Condensed Matter Nuclear Science

2022-04-28

this book now in its second edition is the first and most exhaustive text covering the still growing popularity of cold case investigations which locate perpetrators and free the innocent the new edition adds approximately 80 pages of content including material on clandestine graves and investigating cold gang cases the book merges theory with practice through the use of case histories photographs illustrations and checklists that convey essential fundamental concepts while providing a strong practical basis for the investigative process

Very Cold People

2016-06-29

the aim of this book is to present review articles describing the latest theoretical and experimental developments in the field of cold atoms and molecules our hope is that this series will promote research by both highlighting recent breakthroughs and by outlining some of the most promising

crafts true stories about color narratives of dislocation and belonging that invite readers to question their own relationship to art included in this volume is a long sequential poem titled the seconds which murray composed across the second days of thirteen months the rhythms of this diary as poem seize the tensions of shifting times and locales capturing the essences of moments that are at once chosen and arbitrary codes toward an incidental city the sequence that closes the book is a confederacy of forty poems that delve into the concrete familiarities and mythologies of urban landscapes illuminating the ecstasies of city life

The Global Cold War

2015-12-06

john le carré and the cold war explores the historical contexts and political implications of le carré s major cold war novels the first in depth study of le carré this century this book analyses his work in light of key topics in 20th century history including containment of communism decolonization the berlin wall the cuban missile crisis the cambridge spy ring the vietnam war the 70s oil crisis and thatcherism examining the spy who came in from the cold 1963 tinker tailor soldier spy 1974 smiley s people 1979 and other novels this book offers an illuminating picture of cold war britain while situating le carré s work alongside that of george orwell graham greene and ian fleming providing a valuable contribution to contemporary understandings of both british spy fiction and post war fiction toby manning challenges the critical consensus to reveal a considerably less radical writer than is conventionally presented

one of the new york times book review s 100 notable books of 2014 ullmann s characters are complex and paradoxical neither fully guilty nor fully innocent siri brodal a chef and restaurant owner is married to jon dreyer a famous novelist plagued by writer s block siri and jon have two daughters and together they spend their summers on the coast of norway in a mansion belonging to jenny brodal siri s stylish and unforgiving mother siri and jon s marriage is loving but difficult and troubled by painful secrets they have a strained relationship with their elder daughter alma who struggles to find her place in the family constellation when milla is hired as a nanny to allow siri to work her long hours at the restaurant and jon to supposedly meet the deadline on his book life in the idyllic summer community takes a dire turn one rainy july night milla disappears without a trace after her remains are discovered and a suspect is identified everyone who had any connection with her feels implicated in her tragedy and haunted by what they could have done to prevent it the cold song is a story about telling stories and about how life is continually invented and reinvented

Arts of a Cold Sun

1928

the end of the cold war should have been an occasion to reassess its origins history significance and consequences yet most commentators have restated positions already developed during the cold war they have taken the break up of the soviet union the shift toward capitalism and electoral politics in eastern europe and countries formerly in the ussr as evidence of a moral and political victory for the united states that needs no further elaboration this collection of essays offers a more complex and nuanced analysis of cold war history it challenges the prevailing perspective which editor allen

hunter terms vindicationism writing from different disciplinary and conceptual vantage points the contributors to the collection invite a rethinking of what the cold war was how fully it defined the decades after world war ii what forces sustained it and what forces led to its demise by exploring a wide range of central themes of the era rethinking the cold war widens the discussion of the cold war s place in post war history and intellectual life

Cold Storage and Ice Trades Review

2018-01-25

rethinking theory and history in the cold war focuses on what we mean by politics and international relations and how such assumptions have come to determine our understanding of the cold war using an historical materialist method the author criticizes conventional conceptions of international politics that tend to focus on the agency of and relations among states and offers an alternative historical sociology of the cold war through an analysis of the relationship between formal political authority and socio economic production seen from this perspective the state the modern conceptions of politics can be seen as products of a capitalist modernity in which politics is based on the separation of the spheres of politics in the state and economics in civil society book jacket

