created around the world and available only on the internet television series are independently produced mostly low budget shows that often feature talented but unknown performers typically financed through online crowd funding they are produced with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance the second in a first ever set of books cataloging internet television series this volume covers in depth the drama and mystery genres with detailed entries on 405 shows from 1996 through july 2014 in addition to casts credits and story lines each entry provides a website commentary and episode descriptions index of performers and personnel are included

Contemporary American Independent Film

2016-03-25

from easy rider to the blair witch project this book is a comprehensive examination of the independent film scene exploring the uneasy relationship between independent films and the major studios the contributors trace the changing ideas and definitions of independent cinema and the diversity of independent film practices they consider the ways in which indie films are marketed and distributed and how new technologies such as video cable and the internet offered new opportunities for filmmakers to produce and market independent films turning to the work of key auteurs such as john sayles and haile gerima contributors ask whether independent filmmakers can also be stars and consider how indie features like boys don t cry and shopping for fangs address issues of gender sexuality and ethnicity normally avoided by hollywood for all students of film studies and american studies this cultural journey through independent film history will be an absolute must read

1991

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

Film Making

1981

reference librarians are no longer expected to know much about the information they find they are merely expected to find it technological competency rather than knowledge has become the order of the day in many respects reference service has become a matter of typing search terms into a library's online catalog or a web search engine and providing the patron with the results of the search calling for a re intellectualization of reference librarianship this book suggests another approach to providing quality reference service reading the authors surveyed both academic reference librarians and public library reference personnel in the united states and canada about their reading habits from the 950 responses the authors present findings about the extent to which librarians read newspapers periodicals fiction and nonfiction and recount and analyze stories about how reading has made them better librarians the authors also report that north american professors in the humanities and social sciences believe that the best reference librarians are those who have wide ranging subject based knowledge as opposed to the type of process based functional knowledge that is increasingly dominating the curricula of many library and information science programs

The Belgian Review

2014-10-16

the glorious sweeping full scale biography of norman mailer the famous novelist journalist and public figure there's not a paragraph in this enormous book that doesn't contain a nugget of something you wish you had known the new york times norman mailer was one of the giants of american letters and one of the most celebrated public figures of his time he was a novelist journalist biographer and filmmaker a provocateur and passionate observer of his times and a husband father and serial philanderer perhaps nothing characterized mailer more than his ambition he wanted not merely to be the greatest writer of his generation but a writer great enough to be compared to dostoevsky and tolstoy as michael lennon describes although he considered himself first and foremost a novelist his greatest literary contribution may have been in journalism where he used his novelistic gifts to explore the american psyche he would return to certain subjects obsessively john f kennedy marilyn monroe sex technology and the intricate relationship of fame and identity lennon captures mailer in all his sharp complexities and shows us how he self consciously invented and re invented himself throughout his lifetime michael lennon knew mailer for thirty five years and in this definitive biography he had the cooperation of mailer's late widow norris church his ex wives and all of his children as well as his sister barbara he also had access to mailer's vast unpublished correspondence and papers and he interviewed dozens of people who knew mailer in norman mailer a double life he brings mailer thoroughly alive in this great wallop of a book and he captures the entirety of a man who embodied his era like no other the washington post

a true crime account of a mass shooting by gangster brothers which resulted in the deaths of six police officers in depression era missouri in all the annals of preservation of the peace there is no story that runs more gallantly than this springfield leader january 4 1932 as dusk fell on a bitterly cold night during the great depression a posse of ten local lawmen approached two brothers holed up in an isolated missouri farmhouse minutes later six officers were dead three were wounded and the outlaws had escaped after a wild car chase through oklahoma and across texas police finally surrounded harry and jennings young in their houston hideout the brutal killings attracted the national press at first pretty boy floyd was rumored to be involved and the carnival of carnage that became known as the young brothers massacre represented the highest number of law enforcement officers killed on a single day until september 11 2001 even in the hardscrabble ozarks a region historically known for frontier justice and vigilante activity these crimes caused a sensation and the young brothers briefly joined the ranks of infamy with bonnie and clyde and other famous outlaws author bruce davis a third generation methodist minister from springfield missouri became fascinated with this forgotten case after noticing a memorial to the six fallen police officers in his local police station he has devoted this account his first book to telling the whole story and honoring the brave lawmen who died in their attempts to exact justice

Reading and the Reference Librarian

1981

this study approaches the fiction of the 1930s through critical debates about genre language and history setting these in their original context and discussing the generic forms most favoured by novelists at the time chris hopkins uses a series of case studies of texts to draw on develop or explore the boundaries contemporary usefulness and complexities of particular prose genres generic debates and the political aesthetic effects of different kinds of representation were live issues as discursive struggles and negotiations took place between modernist and realist modes between high middle and lowbrow categorisations of culture between literature and mass culture and between different conceptions of the role of the writer politics and nationality sexuality and gender identities chris hopkins draws both on well known texts and on novels which have only recently begun to be discussed by critics of the thirties particularly those by women writers whose work has still not been related very clearly to the literary and political debates of the period organised in five sections each focusing on major genres he takes a wide range of novels as case studies and discusses their uses of generic forms relating them to other examples and to their historical political

and cultural contexts
