TESOL Teacher Education in a Transnational World

2020-11-26

tesol teacher education in a transnational world critically examines theories and practices in contemporary tesol teacher education to shed new light on the intersection of transnationalism and language teacher education it emphasizes the scholarship of transnational mobility of language teachers and showcases critical research from diverse contexts the book fills a critical research gap by more fully examining the theory and practice of teacher education in a changing time when national identities and cross border mobilities continue to figure prominently in scholarly discussions through a diverse set of epistemological historical and theoretical perspectives along with methodological innovations contributors of this volume not only index the dynamism of the scholarship of teacher education but they also offer new forums for lively pedagogical debates featuring contributions from diverse educational and geographical contexts including europe asia north america and latin america the book moves the existing scholarship forward to more fully examine tesol teacher education in relation to transnationalism this book will be of great interest to academics scholars post graduate students teacher educators policymakers curriculum specialists administrators and other stakeholders interested in language teacher education tesol and applied linguistics

Social Justice, Decoloniality, and Southern Epistemologies within Language Education

2023-03-03

with a strong focus on decoloniality and social justice this volume brings together critical theories concepts and practices on tesol from multiple brazilian perspectives the chapters showcase the work of teachers and teacher educators in confronting sociopolitical issues in brazil including in the domains of democracy language education and knowledge production as well as prevailing issues within tesol itself contributions stem from an eclectic range of analytical orientations that reflect ontological and epistemological diversity while demonstrating why where and how tesol is done in brazil in doing so this volume also establishes a place for southern voices to be heard in the move toward challenging complex and long standing issues of representation marginalization and exclusion that have traditionally characterised north south relations in tesol as a field this volume seeks to promote southern based conversations about decoloniality and social justice in tesol and will be of direct relevance to graduate students researchers and scholars in the field of tesol and foreign language education

Handbook of Research on Socio-Cultural and Linguistic Perspectives on Language and Literacy Development

2022-10-07

the teacher s role is to create opportunities that intrinsically motivate children to externalize their thoughts human beings have multiple means of expression this is powerful when children have the opportunity to have a real voice the realities of children s experiences in their local communities are powerful resources for the language curriculum and help to create an understanding of the value the languages and cultures of children and teachers bring from a multicultural perspective thus teachers can help children develop their cultural and linguistic identities to promote multiculturalism multilingualism and translanguaging so they can thrive in a complex and changing world the handbook of research on socio cultural and linguistic perspectives on language and literacy development approaches language and literacy development from a socio cultural and linguistic perspective this book offers global perspectives on language and literacy from international experts working with both children and educators it offers readers a diversity of voices and experiences of professionals in the field that can inform their teaching and research covering topics such as critical literacy emotional engagement and multilingual resources this major reference work is an indispensable resource for administrators and educators of both k 12 and higher education pre service teachers teacher educators biblio therapists librarians researchers and academicians

Glocal Languages and Critical Intercultural Awareness

2019-02-06

this volume provides a new perspective on prevailing discourses on translanguaging and multilingualism by looking at glocal languages local languages which have been successfully globalized focusing on european languages recreated in latin america the book features examples from languages underexplored in the literature including brazilian portuguese amerindian poetics and english spanish portuguese outside europe as a basis for advocating for an approach to language education rooted in critical pedagogy and post colonial perspectives and countering hegemonic theories of globalization while rooted in a discussion of the south the book offers a fresh voice in current debates on language education that will be of broader interest to students and scholars across disciplines including language education multilingualism cultural studies and linguistic anthropology

Pedagogia freireana, educação linguística e linguística aplicada

2022-02-25

a obra materializa uma iniciativa de aproximar pessoas para aprofundar conhecimentos ampliar olhares estabelecer relações e envolver se em discussões sobre a pedagogia freireana em diálogo com diferentes conceitos e áreas de saber com textos produzidos por integrantes ou pessoas convidadas para participar da disciplina pedagogia freireana educação linguística e linguística aplicada ofertada no âmbito do programa de pós graduação em letras da universidade federal do paraná o e book ilustra o quanto a rigorosidade a amorosidade a perplexidade a criticidade o saber de experiência feito se fazem presentes em nossa práxis em uma sala de aula de pós graduação contribuem para nossa formação e fortalecem nosso desejo de ser mais e esperar por inéditos viáveis como nos convidou paulo freire ao longo de sua vida
