The Conservative Investor's Guide to Trading Options 1998-11-30 optionsscheine haben vielfach den Ruf einer riskanten Anlageform was viele Investoren nicht wahrhaben wollen ist daß der Optionshandel auch Teil einer sehr konservativen Anlagestrategie sein kann der Autor zeigt hier wie man Optionen strategisch zur Senkung des Risikos einsetzen kann ein neuer Standpunkt dargestellt in klaren präzisen Worten 12 98

The Making of the Conservative Party's Immigration Policy 2019-05-31 this book explains the development of the conservative party's immigration policy during the seven decades since 1945 up to today by bringing together existing theories from the fields of political science and migration studies this book offers a new model of party policy making which could be modified and tested in other contexts grounded in rigorous scholarship but of interest to general readers as well as specialists and students this book provides a thoughtful and engaging account of the making of modern Britain the book draws on 30 interviews with figures who were at the heart of policy making from Kenneth Clarke and Douglas Hurd to Damian Green and Gavin Barwell to reveal that the national mood often has more impact on policy making than the empirics of the situation this book will be of key interest to scholars students and readers interested in British politics immigration and migration studies conservative party politics and more broadly public policy political parties and European and comparative politics

Gabriel García Moreno and Conservative State Formation in the Andes 2009-09-15 this book explores the life and times of Ecuador's most controversial politician within the broader context of the new political history addressing five major themes of nineteenth century Latin American history the creation of political networks the divisiveness of regionalism the bitterness of the liberal conservative ideological divide the complicating problem of caudillismo and the quest for progress and modernization two myths traditionally associated with García Moreno's rule are debunked the first is that he created a theocracy in Ecuador instead the book argues that he negotiated a concordat with the papacy giving the national government control over the church's secular responsibilities and subordinated the clergy many of whom were highly critical of García Moreno to the conservative state a second frequently repeated generalization is that he created a conservative dictatorship out of touch with the liberal age in which he lived instead the book argues that moderates held sway during the first nine years of García Moreno's period of influence and only during his final term did he achieve the type of conservative state he thought necessary to advance his progressive nation building agenda in sum this book enriches our understanding of many of the notions of state formation by suggesting that conservatives like García Moreno envisioned a program of material progress and promoting national unity under a very different formula from that of nineteenth century liberals

The British Conservative Party 2024-02-20 citizenship has been an ill explored subject within conservative party studies when this subject has been analysed it is usually made by scholars of citizenship more concerned with general overviews than understanding specific conservative approaches to the concept this book intends to fill this gap through a rigorous analysis of sources the author explores how the conservative party contested the welfare model of citizenship and sought to recreate a new relationship between the individual the state and civil society starting from Thatcher's idea of active citizenship and going through the analysis of John Major's Citizen's Charter and David Cameron's Big Society Project the book sheds new light on how these developments responded to long term problems while dialoguing with specific circumstances and the different conservative leaders ideas from an ideological perspective the author analyses how these leaders echoed and re signified more traditional political ideas and ideologies while negotiating with and borrowing new flourishing concepts during those years far from being a unidimensional citizenship concept in reinterpreting old ideas and utilizing new ones these conservatives elaborated a complex and many times contradictory citizenship model that tried to address both long lasting and more timely issues that overlapped in British society

The Truth about Conservative Christians 2008-09-15 ever since the reelection of President Bush conservative Christians have been stereotyped in the popular media Bible thumping militants and anti intellectual zealots determined to impose their convictions on such matters as evolution school prayer

pornography abortion and homosexuality on the rest of us but conservative christians are not as fanatical or intractable as many people think nor are they necessarily the monolithic voting block or political base that kept bush in power andrew m greeley and michael hout s eye opening book expertly conveys the complexity variety and sensibilities of conservative christians dispelling the myths that have long shrouded them in prejudice and political bias for starters greeley and hout reveal that class and income have trumped moral issues for these americans more often than we realize a dramatic majority of working class and lower class conservative christians backed liberals such as jimmy carter and bill clinton during their runs for president and when it comes to abortion most conservative christians are not consistently pro life in the absolute fashion usually assumed they are still more likely to oppose the practice than other americans but 86 percent of them are willing to tolerate it to protect the health of the mother or when the woman has been raped and 22 percent of them are even pro choice what do conservative christians really think about evolution homosexuality or even the meaning of the word of god answering these questions and more the truth about conservative christians will interest and surprise a broad range of readers especially in this heated election year