John le Carré and the Cold War

2014-04-08

this study reads the postwar period as one of international economic and political integration a distinct chapter in the process of us led globalization it shows how us policy makers and intellectuals created a global culture of integration that represented the growth of us power in asia

The Cold Song

1994

over the course of four decades of the cold war chakraborti and chakraborty analyse india s path from nonalignment towards realism and self assertion and finally to confidence building and interdependence with respect to their neighbours in southeast asia what were the reasons for india s shift from non alignment to a more pragmatic approach to foreign relations in its relationships with both the non communist states of asean and the communist states of indochina how was this shift perceived by those countries to what degree were pakistan s foreign and defence policies responsible for india s changes in alignment throughout the cold war what lessons can we draw from these events as the indo pacific is again becoming a major arena of great power rivalry in order to address these questions chakraborti and chakraborty study the development of india s foreign and security policies throughout the period tracking the changes of stances between and within administrations they evaluate how these decisions were driven by a combination of ideology pragmatism and changes in priorities as the regional architecture developed over time a valuable read for scholars and students of india s foreign relations and of indo pacific geopolitics more broadly

U.S. Intervention Policy in the Post-cold War World

2022-09-07

this book unveils the legendary life and the mystic poems of the iconic chinese tang poet han shan known by his pen name cold mountain and investigates the dissemination and reception of the cold mountain poems cmps attributed to him han shan and the cmps are amongst the most legendary literary landscapes and cultural memories in the history of world scholarly exchange the maniac poet recluse hidden in the cold mountains the delicate poetic realms of confucianism buddhism zen and taoism contained in the cold mountain poems and the incredible pervasiveness of its text travel and canon construction worldwide as well as the profound impact of cmps on comparative literature world literature and chinese studies provide the perfect lens to learn about chinese language literature culture and society this book is thus intended to investigate cmps in a coherent global context considering the vertical studies of the chinese literature polysystem it highlights the horizontal influence of cmps literarily or non literarily furthermore it addresses the making and developing of the han shan phenomenon and its implications for translation studies travel writing canon construction and literary historiography this book is for scholars researchers and students in literary history and east asian studies focusing on chinese literature and culture and those interested in the history of poetry in general

Systems Approach to Understanding the Biology of Cold Stress Responses in Plants

1998

this book is a ground breaking analysis of the india pakistan nuclear confrontation as a form of cold war that is a hostile relationship between nuclear rivals drawing on nuclear rivalries between similar pairs united states soviet union united states china soviet union china and united states north korea the work examines the rise process and potential end of the cold war between india and pakistan it identifies the three factors driving the india pakistan rivalry ideational factors stemming from partition oppositional roles created by the distribution of power in south asia and the particular kind of relationship created by nuclear weapons the volume assesses why india and pakistan continue in non crisis times to think about power and military force in outmoded ways embedded in pre nuclear times and draws lessons applicable to them as well as to other contemporary nuclear powers and states that might be engaged in future cold wars

Rethinking the Cold War

2001

this book reviews the research pertaining to nutrient requirements for working in cold or in high altitude environments and states recommendations regarding the application of this information to military operational rations it addresses whether aside from increased energy demands cold or high altitude environments elicit an increased demand or requirement for specific nutrients and whether performance in cold or high altitude environments can be enhanced by the provision of increased amounts of specific nutrients

