Aristocrats 2014-08-07

a fascinating insight into 18th century aristocratic life through the lives of the four lennox sisters the great grandchildren of charles ii whose extraordinary lives spanned the period 1740 1832 passionate witty and moving the voices of the lennox sisters reach us with immediacy and power drawing the reader into their remarkable lives and making this one of the most enthralling historical naratives to appear for many years

Aristocrats 1995

the lennox sisters great granddaughters of a king daughters of a cabinet minister and wives of politicians and peers lived lives of real public significance but the private texture of their family centered world mattered to them and they shared their experiences with each other in countless letters from this hitherto unknown archive stella tillyard has constructed a group biography of privileged eighteenth century women who she shows have much to tell us about our own time

Aristokrater 2000

newly wed harriet stands poised on the threshold of the adult world her husband james is setting off to join the duke of wellington s troops in spain and left alone in london harriet is taken under the wing of lady wellington while harriet plunges into a new life of freedom at home james faces the bloody reality of the battlefield as war rages abroad and england stands on the brink of change harriet and james face hope and heartache in equal measure from the mantillas and palms of seville to the gas lamps of foggy london tides of war returns us to the vivid lost world of the past

Tides of War 2012-02-29

a library journal top ten best books of 2011 an epic novel about love and war set in regency england and spain during the peninsular war 1812 15 by the acclaimed historian and bestselling author of aristocrats tides of war opens in england with the recently married charmingly unconventional harriet preparing to say goodbye to her husband james as he leaves to join the duke of wellington s troops in spain harriet and james s interwoven stories of love and betrayal propel this sweeping and dramatic novel as it moves between regency london on the cusp of modernity a city in love with science the machine money and the shocking violence of war in spain with dazzling skill stella tillyard explores not only the effects of war on the men at the front but also the freedoms it offers the women left behind as harriet befriends the older and protective kitty lady wellington her life begins to change in unexpected ways meanwhile james is seduced by the violence of battle and then by love in seville as the novel moves between war and peace spain and london its large cast of characters includes the serial adulterer and war hero the duke of wellington and the émigrés nathan rothschild and frederic winsor who will usher in the future creating a world brightly lit by gaslight where credit and financial speculation rule whether describing the daily lives and desires of strong female characters or the horror of battle tides of war is set to be the fiction debut of the year

Quattro inglesi aristocratiche. Le vite inquiete delle sorelle Lennox (1740-1832) 1995

compulsively readable this is the dramatic scandal ridden tale of a family trapped between the stiff protocols of royalty and their own desires an unforgettable glimpse of the birth of celebrity culture and the enduring plight of the royals

Tides of War 2011-10-25

in the transatlantic world of the late eighteenth century easterly winds blew radical thought to america thomas paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the revolution in his wake followed more than 200 other radical exiles english dissenters whigs and painites scottish lads o parts and irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation michael durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on american political thought transatlantic radicals uncovers the roots of their radicalism in the old world and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country nearly all of these radicals looked to paine as their spiritual leader and to thomas jefferson as their political champion they held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of jefferson s republican party their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution as political activists during the 1790s they proved crucial to jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the new world although many of these men are known to us through other histories their influence as a group has never before been so closely examined durey persuasively demonstrates that the intellectual ferment in britain did indeed have tremendous influence on american politics his account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms skillfully balancing a large cast of characters transatlantic radicals depicts the diversity of their experiences and shows how crucial these reluctant émigrés were to shaping our republic in its formative years

Feminist Bookstore News 1995

formidablement érudit et aussi captivant qu'un roman l'ouvrage de stella tillyard est un brillant tour de force s'appuyant sur des milliers de lettres il nous relate l'histoire des quatre soeurs lennox caroline emily louisa et sarah histoire alliant les sommets de la politique les tendres sentiments la vie familiale et la tragédie qui débute en 1740 sous le règne de george ii et s'achève en 1832 cinq ans avant l'avènement de victoria a première vue tout les sépare de nous arrière petites filles de charles ii et de louise de keroualle filles du duc de richmond elles étaient riches bien éduquées et francophiles leurs relations sociales leur donnèrent l'accès aux idées les plus neuves aux penseurs artistes médecins les plus en vue caroline s'enfuit avec le politicien henry fox et fut la mère de charles james fox grande figure de l'opposition libérale emily convola avec un duc et pair d'irlande et l'un de ses nombreux enfants fut lin martyr de la cause républicaine louisa épousa l'homme le plus riche d'irlande sarah courtisée par le jeune george iii faillit devenir reine pourtant leur façon d'écrire nous les rend très proches si exquises dans leur intimité si solidaires dans leurs attachements d'épouses de mères et de soeurs elles abordent avec fraîcheur et spontanéité des sujets qui nous tiennent à coeur autant qu'à elles amour et mariage allaitement et règles douloureuses nourriture et toilettes livres et spectacles demeures et jardins guerres et politique tout est là de la conception à la mort écrit avec des voix rarement entendues de femmes du xviii siècle filles des

lumières assez réceptives pour accueillir la leçon libératoire de rousseau et le culte de la sensibilité assez tolérantes pour entendre le message de thomas paine l appel des colons d amérique et les idéaux de la révolution française

The New York Times Book Review 1994-10

ireland s situation on the periphery of western europe is sometimes seen as isolating it from literary and intellectual developments during the eighteenth century an examination of irish private libraries and the book trade which supplied them shows instead an irish readership au fait with continental trends in literature the sciences politics and the arts this study concentrates on french language works circulating in the country through the use of booksellers and auction catalogues book reviews and advertising an exploration of the ownership of french language works points to

an interested audience at different social levels and across the religious divides dublin dominated the irish trade in french language books its major booksellers importing stock from london and european publishing centres and distributing books and periodicals wholesale and by catalogue to the larger irish cities and towns domestic publication in french also occurred in dublin cork and belfast the provincial cities too had a role to play in the distribution of french language material opening up new markets in the smaller towns using regional newspaper advertising and selling by catalogue questions of literacy and readership are explored with particular emphasis on the teaching of french indentifying teachers and schools throughout the country the huguenot contribution is outlined especially their role in the publication of french language books in the first half of the century many catholics received their education in francophone countries returning to ireland with advanced french language skills in elite circles the french language was a fashionable accomplishment this works draws on comparable studies in britain france and germany to place irish readership of french language materials in the broader context the picture that emerges shows irish readers as active participants in the cosmopolitan culture which flourished in eighteenth century europe