The Conservative Turn 2009-03-31 kimmage focuses on the relationship between lionel trilling and whittaker chambers to explore the birth of neoconservatism

Margaret Thatcher, the Conservative Party and the Northern Ireland Conflict, 1975-1990

2021-01-14 the first woman elected to lead a major western power and the longest serving british prime minister for 150 years margaret thatcher is arguably one the most dominant and divisive forces in 20th century british politics yet there has been no overarching exploration of the development of thatcher s views towards northern ireland from her appointment as conservative party leader in 1975 until her forced retirement in 1990 in this original and much needed study stephen kelly rectifies this from thatcher s no surrender attitude to the republican hunger strikes to her nurturing role in the early stages of the northern ireland peace process kelly traces the evolutionary and sometimes contradictory nature of thatcher s approach to northern ireland in doing so this book reflects afresh on the political relationship between britain and ireland in the late 20th century an engaging and nuanced analysis of previously neglected archival and reported sources margaret thatcher the conservative party and the northern ireland conflict 1975 1990 is a vital resource for those interested in thatcherism anglo irish relations and 20th century british political history more broadly

The Conservative Governments and Social Policy 2024-01-09 focusing on the policy approaches of conservative governments since 2015 this book examines key social policy areas including education health housing employment children and young people and more respected social policy researchers explore the degree to which the positions and policies of recent conservative governments have differed from the previous coalition government 2010 15 they consider the extent to which austerity has continued and the influence of other policy emphases such as a levelling up agenda reflecting on the rapid changes of prime minister they compare the themes of the cameron may johnson truss and sunak administrations critically examine the impacts of the external shocks of brexit and covid 19 and the changing patterns of public expenditure

Sex, Gender and the Conservative Party 2011-11-15 as leader of the conservative party david cameron inherited a multi faceted gender problem only 17 women mps an unhappy women s organization electorally uncompetitive policies for women and a party which was seemingly unattractive to women voters this book is an account of the feminization of the party since 2005

The Conservative Party and European Integration Since 1945 2006-12-05 this volume provides an up to date and comprehensive introduction to british policy in europe by exploring the schisms within the party over europe through primary source based history and theoretical discourses of political science n j crowson gives the reader the best sense of understanding of how and why the conservative party s policy attitudes to european integration have evolved the conservative party and european integration since 1945 adopts a thematic line based around two chronological periods 1945 75 and 1975 2006 and uses

different methodological approaches it explores the shifting stances amongst conservatives within an economic political and international context as the party adjusted to the decline of Britain's world role and the loss of empire Crowson analyzes Britain's role and relationship with Europe together with the study of the Conservative Party and deals with economic commercial and monetary issues successfully bridging a serious gap in any discussion of the UK's relations with the European Union and appreciation of the political world in which Conservative European policy has been framed and pursued since 1945 this book is recommended for background reading in undergraduate courses in British politics and European history

Concise Conservative Dentistry and Endodontics- E Book 2019-06-14 concise conservative dentistry and endodontics is a comprehensive book covering the entire syllabus prescribed by Dental Council of India DCI it is written in easy to understand format which is enriched with numerous line diagrams tables and highlighted text for conservative dentistry and endodontics contains 49 chapters under 2 sections covering basic topics specialized materials and techniques used in conservative dentistry and endodontics includes latest topics like minimal interventional dentistry and evidence based dentistry in each chapter certain text is highlighted in boxes for better understanding contains high quality illustrations tables line diagrams and flowcharts for self assessment question bank is provided in the end to prepare students for various examinations