Rethinking Theory and History in the Cold War

2003-03-10

during the cold war national discourse strove for unity through patriotism and political moderation to face a common enemy some authors and intellectuals supported that narrative by casting america s complicated history with race and poverty as moral rather than merely political problems southern literature cold war culture and the making of modern america examines southern literature and the culture within the united states from the period just before the cold war through the civil rights movement to show how this literature won a significant place in cold war culture and shaped the nation through the time of hillbilly elegy tackling cultural issues in the country through subtext and metaphor the works of authors like william faulkner lillian smith robert penn warren eudora welty ralph ellison alice walker and walker percy redefined south as much more than a geographical identity within an empire the south has become a racially coded sociopolitical and cultural identity associated with white populist conservatism that breaks geographical boundaries and as it has in the past continues to have a disproportionate influence on the nation s future and values

Cold War Orientalism

2023-02-10

as world war ii drew to a close the united states and the soviet union began to maneuver for position in postwar europe in the first exploratory moves of what would soon become a worldwide contest for power and prestige in bulgaria michael boll finds a unique vantage point for study of the processes of international politics during these years of the emergence of the cold war bulgaria he writes was to assume a significance for both the united states and the soviet union greater than that small nation s intrinsic importance to either great power bulgaria had joined the axis under pressure during the war though it alone among the axis satellites had refused to declare war on the soviet union willing in 1943 to lend support to an american plan devised to bring about bulgaria s surrender and its participation in the war against germany the soviet by the fall of 1944 was to invade bulgaria and form an alliance with the bulgarian communists who offered dependable support in the red army s continuing war effort when military objectives were replaced by the soviet s political drive for consolidation of its newly won empire the bulgarian communists remained indispensable allies and continued the determined campaign that culminated in 1947 in declaration of the people s republic of bulgaria boll refutes the frequent charge of american nonpolicy toward eastern europe in this period concluding that the loss of bulgaria was the result not of the lack of determined policy but of a realistic assessment of american capabilities and strategic priorities cold war in the balkans drawing on important new eastern european sources and newly declassified british and american archives relates international diplomatic history to local political developments in a way that gives new depth to the study of cold war origins

India's Southeast Asia Policy during the Cold War

2023-07-28

a stunningly mature and confident debut collection the manageable cold showcases timothy mcbride s mastery of a wide range of forms and subjects combining consummate craftsmanship with emotional richness whether his attention is focused on boxing jazz contronyms science or relationships mcbride breathes new life into the sonnet and the villanelle and handles blank verse with the utmost ease the combination of traditional techniques and mcbride s thoroughly modern sensibility gives rise to poems that resemble the rigorously embodied works of robert frost howard nemerov and mary oliver appearing at

once utterly fresh and immemorially old book jacket

Cold Mountain Poems

2008-04-28

during the cold war western economic studies of the ussr neglected the military sector of the soviet economy were economic sovietologists under political pressure and if so in what direction this book has broad relevance for national security uses of social science research today adapted from dust jacket

South Asia's Cold War

1996-05-29

the cold war had seemed like a permanent fixture in global politics and until its denouement no western or soviet politician foresaw that the stand off between the two superpowers after decades of struggle over every aspect of security politics economics and ideas would end in their lifetimes even after march 1985 when mikhaïl gorbachëv became the leader of the soviet union it was not preordained that global nuclear armageddon could or would be averted peaceably but just four years later the berlin wall was dismantled and perestroika spread throughout the former soviet bloc it was a sea change in world history which resulted in the dissolution of the soviet union drawing on pioneering archival research robert service s gripping new investigation of the final years of the cold war pinpoints the astonishing relationships among president ronald reagan and mikhaïl gorbachëv secretary of state george shultz and the ussr s last foreign affairs minister eduard shevardnadze who found a way to cooperate during times of extraordinary change around the world the story is of american pressure and soviet long term decline and over stretch the end of the cold war shows how that small skillful group of statesmen were determined to end the cold war on their watch in the process they irreversibly transformed the global geopolitical landscape authoritative compelling and meticulously researched this is political history at its best

Nutritional Needs in Cold and High-Altitude Environments

2020-01-27

the aim of this book is to present review articles describing the latest theoretical and experimental developments in the field of cold atoms and molecules our hope is that this series will promote research by both highlighting recent breakthroughs and by outlining some of the most promising research directions in the field

