winner of the christopher ewart biggs literary award and nominated for the pen jr ackerley prize the powerful memoir of a mullaghmore bombing survivor on the august bank holiday weekend in 1979 14 year old timothy knatchbull went on a boat trip off the shore of mullaghmore in county sligo ireland with many members of his family by noon an

ira bomb had destroyed the boat leaving four dead the author survived but his grandparents a family friend and his 14 year old twin brother did not lord mountbatten his grandfather and uncle to the duke of edinburgh was the target and became one of the ira s most high profile assassinations in telling this story for the first time knatchbull is not only revisiting the terrible events he and his family lived through but also writing an intensely personal account of human triumph over tragedy it is a story of recovery not just from physical wounds but deep emotional trauma knatchbull and his parents were too badly injured to attend the funerals of those killed a sadness that intensified their profound sense of loss taking place in ireland at the height of the troubles it gives a compelling insight into that period of irish history but more importantly it brings home that although tragedy can strike at any moment the human spirit is able to forgive to heal and to move on it will resonate with readers the world over from a clear blue sky is a minute by minute story of what happened that day and what happened afterwards it is a proper four hanky bawler and the exactitude of the story is what makes it so moving he provides a convincing account of the extent to which he has been able to accept forgive and move on his narrative power is such that the reader can t always share his equanimity it is a book that is as saddening as it is sad but much more angering than it is angry daily mail this is an extremely moving book beyond providing a phenomenally detailed evocation of his own family s trauma knatchbull has lots of wise

things to say about how we survive horrors of all kinds in our lives he writes with great tenderness and an admirable lack of sentimentality zoe heller affecting and intimate mail on sunday testament to a remarkable benevolent soul with this public love letter he has found a way to say goodbye the sunday times

colley cibber changed the course of the english speaking theater one of the most complete theater men in the history of the stage he fostered the change from drama as the handmaiden of literature to theater as an independent and lively art in the process cibber became one of london s brightest stars one of its most popular playwrights and for thirty years manager of the most important theater in england drury lane yet above all cibber was an actor and this fact governed his life and career in his plays he demonstrated a remarkable awareness of the audience in the playhouse while the character of a fool which he created for the stage gradually became the mask he wore in private life the man himself achieved fame and wealth and gained powerful friends who gave him the post of poet laureate but the mask and his success brought equally powerful enemies who made him the target of their ridicule and succeeded in destroying his reputation since then the distorted image created by pope and fielding has amused generations of readers but it does not explain how such a

supposed fool remained a favorite with the public throughout his career had more plays in the repertory than any other contemporary author successfully managed a major theatrical company or wrote the best theatrical history of his age this biography looks at the man behind that distorting mask his position in his own time and his contribution to the theater
