compared to other latin based and indo european languages mandarin chinese is  
relatively easier to learn the primary reason for this is the simple mandarin grammar  
which has no set subject verb agreement the second reason is that mandarin words do  
not have various plural forms conjugations and tenses finally the mandarin  
numbering system is one of the simplest in the world and is possibly one of the  
reasons why the chinese are so good in handling numbers grab the easy study guide