A Compassionate Conservative 2003 in this the first full length scholarly examination of Martin's career readers will encounter a devoted public servant who often modified his party's extreme stances on domestic matters during the Great Depression and on foreign policy issues leading up to World War II this political biography effectively illustrates that bipartisanship does not mean abandonment of principles that kindness integrity and gentility are compatible with effective leadership and that close friendships with members of the opposing party can contribute to a more effective Congress

Conservative Innovators 2019-04-15 as American politics has become increasingly polarized gridlock at the federal level has led to a greater reliance on state governments to get things done but this arrangement depends a great deal on state cooperation and not all state officials have chosen to cooperate some have opted for conflict with the federal government conservative innovators traces the activity of far right conservatives in Kansas who have in the past decade used the powers of state level offices to fight federal regulation on a range of topics from gun control to voting processes to Medicaid telling their story Ben Merriman then expands the scope of the book to look at the tactics used by conservative state governments across the country to resist federal regulations including coordinated lawsuits by state attorneys general refusals to accept federal funds and spending mandates and the creation of programs designed to restrict voting rights through this combination of state initiated lawsuits and new administrative practices these state officials weakened or halted major parts of the Obama administration's healthcare environmental protection and immigration agendas and eroded federal voting rights protections conservative innovators argues that American federalism is entering a new conflict ridden era that will make state governments more important in American life than they have been at any time in the past century

Conservative Gynecology and Electro-therapeutics 1898 conservative intellectuals and Richard Nixon explores the relationship between postwar conservatives and the president from 1968 to 1974 seemingly casting those years out of their history conservatives have never fully explored how Richard Nixon affected their movement they fail to realize the extent his presidency helped refocus their fight against liberalism and communism Mergel uses the Nixon years as a window into the right's effort to turn ideology into successful politics it combines an assessment of Nixon's presidency through the eyes of conservative intellectuals with an attempt to understand what the right gained from its experience with Nixon

Conservative Intellectuals and Richard Nixon 2010-01-04 this work examines the attitudes of the Conservative Party towards Jews in Britain Palestine and elsewhere from 1900 1948 it aims to show how

the conservative party in the first half of the 20th century regarded both itself and british society on the one hand and britain s role on the other

Preclinical Manual of Conservative Dentistry 2014-02-04 this book seeks to break new ground by providing an original framework within which to understand conservative politics and to compare what has always been thought to be opposite ideal types a british conservatism characterized by traditionalism and an american conservatism defined by its optimistic individualism

Conservative Party Attitudes to Jews 1900-1950 1992 the book tells the untold story of the conservative party s involvement in terms of stance and policy in the destruction of selective state education from 1945 up to the present day close consideration is paid to their attitudes and prejudices towards education both in power and in opposition legh examines the party s responses to the pressure for comprehensive schooling and egalitarianism from the labour party and the british left in doing so legh defies current historiography to demonstrate that the party were not passive actors in the advancement of comprehensive schooling the lively narrative is moved along by the author s critical examination of the education ministers throughout this period florence horsbrugh and david eccles serving under churchill and eden and also quintin hogg and geoffrey lloyd under macmillan as well as edward boyle and margaret thatcher under edward heath legh s detailed research utilises a range of government documents personal papers parliamentary debates and newspapers to provide this crucial re assessment of the conservative party and selective education and in doing so questions over simplistic generalisations about wholesale support for selective education policy it reveals instead questioning compromises and disagreements within the party and its political and ideological allies the result is a stimulating revival of existing scholarship which will be of interest to scholars of british education and politics

