**Nicholas of Myra** 2012-12-12 in late 3rd century asia minor young nicholas begins his journey to adulthood on a series of adventures shaping his destiny as the future and legendary saint nicholas of myra long before he was called santa claus and sinterklaas before he became known as the wonderworker and gift giver even before he was admired as a bishop and saint he was himself a young boy that lived on the shore of the mediterranean sea far away from the cold and snow and that is where the story of nicholas begins the adventures of young nicholas sets the stage for an endearing portrait of a selfless and far from ordinary boy who would become a legendary man as a young lad in late 3rd century asia minor nicholas lives a simple life with his parents in the seaport city of patara there guided by the faith his parents instilled in him he would search for his future purpose in the adventures of young nicholas part 1 nicholas is not yet ready to let go of childhood and focus on the future he begins a friendship with theophanes a boy who recently moved with his parents to patara through a dangerous ordeal during an innocent game of hide and seek nicholas and theophanes would become best friends a friendship that would endure many more adventures and one that was destined to become in many ways eternal

**The Book of Keax** 2012-04-27 the purpose of this book is to give a brief synopsis of the events in my life until my ultimate encounter with god which can t really be considered a life at all due to the fact that i was actually dead until that point i really don t know how effective this book will be in helping you to draw closer to god but my prayer is that you will at least be able to grasp god s mercy love and forgiveness by viewing how he has demonstrated these qualities in my behalf while you re at it i would recommend you read the books of my other homies matthew mark luke and john because they are on another level and my book is in no way comparable to theirs the book of keax is not meant to be an inspired work of literature but only my testimony of the facts that eventually led to my salvation i must warn you though my book contains some language and content that may not be appropriate for children or even adults for that matter therefore reader discretion is advised with that being said i hope you enjoy this story and may it captivate your attention enough so that you read it to the end because it will all be meaningless without reading the final chapter most of the things in the book are pretty embarrassing but like the apostle paul said jesus said to me my grace is sufficient for you for my power is made perfect in weakness therefore we should boast all the more gladly about our weaknesses so that christ s power may rest on us that is why for christ s sake i delight in weaknesses in insults in hardships in persecutions in difficulties for when i am weak then i am strong 2 corinthians 12 9 10
