ncert books are not only considered as best study materials for cbse board exams but also for some highly competitive exams such as neet jee main advance etc the series ncert solutions for class vi xii offers a complete package of the syllabus along with well explained chapters of every subject in a concise way here s reintroducing the freshly updated edition of the ncert exercises solutions series ncert solutions social science which has been consciously designed for class x students this book provides a complete solution to all the chapter exercises of the ncert book along with detailed explanations to grasp the concepts easily and enhance thinking and learning

abilities besides points for how to approach answers are also provided to cover all the loopholes which may lead to confusion this book features a comprehensive exercise solution book of ncert provides a complete solution to ncert social science detailed explanations to understand each concept easily points for how to approach answers table of content history india the contemporary world ii the rise of nationalism in europe nationalism in india the making of a global world the age of industrialisation print culture the modern world geography contemporary india ii resources and development forest and wildlife resources water resources agriculture minerals and energy resources manufacturing industries lifelines of national economy political science democratic politics ii power sharing federalism democracy diversity gender religion caste popular struggles movements political parties outcomes of democracy challenges to democracy economics understanding economic development development sectors of the indian economy money and credit globalisation the indian economy consumer rights

NCERT Solutions - Social Science for Class 9th

ncert has developed exemplar problems in mathematics for class x with the objective to cover the fundamentals of all class x topics this special edition of educart mathematics ncert exemplar book for class x mathematics will act as the bible for students preparing for their dream careers it is

made my country's top cbse teachers in collaboration with educart experts after a year of rigorous research and development process this mathematics educart exemplar book is prepared by our country's top experts to give students a single reference book throughout the year to clear doubts
below are the key differentiations of this educart book
revised with 30% reduced syllabus
every single question of this educart ncert exemplar is solved keeping the basics in mind
strict ncert syllabus guidelines are followed when writing explanations
special attention is put to explanations of mcqs and vsa as 25% of paper comes from them
questions that have appeared in previous board examinations are identified so that students use that extra data to prioritize important questions
ncert recommended diksha 2.0 platform launched february 2020 questions important ones are solved at the end of each chapter
educart ncert exemplar mathematics also serves the purpose of revision in the last moments before board examinations especially as a major part of paper comes from this book statistically we sincerely hope that the contents of this book will prove immensely beneficial to all students
we wish you the best of luck
