1979

in the decade before the onset of the civil war groups of americans engaged in a series of longshot and illegal forays into mexico central america cuba and other countries in hopes of taking them over known as military filibusters the goal was to seize territory to create new independent fiefdoms which would ultimately be annexed by the still growing united states most failed miserably william walker was the outlier short slender and soft spoken with no military background he trained as a doctor before becoming a lawyer and then a newspaper editor walker was an unlikely leader of rough hewn men and adventurers but in 1856 he managed to install himself as president of nicaragua william walker s wars is a story of greedy dreams and ambitions the fate of nations and personal fortunes and the dark side of manifest destiny this little remembered story from us history is a cautionary tale of all who dream of empire
