innovative methods of marine ecosystem restoration offers a ray of hope in an increasingly gloomy scenario this book is the first presentation of revolutionary new methods for restoring damaged marine ecosystems it discusses new techniques for greatly increasing the recruitment growth survival and resistance to stress of marine ecosystems fisheries and eroding shorelines maintaining biodiversity and productivity where it would be lost the book provides experimental proof that mild electrical stimulation results in increased settlement increased growth and reduced mortality for a wide variety of marine organisms

including corals oysters sponges sea grasses and salt marsh grasses in addition to the diversity of ecosystems and geographic regions covered the contributors from fourteen nations across the globe make this work the first truly global study of marine ecosystem restoration

## **The Pearl 2024-05-08**

the gospel of matthew and its readers is a biblical commentary with a difference howard clarke first establishes contemporary scholarship s mainstream view of matthew s gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia by referring forward to matthew s readers rather than back to the text s composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years the commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant and unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed matthew s messages since bible bashing like bible thumping is a historically significant part of the experience of reading the bible

an insightful cultural history of the mythical self immolating bird from ancient egypt to contemporary pop culture by the author of the book of gryphons library journal the phoenix which rises again and again from its own ashes has been a symbol of resilience and renewal for thousands of years but how did this mythical bird come to play a part in cultures around the world and throughout human history here mythologist joseph nigg presents a comprehensive biography of this legendary creature beginning in ancient egypt nigg s sweeping narrative discusses the many myths and representations of the phoenix including legends of the chinese where it was considered a sacred creature that presided over china s destiny classical greece and rome where it appears in the writings of herodotus and ovid medieval christianity in which it came to embody the resurrection and in europe during the renaissance when it was a popular emblem of royals nigg examines the various phoenix traditions the beliefs and tales associated with them their symbolic and metaphoric use and their appearance in religion bestiaries and even contemporary popular culture in which the ageless bird of renewal is employed as a mascot and logo an exceptional work of scholarship publishers weekly

## **The pearl an anonymous English poem of the fourteenth century 2000**

how was fdr s image constructed by himself and others as such a powerful icon in american memory in polls of historians and political scientists franklin delano roosevelt consistently ranks among the top three american presidents roosevelt enjoyed an enormous political and cultural reach one that stretched past his presidency and across the world a grand narrative of roosevelt s crucial role in the twentieth century persists the notion that american ideology embodied by fdr overcame the depression and won world war ii while fascism communism and imperialism and their ignoble figureheads fought one another to death in europe this grand narrative is flawed and problematic legitimizing the united states s cultural diplomatic and military role in the world order but it has meant that fdr continues to loom large in american culture in fdr in american memory sara polak analyzes roosevelt s construction as a cultural icon in american memory from two perspectives first she examines him as a historical leader one who carefully and intentionally built his public image focusing on fdr s use of media and his negotiation of the world as a disabled person she shows how he consistently aligned himself with modernity and future proof narratives and modes of rhetoric second polak looks at portrayals and negotiations of the fdr icon in cultural memory from the vantage point of the early twenty first century drawing on recent and well known cultural artifacts including novels movies documentaries popular biographies museums and memorials she demonstrates how fdr positioned himself as a rhetorically modern and powerful but ideologically almost empty container that deliberate positioning polak writes continues to allow almost any narrative to adopt him as a relevant historical example even now as a study of presidential image fashioning fdr in american memory will be of immediate relevance to present day readers