Cold War in the Balkans

2010-12-30

this book shows how international trade was a key part of the classic western policy of containment towards the soviet union in the cold war in the late 1970s trade and containment may summarise the new relation that communist china moulded with the capitalistic west in the late 1970s ideology had become less important and a rapprochement between the prc people s republic of china and the western powers over trade with the purpose of isolating and weakening the common russian rival was practically unavoidable within a relatively short span of time the balance of power in the indo pacific area had been reversed simply put beijing s market was too big to be ignored and the atlantic allies collaborated sometimes even competing with each other to allow china access to the centres of world finance however the western powers had not realised that beijing would never pursue alignment with them on the contrary the increased trading and financial linkage with capitalistic countries gave china room to manoeuvre enabling it to play the western states off against each other this book will be of much interest to students of cold war studies chinese history foreign policy and international relations

The Manageable Cold

2019

hollywood s cold war

Reluctant Cold Warriors

2015-10-08

the asia pacific region presents a challenge to international security in the post cold war era doubts as to the us military commitment concern with japan s security aspirations build up of military capabilities and the nuclear ambitions of north korea have further heightened tension

The End of the Cold War

2013

this book offers the first account of the foundation organisation and activities of the nato information service natis during the cold war during the cold war natis was pivotal in bringing national delegations together to discuss their security information and intelligence concerns and when appropriate or possible to devise a common response to the communist threat at the same time natis liaised with bodies like the atlantic institute and the bilderberg group in the attempt to promote a coordinated western response the nato archive material also shows that natis carried out its own information and intelligence activities propaganda and intelligence in the cold war provides the first sustained study of the history of natis throughout the cold war examining the role of natis as a forum for the exchange of ideas and techniques about how to develop and run propaganda programmes this book presents a sophisticated understanding of the extent to which national information agencies collaborated by focusing on the degree of cooperation on cultural and information activities this analysis of natis also contributes to the history of nato as a political alliance and reminds us that nato was and still is

primarily a political organisation this book will be of much interest to students of nato cold war studies intelligence studies and ir in general

Annual Review of Cold Atoms and Molecules

2015-09-15

this book analyzes the ways in which us policy toward iraq was dictated by america s broader cold war strategy between 1958 and 1975 while most historians have focused on hot cold war conflicts such as cuba vietnam and afghanistan few have recognized iraq s significance as a cold war battleground this book argues that us decisions and actions were designed to deny the soviet union influence over iraq and to create a strategic base in the oil rich gulf region using newly available primary sources and interviews this book reveals new details on america s decision making toward and actions against iraq during the height of the cold war and shows where iraq fits into the broader historiography of the cold war in the middle east further it raises important questions about widely held misconceptions of us iraqi relations such as the cia s alleged involvement in the 1963 ba thist coup and the theory that the us sold out the kurds in 1975

A Study Guide for Truman Capote's In Cold Blood

1897

this new study shows how the american led war on terror has brought about the most significant shift in the contours of the international system since the end of the cold war a new imperial moment is now discernible in us foreign policy in the wake of the neo conservative rise to power in the usa marked by the development of a fresh strategic doctrine based on the legitimacy of preventative military strikes on hostile forces across any part of the globe key features of this new volume include an alternative critical take on contemporary us foreign policy a timely accessible overview of critical thinking on us foreign policy imperialism and war on terror the full spectrum of critical view sin a single volume many of these essays are now contemporary classics the essays collected in this volume analyse the historical socio economic and political dimensions of the current international conjuncture and assess the degree to which the war on terror has transformed the nature and projection of us global power drawing on a range of critical social theories this collection seeks to ground historically the analysis of global developments since the inception of the new bush presidency and weigh up the political consequences of this imperial turn this book will be of great interest for all students of us foreign policy contemporary international affairs international relations and politics
