trends of the last few years including global health crises political division and the ongoing threat to social environmental survival have been continually obscured by disinformation and misinformation and therefore created a need for stronger global technological media policy it is no longer acceptable or moral to support a global communication network based only on market factors and propaganda the handbook of research on global media s preternatural influence on global technological singularity culture and government views preternatural healing of the media sphere from a variety of perspectives on the dynamic of heart coherent entertainment specifically it addresses the subject of a healthy media from a variety of fractal perspectives covering topics such as collective unconscious mediated reality and government media trust this major reference work is an essential resource for librarians media specialists media analysts sociologists government employees communications specialists psychologists researchers educators academicians and students

A History of Persian Literature in Modern Times (A.D. 1500-1924) 1924

as the first volume of a two volume set on chinese economic history this book investigates chinese economic development between 1912 and 1949 and unravels the overall level during that time from the perspective of development economics the two volume set studies the economic history and development of china since 1912 with a focus on the quantitative analysis of economic activities comprised of two core parts this first volume centering on the period of the republic of china first describes the historical process and characteristics of the economy at different stages and then looks into the momentum and inner logic that underpin the economic development the former part covers issues of agriculture industry population and labour force urbanization price changes people s consumption and living standard regional difference etc the latter part includes discussions on natural and human resources capital formation and technological progress the role of government and finance international trade and foreign capital this title will be an interesting read for scholars and students working on chinese economic history the chinese economy and modern chinese society

The Jewish Law of Marriage and Divorce in Ancient and Modern Times 1884

benjamin franklin conceived of it sir arthur conan doyle endorsed it winston churchill campaigned for it kaiser wilhelm first employed it woodrow wilson and franklin roosevelt went to war with it and more recently the united states fought an energy crisis with it for several months every year for better or worse daylight savings time affects vast numbers of people throughout the world and from ben franklin s era to today its story has been an intriguing and sometimes bizarre amalgam of colorful personalities and serious technical issues purported costs and perceived benefits conflicts between interest groups and government policymakers it impacts diverse and unexpected areas including agricultural practices street crime the reporting of sports scores traffic accidents the inheritance rights of twins and voter turnout illustrated with a popular look at science and history seize the daylight presents an intriguing and surprisingly entertaining story of our attempt to regulate the sunlight hours

History of the Transmission of Ancient Books to Modern Times; Together with the Process of Historical Proof. A New Edition Revised and Enlarged 1859

this book focuses on the contributions of william penn a quaker in sowing some seeds of liberty justice peace and democracy in early america which later became the basis of the 13 english colonies seeking freedom from english rule and the writing of the us constitution the work explores europe and america during the enlightenment in the late sixteenth century and the seventeenth and early eighteenth centuries these were times however when discrimination and persecution were common due to prevalent religious and political bigotries under those circumstances penn dared to bring relief to the suffering people by providing them with a safe and secure haven where liberty justice peace and democracy ruled and he was the first to do that the book will be useful to those reformers practitioners administrators and scholars engaged in the areas of political studies sociological studies ethics moral studies religious and justice studies peace studies historical and development studies social welfare and social work studies and reform movements

Handbook of Research on Global Media's Preternatural Influence on Global Technological Singularity, Culture, and Government 2022-02-11

xiang kairan who wrote under the pen name the unworthy scholar from pingjiang is remembered as the father of modern chinese martial arts fiction one of the most distinctive forms of twentieth century chinese culture and the inspiration for china s globally popular martial arts cinema in this book john christopher hamm shows how xiang kairan s work and career offer a new lens on the transformations of fiction and popular culture in early twentieth century china the unworthy scholar from pingjiang situates xiang kairan s career in the larger contexts of republican era china s publishing industry literary debates and political and social history at a time when writers associated with the new culture movement promoted an aggressively modernizing vision of literature xiang kairan consciously cultivated his debt to homegrown narrative traditions through careful readings of xiang kairan s work hamm demonstrates that his writings far from being the formally fossilized and

ideologically regressive relics their critics denounced represent a creative engagement with contemporary social and political currents and the demands and possibilities of an emerging cultural marketplace hamm takes martial arts fiction beyond the confines of genre studies to situate it within a broader reexamination of chinese literary modernity the first monograph on xiang kairan s fiction in any language the unworthy scholar from pingjiang rewrites the history of early twentieth century chinese literature from the standpoints of genre fiction and commercial publishing

