School Library Journal 2001

do you remember your first book crush you know the first time a book completely captured your imagination transported you to a magical place or introduced you to a lifelong friend you will never forget in book crush popular librarian and reading enthusiast nancy pearl reminds us why we fell for reading in the first place how completely consuming and life changing a good book can be pearl offers more than 1 000 crush worthy books organized into over 100 recommended reading lists aimed at youngest middle grade and teen readers from picture books to chapter books ya fiction and nonfiction pearl has developed more smart and interesting thematic lists of books to enjoy parents teachers and librarians are often puzzled by the unending choices for reading material for young people it starts when the kids are toddler and doesn't end until high school graduation what's good what's not and what's going to hold their interest popular librarian nancy pearl points the way in book crush

The Read-Aloud Family 2018-03-27

william faulkner is phil stone's contribution to american literature once remarked a mutual confidant of the nobel laureate and the oxford

mississippi attorney despite his friendship with the writer for nearly fifty years stone is generally regarded as a minor figure in faulkner studies in her biography phil stone of oxford susan snell offers the first complete critical assessment of stone s role in the transformation of billy falkner a promising but directionless young man into william faulkner arguably the greatest american novelist of the twentieth century in the first decades of their friendship stone served faulkner in many ways as mentor muse patron editor agent and publicist later stone was among faulkner s first biographers and was a source of archival biographical and critical information for such faulkner scholars as james b meriwether and carvel collins ironically the most intriguing aspect of stone s relationship with faulkner has until now been the least studied stone was one of faulkner s principal character studies and from his life came the raw material out of which faulkner constructed a good part of his fictional yoknapatawpha county stone s ivy league education his friendships with gamblers and prostitutes his family s hunting excursions even his family s antebellum mansion only begin to suggest the borrowings from stone s life found in books ranging from the sound and the fury and go down moose to the snopes trilogy faulkner also appropriated stone s personality and profession to mirror and sometimes mask his own insecurities such characters as quentin compson darl bundren horace benbow and gavin stevens owe much to the author himself but also recall stone in often subtle ways the fraternal rivalries for their mother s love that consume darl bundren and quentin compson for example are based on stone s own unhappy family life bundren s and compson s mothers more closely resemble stone s mother than faulkner s in stone faulkner saw the old south confronting its twentieth century crucibles the teeming rapacious white lower classes the great depression and the first stirrings of the civil rights and women s movements in the 1930s faulkner recurrently dealt with the region s decadence and the fall of old patriarchies like the compson and sartoris families during these years faulkner s fortunes rose steadily as stone s declined but it is stone s story not his own that he chose to tell snell says that in a sense faulkner usurped stone s place in the south s social order building his reputation and acquiring real estate as personal and financial failures nearly overwhelmed stone stone s transparent jealousy of faulkner personality flaws and mental instability in his final years have engendered skepticism about his claims concerning the years he had spent fooling with bill but to hastily relegate stone to the marginalia of yoknapatawpha county snell suggests is to leave untapped a rich source of information phil stone of oxford tells the tragic story of a talented complex man bred for power in the declining era of southern patriarchy yet compelled to pursue the muse vicariously
