Breaking the Marriage Idol

2018-06-26

should all christians be married although we might quickly respond no our cultural stories and norms including those in the church often communicate yes theologian and husband kutter callaway considers why marriage which is a blessing from god shouldn t be expected or required of all christians through an examination of scripture cultural analysis and personal accounts he reflects on how our narratives have

limited our understanding of marriage and obscured our view of the life giving and kingdom serving roles of single people in the church in doing so callaway helps the church craft a new story that transforms the way we look at marriage and affirms the contributions of all to the body of christ
