the history of patent harmonization is a story of dynamic actors whose interactions with established structures shaped the patent regime from the inception of the trade regime to include intellectual property ip rights to the present this book documents the role of different sets of actors states transnational business corporations or civil society groups and their influence on the structures such as national and international agreements organizations and private entities that have caused changes to healthcare and access to medication presenting the debates over patents trade and the agreement on trade related aspects of intellectual property rights trips agreement as it galvanized non state and nonbusiness actors the book highlights how an alternative framing and understanding of pharmaceutical patent rights emerged as a public issue instead of a trade or ip issue the book thus offers an important analysis of the legal and political dynamics through which the contest for access to lifesaving medication has been and will continue to be fought in addition to academics working in the areas of international law development and public health this book will also be of interest to policy makers state actors and others with relevant concerns working in nongovernmental and international organizations this title was first published in 2002 this collection of essays marks the formal launch of the centre for instalment credit law at the university of wales swansea divided into three sections it examines the concept of security within domestic law considers the choice of law rules and ponders development of uniform law 6 7 new developments in the uses of the sea have given rise to new questions in the law of the sea since the beginning of the second millennium and there are international endeavors to revise certain issues of maritime law the seminar papers of which are collected in this volume dealt with some examples of these developments participants were doctoral candidates of the international max planck research school for maritime affairs and students of the university of hamburg addressed are the internationalization of marine natural resources the audit system of flag state s obligations rights of land locked and geographically disadvantaged states in the eez the reform of the european fisheries policy and finally the rotterdam rules which are deemed to alter the carrier s obligations in the law of maritime transport a report of the seminar s excursion to several maritime institutions in new york city is also included the november issue is the special annual review of the u s supreme court s previous term each year the issue is introduced by noteworthy and extensive contributions from recognized scholars in this issue for the 2013 term articles include foreword the means of constitutional power by john f manning comment slipping the bonds of federalism by heather k gerken comment the supreme court as a constitutional court by jamal greene comment the hobby lobby moment by paul horwitz in addition the first issue of each new volume provides an extensive summary of the important cases of the previous supreme court docket covering a wide range of legal political and constitutional subjects student commentary on leading cases of the 2013 term includes recent cases on content neutrality under the first amendment compelled subsidized speech free speech and contribution limits legislative prayer and the establishment of religion search and seizure law as to anonymous tips cellphones and cotenant consent equal protection and political process right to counsel eighth amendment issues for intellectually impaired defendants standing and jurisdiction class actions tribal immunity the clean air act immigration of children misrepresentation of buyer and gun control law and copyright law s transmit clause complete statistical graphs and tables of the court s actions and results during the term are included finally the issue features several summaries of recent publications the issue also features essays on substantive and procedural law and judicial method honoring justice stephen g breyer and his notable contributions to law and the supreme court the essays are written by scholars martha minow martha field cass sunstein richard fallon michael klarman todd rakoff joseph
