james vi and i the first monarch to reign over scotland england and ireland has long endured a mixed reputation to many he is simply the homosexual king the inveterate witch roaster the smelly sovereign who never washed the colourless man behind the authorised bible bearing his name or the drooling fool whose speech could barely be understood for too long he has paled in comparison to his more celebrated tudor and stuart forebears but who was he really to what extent have myth anecdote and rumour obscured him in this new and ground breaking biography james s story is laid bare and a welter of scurrilous outrageous assumptions penned by his political opponents put to rest what emerges is a portrait of elizabeth i s successor as his contemporaries knew him a gregarious idealistic man obsessed with the idea of family whose personal and political goals could never match up to reality with reference to letters libels and state papers it casts fresh light on the personal domestic international and sexual politics of this misunderstood sovereign a real page turner for lovers of history philippa gregory

dugald stewart s empire of the mind recasts the cultivation of a democratic intellect in the late scottish enlightenment it comprises an intellectual history of what was at stake in moral education during a transitional period of revolutionary change between 1772 and 1828 stewart was a child of the scottish enlightenment who inherited the scottish philosophical tradition of teaching metaphysics as moral philosophy from the tuition of adam ferguson and thomas reid but the scottish enlightenment intellectual culture of his youth changed in the aftermath of the french revolution stewart sustained the scottish school of philosophy by transforming how it was taught as

professor of moral philosophy at the university of edinburgh his elementary system of moral education fostered an empire of the mind in the universal pursuit of happiness the democratization of stewart s didactic enlightenment the instruction of moral improvement in a globalizing interconnected nineteenth century knowledge economy is examined in this book

Boyd's Directory of Washington & Georgetown

1867

when john maitland accepted the office of secretary of state to james vi of scotland in 1584 he accepted the challenge of three of the most extraordinary and persistent threats to the power of the crown that a king s principal advisor ever faced the scottish aristocracy the kirk and queen elizabeth of england by the time of his death eleven years later maitland had succeeded in helping his king break the power of the nobility secure the support of both the kirk and elizabeth and prepare the way for an absolutism of the stewart kings of scotland that was not finally destroyed until the revolution of 1688 this investigation of how maitland constructed his political coalition and how he held it together is a superb study in renaissance politics originally published in 1959 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

The War of the Rebellion

1891

stewart s single variable calculus with vector functions concepts and contexts offers a streamlined approach to teaching calculus focusing on major concepts and supporting those with precise definitions patient explanations and carefully graded problems single variable calculus with vector functions concepts and contexts successfully brought peace to departments that were split between reform and traditional approaches to teaching calculus not only does the text help reconcile the two schools of thought by skillfully merging the best of traditional calculus with the best of the reform movement it does so with innovation and meticulous accuracy
