*Discovering Grace* 2012-02-23 life is not a sprint it s a marathon these well known words of wisdom remind us to pace ourselves in the journey of life so we reach the finish line with no regrets pacing yourself is not as easy as it sounds life tends to take on a pace of its own which when left unchecked will drive us toward burnout and fatigue we can easily become driven by care worry and ambition rather than led by the holy spirit we may tend to think of burnout as a modern problem but we can see that people in jesus day felt their own kind of spiritual and emotional fatigue why else would jesus have said these comforting words are you tired worn out burned out on religion come to me get away with me and you ll recover your life i ll show you how to take a real rest walk with me and work with me watch how i do it learn the unforced rhythms of grace i won t lay anything heavy or ill fitting on you keep company with me and you ll learn to live freely and lightly matt 11 28 30 the message even though he spoke these words more than two millennia ago jesus call to rest and peace seem tailor made to fit this generation author kerri weems had let the pace and rhythm of her life get out of control at first the consequences were only physical but they quickly impacted her spiritual life since then god has been teaching her to walk in time with him he is teaching her to be led rather than driven in this book she opens up her life and shares this journey with the reader god s best for each of us is that we go the full distance of our race and not just crawl exhausted across the finish line god wants us to enjoy the race and cross the line with our heads held high a smile on our faces and our arms lifted in a double fist punch getting to that moment is all about learning the rhythms of grace and pacing ourselves for the long run

**Rhythms of Grace** 2014-10-07 despite our professions of belief our baptisms and our membership in the church many of us secretly wonder am i truly saved we worry that our love for jesus isn t fervent enough or isn t as fervent as someone else s we worry that our faith isn t strong enough we struggle through the continuing presence of sin in our lives all this steals the joy of our salvation and can lead us into a life characterized by legalism perfectionism and works righteousness the very life jesus freed us from at the cross but greg gilbert has a message for the anxious believer be assured assured that your salvation experience was real assured that your sins past present and future are forgiven assured that everyone stumbles assured that jesus is not your judge but your advocate with deep compassion gilbert comforts readers encouraging them to release their guilt shame and anxiety to rejoice in and follow hard after the one who set them free

**Assured** 2019-03-19 we at mtw believe that to follow jesus command to make disciples of all nations we must be grounded trained and equipped then the lord can use us to be disciple making disciples who will be the lifeblood of church planting movements we re also convinced that disciples are not mass produced in a program or a classroom but in community through the disciplined application of the gospel to our hearts and relationships for that reason these studies were created to be used under the guidance of a mentor in the context of small intimate groups of three or four people committed to each other for a season of growth gospel and grace the first volume in the grace kingdom mission series will help participants learn to apply a foundational understanding of the gospel of grace to their daily lives through bible studies readings discussion questions and application exercises group members have the chance for honest self examination and opportunities to speak grace and truth into each other s lives our prayer is that the spirit will use these lessons as a tool for life on life discipleship a vehicle for the creation of mission communities and a catalyst for inspiring ever deepening sacrificially intensifying missional engagement both locally and globally

*Gospel and Grace* 2019-01-28 grace and jimmy have allies helping them cope in their somewhat dysfunctional home but even more struggles as they try to follow jesus share his love and that s not counting jimmy being distracted by his first crush there s davey from one of their new dad s prior relationships his mom is very sick and their mom s general attitude causes six year old erin to act out her frustration there s grace s battles with a very liberal christian club and attempts to share christ s love with muslims facing sometimes stiff opposition even as one of those muslims tries to break away there s also jimmy s crush s concerns about whether she s good enough since she doesn t look like a supermodel then their new dad s health problems and several decisions regarding god s will for peoples lives also cause confusion through it all jimmy and grace learn what it means to be real leaders not always having things easy or knowing the perfect solution but still trusting jesus to get them through

*Discovering Grace 2: Young Leaders* 2015-01-19 this new book by the Grace of God I Am a journey into the discovery of my true identity is my understanding of what has been obtained for us our glorious identities purchased and created anew by our Lord Jesus Christ in this book I journey through the Scripture identifying the original issue which necessitated the first and second comings in order to rectify that problem move from theological fact into the wonderful reality of your true identity this book transforms what God has accomplished with Christ from being an external theological and eschatological fact into an internal life-changing reality this truth is the pearl of great price the understanding that Christ has already come seems to be a hidden truth for most similarly the realization of what he has already accomplished for us is equally very rare I truly believe that this knowledge in this book is a priceless pearl for some reason unknown to me Christianity has lost sight of the Gospel they are back in the same rut that Christ desired to free the Jews from you can discover the hidden treasure that Jesus spoke of today who knows the truths in this book may be exactly what you have been praying for in this book you will find the teachings of Jesus and his apostles concerning our true identity these have somehow been overlooked ignored or for some reason shunned these days we hardly seem to hear the words of Jesus and his apostles we hear a lot of men's assumptions theories and philosophy secondly we also hear a lot of the old religion of ceremonies and signs along with a lot of we musts and we shoulds this book reveals the doctrine of the way this was the teaching of the chief apostle Jesus Christ after his ascension Jesus specially appointed and anointed apostles as revealed in the Holy Scriptures continued this teaching some of the concepts this book sheds light on are what is the significance of the tree of the knowledge of good and evil and the tree of life in our lives today what is the image and likeness of God what is God's true opinion of you what does it mean to be in Christ what is the new creation how to be born of the Spirit how to put on Christ how to pray in the Spirit I can say personally that the information in this book has been a blessing to me moreover it also has been a blessing writing it as well this is one of those books that needs to be in every hand in every library and every home

*By the Grace of God... I Am* 2020-11-15 there are two fundamentally different approaches to living life in relation to God the first approach is to jump up and down trying to impress Him the second is to relate to Him on the basis of grace though the first approach makes sense at first glance since it is the way we get noticed it comes with a whole load of baggage guilt shame fear pride the way of grace is more subtle but is the way God actually has chosen to work grace is like breathing clean air when you are surrounded by grace you flourish graceless living is like breathing carbon monoxide you may not even realize it is killing you spiritually until it is too late these reflections are easy to read and often entertaining but they are full of wisdom and will show you how to live in the grace of Christ day by day

*Beyond Failure* 2001 throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace as a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence this issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws rather Cheng proposes a Christological model based upon the

theologies of irenaeus bonaventure and barth in which sin and grace are defined in terms of what god has done for us in jesus christ this book serves as a useful resource for all people who struggle to make sense of the traditional christian doctrines of sin and grace in the context of the 21st century
