there is nothing boring or grumpy about her and suddenly this little game we're playing is about more than just money i am nothing if not competitive and claire is one challenge i'm not willing to lose

Tangled Chances 2023-06 sophie andrews's life is rather routine she fights with her twin sister alyssa she still lives with her parents and she isn't alone