The Conservative Political Tradition in Britain and the United States 2023-01-26 this book covers the field of and points to the intersections between politics art and philosophy its hero the late sir roger scruton had a longstanding interest in all fields acquiring professional knowledge in both the practice and theory of politics art and philosophy the claim of the book is therefore that contrary to a superficial prejudice it is possible to address the philosophical issues of art and politics in the same oeuvre as the example of this cambridge educated analytical philosopher proves accordingly the book has a bold thesis on the general theoretical level mapping the connections between politics art and philosophy however it also has a pioneering commitment on the level of the particular offering the first full length study into the philosophical legacy of roger scruton probably the most important british conservative philosopher of the late 20th and the first decades of the 21st century it also allows reader to look into the philosopher s fascination with central european art and culture finally it also provides a daring analysis of the late scruton s metaphysical inspirations connecting the arts and especially music with religion and the bonds of love

The Conservative Party and the Destruction of Selective Education in Post-War Britain 2022-12-12 during the forty years of division the protestant and catholic churches in germany were the only organizations to retain strong ties and organizational structures they embodied continuity in a country marked by discontinuity as such the churches were both expected to undergo smooth and rapid institutional consolidation and undertake an active role in the public realm of the new eastern german states in the 1990s yet critical voices were heard over the west german system of church state relations and the public role it confers on religious organizations and critics often expressed the idea that despite all their difficulties something precious was lost in the collapse of the german democratic republic against this backdrop the author delineates the conflicting conceptions of the protestant and catholic churches public role and pays special attention to the east german model or what is generally termed the positive experiences of the gdr and the wende

Art and Politics in Roger Scruton's Conservative Philosophy 2004 no one has explained and defined conservative ideas better than the great communicator ronald reagan using quotes from his speeches

and addresses the original reagan conservative brings to life ronald reagan s views of the uniqueness of america and the conservative ideas of freedom limited government economic liberty low taxes a strong defense and the traditional american values that have made this country great these ideas renewed and invigorated an america shaken by the turmoil of the 1960 s and 1970 s these are the ideas that can guide america to success and prosperity today ronald reagan had the courage to lead our country based on a conservative vision of america who among us has the courage to take up these ideas and lead today **"Conservative Revolutionaries"** 2008-10-10 conservative criminology serves as an important counterpoint to virtually every other academic text on crime hundreds of books have been written about crime and criminal justice policy from a variety of perspectives including marxist liberal progressive feminist radical and post modernist to date however no book has been written outlining a conservative perspective on crime and criminal justice policy not a polemic against liberalism conservative criminology nonetheless focuses on how liberal ideology affects the study of crime and criminals and the policies that criminologists advocate wright and delisi both senior scholars give a voice to a major political philosophy a philosophy often demonized by academics and to conservatives in the academic world in the end conservative criminology calls for an investment in intellectual diversity a respect for varying political philosophies and a renewed commitment to honesty in scholarship the authors encourage debate in the profession about the proper role of ideology in the academy and in public policies on crime and justice conservative criminology is for the criminal justice professional and student it serves as a stimulating supplement to courses in criminology and criminal justice as well as a primary text for special issues or capstone courses this book supports the reader in recognizing ideological biases whatever they might be and in considering their own convictions

The Original Reagan Conservative 2015-11-06 since the 1960s the class action lawsuit has been a powerful tool for holding businesses accountable yet years of attacks by corporate america and unfavorable rulings by the supreme court have left its future uncertain in this book brian t fitzpatrick makes the case for the importance of class action litigation from a surprising political perspective an unabashedly conservative point of view conservatives have opposed class actions in recent years but fitzpatrick argues that they should see such litigation not as a danger to the economy but as a form of private enforcement of the law he starts from the premise that all of us conservatives and libertarians included believe that markets need at least some rules to thrive from laws that enforce contracts to laws that prevent companies from committing fraud he also reminds us that conservatives consider the private sector to be superior to the government in most areas and the relatively little discussed intersection of those two beliefs is where the benefits of class action lawsuits become clear when corporations commit misdeeds class action lawsuits enlist the private sector to intervene resulting in a smaller role for the government lower taxes and ultimately more effective solutions offering a novel argument that will surprise partisans on all sides the conservative case for class actions is sure to breathe new life into this long running debate