Economic Development in Modern China Before 1949 2023-07-31

this book traces the evolution of the dog from its origins about 15 000 years ago up to recent times the timing of dog domestication receives attention with comparisons between different genetics based models and archaeological evidence allometric patterns between dogs and their ancestors wolves shed light on the nature of the morphological changes that dogs underwent dog burials highlight a unifying theme of the whole book the development of a distinctive social bond between dogs and people the book also explores why dogs and people relate so well to each other though cosmopolitan in overall scope the greatest emphasis is on the new world with an entire chapter devoted to dogs of the arctic regions mostly in the new world discussion of several distinctive modern roles of dogs underscores the social bond between dogs and people

stories of death and villainy will always hold us in their grim but thrilling grip in foul deeds and suspicious deaths in barnet the chill is brought close to home as each chapter investigates the dark side of humanity in cases of murder deceit and pure malice committed over the centuries in this area of north london for this journey into the sinister side of the past nick papadimitriou has chosen over 20 notorious cases that give a fascinating insight into criminal acts and the criminal mind among the crimes he recalls are elizabethan murders highway robbery on finchley common the violence of the black hand gang in victorian times the famous east finchley baby murder of 1903 the hendon wine shop murder of 1919 the edgware girl who was thrown under a tube train in 1939 and the shocking execution of murderer daniel raven in 1949 the human dramas nick papadimitriou describes are often played out in the most commonplace of circumstances but others are so odd as to be stranger than fiction his grisly chronicle of the hidden history of barnet will be compelling reading for anyone who is interested in the dark side of human nature

Seeds of Liberty, Justice, Peace, and Democracy in Early America 2023-07-28

this book offers a radically new reading of don quijote understanding it as a whole much greater than the sum of its famous parts david quint discovers a unified narrative and deliberate thematic design in a novel long taught as the very definition of the picaresque and as a rambling succession of individual episodes quint shows how repeated motifs and verbal details link the episodes often in surprising and heretofore unnoticed ways don quijote emerges as a work that charts and reflects upon the historical transition from feudalism to the modern times of a moneyed commercial society in part one of the novel this change is measured in a shift in the nature of erotic desire and we find don quijote torn between his love for dulcinea and his hopes to wed for wealth and social advancement in part two don quijote himself changes from anarchic madman to a gentler wiser hero a member of a middle class in the making throughout cervantes meditates on the literary form that he is

inventing as a response to modernity questioning the novel's relationship to other genres and the place of heroism and imagination within stories of everyday life a new and coherent guide through the maze-like structure of *Don Quixote* this book invites readers to appreciate the perennial modernity of Cervantes's masterpiece a novel that confronts times not so distant from our own

The Unworthy Scholar from Pingjiang 2019-08-27

shame varies as an individual experience and its manifestations across time and cultures groups establish identity and enforce social behaviors through shame and shaming while attempts at shaming often provoke a social or political backlash yet historians often neglect shame's power to complicate individual, international, cultural, and political relationships Peter N. Stearns draws on his long career as a historian of emotions to provide the foundational text on shame's history and how this history contributes to contemporary issues around the emotion summarizing current research Stearns unpacks the major debates that surround this complex emotion he also surveys the changing role of shame in the United States from the nineteenth century to today including shame's revival as a force in the 1960s and its place in today's social media looking ahead Stearns maps the abundant opportunities for future historical research and historically informed interdisciplinary scholarship written for interested readers and scholars alike *Shame* combines significant new research with a wider synthesis

Cervantes's Novel of Modern Times 2018-06-05

a masterful blend of graphic reporting illuminating interviews and insightful analysis *Ghosts of Afghanistan* is the first account of Afghanistan's turbulent recent history by an independent eyewitness Jonathan Steele an award-winning journalist and commentator has covered the country since his first visit there as a reporter in 1981 he tracked the Soviet occupation and the communist regime of Najibullah which held the Western-backed resistance at bay for three years after the Soviets left he covered the arrival of the Taliban to power in Kabul in 1996 and their retreat from Kandahar under the weight of U.S. bombing in 2001 most recently Steele has reported from the epicenter of the Taliban resurgence in Helmand *Ghosts of Afghanistan* turns a spotlight on the numerous myths about Afghanistan that have bedeviled foreign policy

makers and driven them to repeat earlier mistakes steele has conducted numerous interviews with ordinary afghans two of the country s communist presidents senior soviet occupation officials as well as taliban leaders western diplomats nato advisers and united nations negotiators comparing the challenges facing the obama administration as it seeks to find an exit strategy with those the kremlin faced in the 1980s steele cautions that military victory will elude the west just as it eluded the kremlin showing how and why soviet efforts to negotiate an end to the war came to nothing he explains how negotiations today could put a stop to the tragedies of civil war and foreign intervention that have afflicted afghanistan for three decades

