Writing Children's Fiction 2013-08-22

2013-07-01 three time printz award honoree marcus sedgwick s she is not invisible is an intricate puzzle of a novel that sheds a light on the delicate ties that bind people to each other laureth peak s father has taught her to look for recurring events patterns and numbers a skill at which she s remarkably talented her secret she is blind but when her father goes missing laureth and her seven year old brother benjamin are thrust into a mystery that takes them to new york city where surviving will take all her skill at spotting the amazing shocking and sometimes dangerous connections in a world full of darkness this title has common core connections praise for she is not invisible laureth is sixteen smart self doubting and blind she is also desperate to find her missing famous author father readers will applaud laureth s believable evolution into a more confident and definitely more visible young woman the horn book this novel will have readers feeling a creepy sensation on the backs of their necks long after the last page school library journal sedgwick takes the somewhat shopworn theme of siblings on a parent hunt to a fascinating new level bulletin of the center for children s books in a race against time laurel and ben must investigate what happened to her father using the meager clues they have available recommend this book to mystery lovers and especially to those who enjoyed girl stolen voya a thriller that challenges readers understanding

of the universe it s no coincidence that sedgwick has crafted yet another gripping tale of wonder kirkus reviews starred review this fast paced thriller delivers a compelling mystery thought provoking questions about existence and brilliantly lifelike characters booklist starred review printz winner sedgwick midwinterblood again demonstrates his remarkable versatility trading the generations spanning horrors of his recent books for an equally tense contemporary story about coincidence obsession and the ways in which we see the world publishers weekly starred review what this book proves is that marcus is not only one of the greatest british ya writers but one of the most versatile too unlike anything he has written before and a book that will reach a whole new audience bloom s loved it phil earle author of heroic being billy and saving daisy marcus sedgwick doesn t speak down to his teen readers he tells it how it is without footnotes or gloss and it s up to the reader to decide how much they want to take from his books a rollicking good adventure no problem that s there and easily available just let your eyes slide across the bits in italics and jump to the next event it would be a shame to do that though because for those prepared to deal with it there s much much more in this book theories and philosophies and ideas which stretch the reader and give the adventure far greater depth and resonance the bookbag sedgwick s prose is as crisp and clear as always without losing a single fathom of emotional depth and laureth and benjamin will resonate soundly with anyone who has ever negotiated the ups and downs of sibling relationships rebecca davies the independent children s book blog marcus sedgwick has written a story which really makes you think he has referred to it as an iceberg and certainly the story can be read on two levels on the surface a simple story of a girl laureth accompanied by her young brother ben and his beloved soft toy stan determined to find their missing father in spite of laureth s personal circumstances making this no easy task and below the surface a much more complicated story concerning the nature of obsession and coincidence all of which leaves you pondering and re reading totally absorbing gill perry waterstones com novels by marcus sedgwick saint death a propulsive compelling and unsparing novel set in the grimly violent world of the human and drug trade on the us mexican border blood red snow white a gripping romantic adventure novel based on the true story of arthur ransome s experiences with love and betrayal in war torn russia the ghosts of heaven a printz honor book timeless beautiful and haunting spirals connect four episodes from prehistory through the far future she is not invisible when her father goes missing a blind girl talented in identifying patterns and her brother are thrust into a mystery midwinterblood a printz medal winner seven stories of passion and love separated by centuries but mysteriously intertwined white crow a scary thought provoking novel about secrets that are better left buried revolver a printz honor book a taut frontier survivor story set at the time of the alaska gold rush graphic novel by marcus sedgwick art by thomas taylor scarlett hart monster hunter a rip roaring romp full of hairy horrors villainous villains and introducing the world s toughest monster hunter scarlett hart