Conservative Criminology 2022-02-19 in the 1950s milwaukee s strong union movement and socialist mayor seemed to embody a dominant liberal consensus that sought to continue and expand the new deal tula connell explores how business interests and political conservatives arose to undo that consensus and how the resulting clash both shaped a city and helped redefine postwar american politics connell focuses on frank zeidler the city s socialist mayor zeidler s broad concept of the public interest at times defied even liberal expectations at the same time a resurgence of conservatism with roots presaging twentieth century politics challenged his initiatives in public housing integration and other areas as connell shows conservatives created an anti progressive game plan that included a well funded media and pr push an anti union assault essential to the larger project of delegitimizing any government action opposition to civil rights and support from a suburban silent majority in the end the campaign undermined notions of the common good essential to the new deal order it also sowed the seeds for grassroots conservatism s more extreme and far reaching future success

The Conservative Case for Class Actions 2016-03-15 providing an expansive view of the making and meaning of african american conservatism this volume examines the phenomenon in four spheres the political realm the academic world the black church and grass roots activism movements in his analysis of their activities in these realms louis prisock examines the challenges african american conservatives face as they operate within the context of largely white conservatism at the same time that african american conservatives challenge the white conservative movement s principle of color blindness they are accused of being racial mascots or tokens from those outside of it prisock unwinds the intricacies of black conservatives relationships to both the wider conservative movement and the everyday life experiences of black americans showing that they are as vulnerable to the inescapability of race as any other individual in a racialized america

Conservative Counterrevolution 2018-05-23 interweaving political intellectual cultural and diplomatic histories tsui demonstrates how the guomindang s national revolution turned conservative after the 1927 anti communist coup and contributed to the ascendancy of the global radical right this revisionist reading of nationalist china will appeal to a wide range of students and scholars

African Americans in Conservative Movements 2018-04-19 this longman companion provides a wide ranging compendium of essential facts and figures on the conservative party from its origins in the 1830s to the dawn of the 21st century central to the book are the detailed chronologies on the conservative party s years in government and opposition in addition it contains fascinating information on the party s relationships with women ethnic minorities the trade unions europe ireland ideology social reform and empire

China's Conservative Revolution 2016-09-17 this book explores the politics of conservative christian churches and social movements in russia and the united states focusing on their similar concerns but very different modes of political engagement whilst secularisation continues to chip away at religious adherence and practice in europe religion is often quite rightly seen as an influential force in the politics of the united states and more questionably as a significant influence in contemporary russia this book looks at the broad social movement making up the us christian right and the profoundly hierarchical leadership of the russian orthodox church as socially conservative actors and some of the ways they have engaged in contemporary politics both are seeking to halt the perceived drift towards a more secular political order both face significant challenges in handling the consequences of secularism pluralism and liberal individualism and both believe that their nations can only be great if they remain true to their religious heritage in exploring their experience the book focuses on shared and different elements in their diagnosis of what is wrong with their societies and how this affects their policy intervention over issues such as religious and ethnic belonging sexual orientation and education drawing on political sociological and religious studies this work will be a useful reference for students and scholars of religion and politics russian politics and american politics

The Longman Companion to the Conservative Party 1980-02-07 embracing some of germany s best known writers academics journalists and philosophers the conservative revolution in the weimar republic was the intellectual vanguard of the right by approaching the conservative revolution as an intellectual movement this study sheds new light on the evolution of its ideas on the meaning of the first world war its appropriation of the work of friedrich nietzsche its enthusiasm for political activism and a strong leader and its ambiguous relationship with national socialism