The New World 1857

a comprehensive account of the influence of occult beliefs and doctrines on intellectual and cultural life in twentieth century russia

Shame 2017-09-11

this ebook has been formatted to the highest digital standards and adjusted for readability on all devices even a slight acquaintance with european history reveals the existence of a number of curious and apparently unreasonable beliefs prevalent throughout a period extending from early medieval to comparatively recent times there is the belief in witchcraft for instance from the canons of synods in the early middle ages down to the pitiless executions during the witchcraft delusion there is abundant evidence of its prominence it played its part not only in humble life but in court intrigues and in the accusations brought at state trials

Treasure Mountain Home 1993-12

for eighteen years while serving as a teacher in various church auxiliaries and acting as a stake mission president w cleon skousen assembled many of the prophecies pertaining to modern times which appear in the bible the book of mormon the doctrine and covenants the pearl of great price and the authoritative writings of church leaders by arranging these prophecies with footnotes according to the period or the subject matter to which they refer this book greatly clarifies what the prophets have said about the latter days the final days before the second coming and the commencement of the millennium

Justice and Compassion in Biblical Law 2009-12-14

for about one hundred years pan africanism as a social cultural economic political and philosophical idea thrived towards the tail end of the twentieth century however it waned but in more recent times there has been noticeable resurgence and as we approach the second decade of the twenty first century there are indications of significant transformations vis à vis the role and place of pan africanism and pan africanists consequently this book offers a new further and better understanding of pan africanism not just from the traditional african and african american points of view but also from a global perspective it does so by offering an analysis of its early years in terms of the personalities ideas and conferences that shaped it it also examines many of the factors that brought about its decline and its eventual rebirth contributing to this seminal work are scholars of different but complementary styles and intellect who deviate from the more traditional or obvious approaches for instance one of the chapters explores pan africanism from the geographic perspective while another examines the role and place of women in the pan african movement there are also voices that advance the conversation from the regional and continental viewpoint hence chapters that investigate the status of pan africanism in latin america in the caribbean and islam and pan africanism in the modern world ethnonationalism and xenophobia are also part of the treatise because increasingly these injurious phenomena are reemerging in africa s landscape and consciousness in an increasingly interdependent and interrelated world this book also suggests that pan africanism will undergo a metamorphosis problems and challenges will be seen and tackled from the globalization and global common perspective pan africanism in modern times goes beyond the historicity of pan africanism and examines the challenges concerns and constraints it faces and also examines it from an inclusive perspective to have a broader understanding of this phenomenon and its future trajectory

Ghosts of Afghanistan 2011-10-01

the only book on bob dylan to have been welcomed and very positively reviewed by bob dylan via his personal attorney mr jeff rosen a definitive journey into the mind memory and music of the world s longest serving living recording artist a must read for all real dylan fans bob dylan

The Life of Christ: Seed time. The first conflicts. The crisis, chapters 1-2 1894

orwell was wrong sports are not war without the shooting nor are they war by other means to be sure sports have generated animosity throughout human history but they also require rules to which the participants agree to abide before the contest among other things those rules are supposed to limit violence even death more than anything else sports have been a significant part of a historical civilizing process they are the opposite of war as the historical profession has taken its cultural turn over the last few decades scholars have turned their attention to subject once seen as marginal as researchers have come to understand the centrality of the human body in human history they have come to study this most corporeal of human activities taking early cues from physical educators and kinesiologists historians have been exploring sports in all their forms in order to help us answer the most fundamental questions to which scholars have devoted their lives we have now seen a veritable explosion excellent work on this subject just as sports have assumed an even greater share of a globalizing world s cultural political and economic space practiced by millions and watched by billions sports provide an enormous share of content on the internet this volume combines the efforts of sports historians with

essays by historians whose careers have been devoted to more traditional topics we want to show how sports have evolved from ancient societies to the world we inhabit today our goal is to introduce those from outside this sub field to this burgeoning body of scholarship at the same time we hope here to show those who may want to study sport with rigor and nuance how to embark on a rewarding journey and tackle profound matters that have affected and will affect all of humankind
