Tales of the Dervishes 1982

a mysterious chest is buried unopened a wondrous caravan brings fortune to a simple cobbler an outcast princess creates a new life in the wilderness some of the 78 tales in this remarkable book first appeared in print over a thousand years ago others are medieval classics yet each has a special relevance for us at the dawn of the 21st century all are told with idries shah s distinctive wit and grace and the author s own commentary notes these are teaching stories in the sufi tradition those who probe beyond the surface will find multiple meanings to challenge assumptions and foster new ways of thinking and perceiving tales of the dervishes is essential reading for anyone interested in sufi thought the significance and history of tales or simply superb entertainment

Tales of the Dervishes 1993-10-01

dervish tales are more than fable legend or folklore for centuries dervish masters have instructed their disciples by means of these teaching stories which are said to increase perception and knowledge and provide a better understanding of man and the world in wit construction and piquancy they compare with the finest tales of any culture idries shah spent many years traveling through three continents to collect and compare oral versions of these remarkable stories this anthology presented in the dervish manner contains stories drawn from the repertories of dervish masters over a period of more than a thousand years

Tales of the Dervishes 1969

although enormously attractive as sheer entertainment dervish tales were never presented merely on the level of a fable legend or folklore they stand comparison in wit construction and piquancy with the finest stories of any culture yet their true function as sufi teaching stories is so little known in the modern world that no technical or popular terms exist to describe them the material in tales of the dervishes is the result of a thousand years of development during which dervish masters used these and other teaching stories to instruct their disciples the tales are held to convey powers of increasing perception unknown to the ordinary man

excerpt from the dervishes or oriental spiritualism the object of this volume is to afford information in regard to the belief and principles of the dervishes as well as to describe their various modes of worshipping the creator that the spiritual principles of the dervish orders existed in arabia previous to the time of the great and talented islam prophet cannot be doubted the historical portions of the old and new testaments were also well known among the arabs differing traditionally however in many respects from the narratives of the sacred writings and if a conjecture may be made as to the starting point of islamism we would say that it originated in the act of perfect submission of abraham to the will of the almighty when he determined to offer up his son isaac in obedience to the divine command the spiritualism of the dervishes differing in many respects from islamism and having its origin in the religious conceptions of india and

greece perhaps the information i have been enabled to collect together on the subject may not be without interest to the reader much of this is original and having been extracted from oriental works and from turkish arabic and persian mss may be relied upon as strictly accurate in procuring materials from original sources valuable assistance has been rendered me by personal friends about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Tales of the Dervishes 1970

sufism is the esoteric aspect of islam its purpose is to convey direct knowledge of the eternal the sufis impart knowledge through lineages that go back to the prophet muhammad in these various sufi orders the zikr the repetition of la illaha illa llah there is no god but god is part of initiation ceremonies in fact the method of the sufis is zikr and the manner in which zikr is performed is the essential difference among the various orders the dervishes repeat their zikr as they turn they empty their hearts of all but the thought of god and whirl in the ecstatic movements of his breath

the rediscovery of this almost forgotten book in which the author the danish publicist and anthropologist carl vett is telling of a forgotten time is a lucky coincidence in 1925 i was in constantinople and was so it was generally said the first non mohammedan to be

allowed to live for a time as a dervish in a sufi monastery many years of study had made me familiar with the phenomena of psychic research and i wanted to observe at first hand the ecstatic states attained by the dervishes in their way of initiation for the dervish orders of islam are schools of initiation before and during my stay with the dervishes i kept a diary it was not intended for special publication but in view of the execution of twenty nine men most of whom were sheiks or members of the naqshbandi order it has seemed that these experiences might be of more general interest and so i have decided to offer them to the public from the author s foreword even now more than 70 years after its initial publication this book is a valuable read for anybody interested in the islamic aspect of the mystical heritage of mankind