Conservative Politics in Western Europe 2014-09-19 boston congregationalist ministers charles chauncy 1705 1787 and jonathan mayhew 1720 1766 were significant political as well as religious leaders in colonial and revolutionary new england scholars have often stressed their influence on major shifts in new england theology and have also portrayed mayhew as an influential preacher whose works helped shape american revolutionary ideology and chauncy as an active leader of the patriot cause through a deeply contextualised re examination of the two ministers as men of their times oakes offers a fresh comparative interpretation of how their religious and political views changed and interacted over

decades the result is a thoroughly revised reading of chauncy s and mayhew s most innovative ideas conservative revolutionaries unearths strongly traditionalist elements in their belief systems focussing on their shared commitment to a dissenting worldview based on the ideals of their protestant new england and british heritage oakes concludes with a provocative exploration of how their shifting theological and political positions may have helped redefine prevailing notions of human identity capability and destiny

Conservative Christian Politics in Russia and the United States 1996-03-25 this edition of the conservative regime is augmented by a new preface from cooper

The Conservative Revolution in the Weimar Republic 2018-01-01 the european court of human rights has long held unparalleled sway over questions of human rights violations across continental europe britain and beyond both its supporters and detractors accept the common view that the european human rights system was originally devised as a means of containing communism and fascism after world war ii in the conservative human rights revolution marco duranti radically reinterprets the origins of the european convention on human rights echr arguing that conservatives conceived of the treaty not only as a cold war measure but also as a vehicle for pursuing a controversial domestic political agenda on either side of the channel just as the supreme court of the united states had sought to overturn franklin roosevelt s new deal a european court of human rights was meant to constrain the ability of democratically elected governments to implement left wing policies that british and french conservatives believed violated their basic liberties conservative human rights rhetoric duranti argues evoked a romantic christian vision of europe rather than follow the model of the universal declaration of human rights conservatives such as winston churchill grounded their appeals for new human rights safeguards in the values of a bygone european civilization all told these efforts served as a basis for reconciliation between germans and the west the exclusion of communists from the european project and the denial of equal protection to colonized peoples illuminating the history of internationalism and international law and elucidating churchill s europeanism and critical contribution to the genesis of the echr this book revisits the ethical foundations of european integration across the first half of the twentieth century and offers a new perspective on the crisis in which the european union finds itself today

Conservative Revolutionaries 1874 this is the first of a series of instructional course lectures icl books of the international society on scoliosis orthopaedic and rehabilitation treatment sosort in the contents of this book the reader can find the sosort statutes and become familiar with the aims of the creation of this society this will hopefully be the initiation of a series of books on conservative scoliosis treatment and a valuable library for sosort the philosophy of the commencement of such icl book series is the achievement of an ultimate aim the improvement of early detection and non operative treatment of the patient care pathway for scoliosis for this endeavor a number of eminent clinicians and scientists around the world who are devoted and high quality students of scoliosis are involved with and contributing to their fabulous work there is no doubt that this book is not able to cover every aspect of the issue however the future volumes of this series of books will continuously complete the latest relevant knowledge in this volume there are chapters reporting on various aspects of the current state of the following topics is aetiology recent trends on scoliosis research genetics prevention school screening various methods of physiotherapy various types of braces the inclusion criteria for conservative treatment together with the sosort guidelines for conservative treatment clinical evaluation and classification study of the surface after brace application and outcomes for each brace

Essays on conservative medicine and kindred topics 2005 arturo j cruz jr argues that political learning trust building and institutional innovation by political elites broke nicaragua s post colonial cycle of anarchy and petty despotism leaving in its place an increasingly inclusive oligarchic democracy that made possible state led economic development for the next thirty years subsequent economic development gave rise to new social groups and localist power centres that remained politically disparate and in turn forged an outsiders coalition to bring down the republic

The Conservative Regime 2016-12-20 using data collected from one of the most comprehensive

quantitative surveys of its type conservative party politicians at the turn of the 20th 21st centuries offers an authoritative insight into the behaviour background and attitudes of conservative politicians in england scotland and wales at all levels from local councillors to mps peers and meps
