insight into exactly what examiners are looking for in an answer new editions for 2011 2012 include an introduction with essay writing and exam preparation advice written specifically to address the unique demands of the subject under consideration aim higher text boxes offering tips and advice to help those students aiming for top marks to go the extra mile common pitfalls text boxes showing where students often trip up or highlighting areas of potential confusion to help students avoid making some of these common mistakes key cases and legislation highlighted within the text for ease of reference boxed answer plans after each question outlining the major points students should be aiming to convey in their answer books in the series are also supported by a companion website offering online essay writing tutorials podcasts bonus q as and multiple choice questions to help you focus your revision more effectively q a company law offers a lifeline to students revising for exams it provides clear guidance from experienced examiners on how best to tackle exam questions and gives students the opportunity to practise their exam technique and assess their progress cases and materials in company law is well established as the best casebook on company law available it covers all vital cases and combines sophisticated commentary with well chosen notes and questions this edition retains the original successful structure and style whilst being fully updated to reflect changes following the companies act 2006 company law is relevant to every company regardless of size knowing the law and complying with it is critical for all companies failure to comply with the law can have significant adverse consequences not only for companies but

also for shareholders and directors company law made easy highlights key legal requirements that companies and their employees need to be aware of in day to day operations and signposts potential traps and legal issues written in a straightforward manner it covers everything from incorporation and company names shareholder rights and obligations to administration financial reporting and insolvency and much more it also covers what can happen if companies get it wrong relevant key legislation is summarised in company law made easy and a practical resources chapter provides information on accessing useful guides and materials by raising awareness and improving understanding company law made easy assists both directors and managers to comply with their legal obligations routledge q as give you the tools to practice and refine your exam technique showing you how to apply your knowledge to maximum effect in an exam situation each book contains up to fifty essay and problem based questions on the most commonly examined topics complete with expert guidance and fully worked model answers these new editions for 2013 2014 will provide you with the skills you need for your exams by helping you to be prepared each title in the series has an introduction presenting carefully tailored advice on how to approach assessment for your subject showing you what examiners are looking for to gain marks as well as what common errors could lose them aim higher and common pitfalls offer crucial guidance throughout helping you to understand and remember the law diagrams for each answer work to illuminate difficult legal principles and provide overviews of how model answers are structured books in the series are also supported by a companion website that offers online essay writing tutorials podcasts bonus q as and multiple choice questions to help you focus your revision more effectively lee roach guides the reader through the intricacies of the subject with unrivalled clarity and expert analysis of the application of principles to real life cases the eleventh edition of this comprehensive text has been fully updated to take into account case law and statutory developments including the amendments to the companies act 1995 brought about by the audit exemption regulations for smaller companies each chapter is prefaced by a plan of the area of law under scrutiny the level of detail and topics covered are appropriate for students and the text clearly explains the key principles involved fully up to date with latest developments in case law and legislation contains questions and answers suitable for students self testing explains law clearly and accurately part of a series of short guides aimed at helping students on the legal practice course lpc written in a question and answer format this book looks at how private limited companies are incorporated and the officers of the company nutshells present the essentials of law in clear and straightforward language explaining the basic principles features such as diagrams and checklists make them easy to use while the inclusion of model questions and answer plans help students test their knowledge nutshells are an essential revision aid and ideal for getting fully up to speed with a new subject as attention moves rapidly towards comparative approaches the research and teaching of company law has somehow lagged behind the overall purpose of this book is therefore to fill a gap in the literature by identifying whether conceptual differences between countries exist rather than concentrate on whether the institutional structure of the corporation varies across jurisdictions the objective of this book will be pursued by focusing on specific cases and how different countries might treat each of these cases the book also has a public policy dimension because the existence or absence of differences may lead to the question of whether formal harmonisation of company law is necessary the book covers 12 legal systems from different legal traditions and from different parts of the world though with a special emphasis on european countries in alphabetical order those countries are finland france germany italy japan latvia the netherlands poland south africa spain the uk and the us all of these jurisdictions are subjected to scrutiny by deploying a comparative case based study on the basis of these case solutions various conclusions are reached some of which challenge established orthodoxies in the field of comparative company law company law concentrate is written and designed to help you succeed accurate and reliable concentrate guides help focus your revision and maximise your exam performance each guide includes revision tips advice on how to achieve extra marks and a thorough and focused breakdown of the key topics and cases
