developing countries in the east asia pacific region will see stable economic growth this year bolstered by a recovery in high income economies and the market s modest response so far to the federal reserve s tapering of its quantitative easing according to the east asia pacific economic update developing east asia will grow by 7 1 percent this year largely unchanged from 2013 the report says as a result east asia remains the fastest growing region in the world despite a slowdown from the average growth rate of 8 0 percent from 2009 to 2013 in china growth will ease slightly to 7 6 percent this year from 7 7 percent in 2013 excluding china the developing countries in the region will grow by 5 0 percent slightly down from 5 2 percent last year

East Asia and Pacific Economic Update April 2014 2014-05-13

why has identity become so central to judging art today why are some groups reluctant to defend free speech within culture has state support made artists poorer not richer how does the movement for social justice influence cultural production why is post modernism dominant in the art world why are consumers of comic books so bitterly divided in culture war art identity politics and cultural entryism alexander adams examines a series of pressing issues in today s culture censorship islamism feminism identity politics historical reparations and public arts policy through a series of linked essays culture war exposes connections between seemingly unrelated events and trends in high and popular cultures from fine art to superhero comics from political cartoons to museum policy certain persistent ideas underpin the most contentious issues today adams draws on

history philosophy politics and cultural criticism to explain the reasoning of creators consumers and critics and to expose some uncomfortable truths

Culture War 2019-03-06

the effectiveness of sanctions cannot purely be measured by the way they change the behaviour of their intended target the degree to which sanctions constrain a rogue state s behaviour and the signals they send to future targets should also be prime considerations in this thought provoking book francesco giumelli measures the true effectiveness of eu sanctions against a range of states including belarus zimbabwe moldova uzbekistan the usa and china he demonstrates that focussing purely on behavioural change is limiting especially when considering the actions and motivations of an international organisation and develops a process to evaluate the direct and indirect impact of eu sanctions giumelli demonstrates the many different ways sanctions have been used by the eu to produce positive direct and indirect results and provides a multi level framework to assess the success of sanctions in the future

whether there is a public health need for the containment and response to swine flu or an individual need to access health care across the border for a hip operation to alleviate pain the eu has an increasingly powerful role in the field of human health health law and policy is deeply tied into fundamental rights bioethics and values with important implications for individuals however it is also an expansive area of economic regulation of social and state arrangements the growing role of the eu in human health law and policy is contested particularly as it has implications for the fundamental rights and values that are enshrined in national health law and policy this book outlines through case studies how the expansion of eu power is taking place through law and policy in both public health and health care how is law and policy in the field of human health adopted who are the institutional actors involved and what is the impact of these developments for fundamental rights

The Success of Sanctions 2016-03-03

pulp and paper industry microbiological issues in papermaking features in depth and thorough coverage of microbiological issues in papermaking and their consequences and the current state of the different alternatives for prevention treatment and control of biofilm slime considering the

impact of the actual technological changes in papermaking on the control programmes the microbial issues in paper mill systems chemistry of deposits on paper machines the strategies for deposit control and methods used for the analysis of biofouling are all dealt in this book along with various growth prevention methods the traditional use of biocides is discussed taken into account the new environmental regulations regarding their use finally discusses the trends regarding the future of the microbiological control in papermaking systems in depth coverage of microbiological issues in papermaking and their consequences discusses eco efficient processes green processes for biofilm slime control offers a thorough review of the current literature with links to the primary literature comprehensive indexing author is an authority in the pulp and paper industry

EU Health Law & Policy 2019-01-24

this handbook covers all major aspects of eu cohesion policy one of the most significant areas of intervention of the european union over five parts it discusses this policy s history and governing principles the theoretical approaches from which it can be assessed the inter institutional and multi level dynamics that it tends to elicit its practical implementation and impact on eu member states its interactions with other eu policies and strategies and the cognitive maps and narratives with which it can be associated an absolute must for all students of the eu

Pulp and Paper Industry 2015-04-09

the african continent is currently in the midst of simultaneously unfolding and highly significant demographic economic technological environmental urban and socio political transitions africa s economic performance is promising with booming cities supporting growing middle classes and creating sizable consumer markets despite significant overall growth the continent continues to suffer under very rapid urban growth accompanied by massive urban poverty and many other social problems these seem to indicate that the development trajectories followed by african nations since post independence may not be able to deliver on the aspirations of broad based human development and prosperity for all this report therefore argues for a bold re imagining of prevailing models in order to steer the ongoing transitions towards greater sustainability based on a thorough review of all available options that is especially the case since the already daunting urban challenges in africa are now being exacerbated by the new vulnerabilities and threats associated with climate and environmental change

Handbook on Cohesion Policy in the EU *2016-08-26*

this volume book brings together nine background papers prepared for an evaluation by the imf independent evaluation office of the imf and the crises in greece ireland and portugal it presents an authoritative work on the evolving relationship between the imf and the euro area a common currency area founded in 1999 consisting of advanced highly integrated economies in europe the euro area or any common currency area for that matter has posed challenges to the imf s operational activities as its articles of agreement contain no provision for joint membership the challenges became intense when a series of crises erupted in greece ireland and portugal from 2009 to 2011 and the fund was called upon to help intervene by offering its financing and crisis management expertise the imf found itself in uncharted territory where there was no precedent or established procedure the chapters many of which are prepared by prominent academics and former senior imf officials who are thoroughly familiar with internal procedures discuss various aspects of the imf s engagement with the euro area including precrisis surveillance how key decisions were made how the imf collaborated with european institutions and how it designed and implemented its lending programs with the three crisis countries the book gives prominence to governance related issues given the large voting share of more than 20 percent within the imf of euro area members and the subsequent public perception that the imf treated the euro area more favorably than it does developing and emerging market members the approaches are both cross cutting and country based some chapters deal with issues related to the euro area as a whole while others focus on how the fund engaged with individual euro area countries the book contains a statement on the ieo evaluation by the imf managing director and a summing up of the executive board discussion held in july 2016

The State of African Cities, 2014 *2015-09-10*
