Family Happiness

2013-09

chief among tolstoy s shorter works is the death of ivan ilych a masterful meditation on the act of dying the first major fictional work published by tolstoy after a mid life psychological crisis this novella reflects the author s struggle to find meaning in life a challenge tolstoy resolved by developing a religious philosophy based on brotherly love mutual support and charity these guiding principles are the dominant moral themes in the death of ivan ilych an account of the spiritual conversion of a judge an ordinary unthinking vulgar man in the face of his terrible fear about death also included in this volume are family happiness an early work that traces the arc of a marriage the kreutzer sonata a frank tale of sexual love that shocked readers when it first appeared and hadji murá d tolstoy s final masterpiece about power politics intrigue and colonial conquest

Family Happiness; a Romance

1960

we were in mourning for our mother who had died the preceding autumn and we had spent all the winter alone in the country macha sonia and i macha was an old family friend who had been our governess and had brought us all up and my memories of her like my love for her went as far back as my memories of myself sonia was my younger sister the winter had dragged by sad and sombre in our old country house of pokrovski the weather had been cold and so windy that the snow was often piled high above our windows the panes were almost always cloudy with a coating of ice and throughout the whole season we were shut in rarely finding it possible to go out of the house it was very seldom that any one came to see us and our few visitors brought neither joy nor cheerfulness to our house they all had mournful faces spoke low as if they were afraid of waking some one were careful not to laugh sighed and often shed tears when they looked at me and above all at the sight of my poor sonia in her little black frock

The Death of Ivan Ilyich; The Cossacks; Happy Ever After

1887

in the summer of 1886 shortly before his fifty eighth birthday leo tolstoy was seriously injured while working in the fields of his estate bedridden for over two months tolstoy began writing a meditation on death and dying that soon developed into a philosophical treatise on life death love and the overcoming of pessimism although begun as an account of how one man encounters and laments his death and makes this death his own the final work on life describes the optimal life in which we can all be happy despite our mortality after its completion on life was suppressed by the tsars attacked by the hierarchs of the russian orthodox church and then censored by the stalinist regime this critical edition is the first accurate translation of this unsung classic of russian thought into english based on a study of manuscript pages of tolstoy s drafts and the first scholarly edition of this work in any language it includes a detailed introduction and annotations as well as historical material such as early drafts documents related to the presentation of an early version at the moscow psychological society and responses to the work by philosophers religious leaders journalists and ordinary readers of tolstoy s day

from the depths of tolstoy s experiences and from the standards of his heart comes the story family happiness in which he explores the nature of happiness through the relationship between sergey mikhailich and marya alexandrovna however unlike the story of sergey and masha tolstoy s courtship to valerya arseneva ended in his own withdrawal he never married her his ideal of a happy married life did not come to fruition his failure did however lead to a poignant timeless story about two lovers who reach a state of married happiness lose it try to find do find a replacement in the pseudo contentment of

society and finally carve out an authentic definition of family happiness through the sensitive eyes of young masha the reader delves into an intimate view of love happiness and the trouble that accompanies all human bliss from the introduction by amy krohnwiseblood books is a publishing line particularly favorable toward works of fiction poetry and philosophy that render truths with what flannery o connor called an unyielding realism of distances such works find redemption in uncanny places and people wrestle us from the tyranny of boredom mock the pretensions of respectability engage the hidden mysteries of the human heart be they sources of either violence or courage articulate faith and doubt in their incarnate complexity dare an unflinching gaze at human beings as political animals and suffer through this world s trials without forfeiting hope we seek contemporary fiction in the vein of such popular classics as dickens pickwick papers graham greene s entertainments tolkien s the lord of the rings cather s o pioneers and p d james the children of men or as demanding as dostoevsky s demons faulkner s absalom absalom melville s moby dick solzhenitsyn s the gulag archipelago or david foster wallace s infinite jest although we ve already produced a small library of classics which includes notes from underground the sickness unto death and three detective stories by edgar allan poe wiseblood books will release its first work of contemporary fiction the unfinished life of n on october 1st 2013 you can learn more follow the blog buy books submit manuscripts or donate here wisebloodbooks.com
