## **Biography of Norman Rockwell** **2006-12-01**

a collection of more than 85 of rockwell s paintings accompanied by poems stories and songs that showcase the spirit of america

## **Norman Rockwell 2003-08**

accessible and engaging the poems in randall r freisinger s nostalgia s thread are provocative reconsiderations of the american experience as depicted in ten of norman rockwell s best known paintings arguably the only serious collection of poems inspired by norman rockwell s images they were conceived just prior to the attacks of september 11 2001 and written in their wake these poems remind us that visual art is never static the beholder s eye never innocent they bear witness to the fact that

each cultural era must inevitably reinterpret its rich artistic inheritance within the context of its current collective experience the publication of nostalgia s thread coincides with the 40th anniversary of the norman rockwell museum as well as recent critical reappraisals of rockwell s as an illustrator and artist these poems in keeping with the venerable centuries old tradition of ekphrasis give eloquent voice to rockwell s art but they refuse to remain fixed within the paintings frames instead the poems explore alternative narratives setting aside simplistic readings of the images and opening them up to a more nuanced response with unflinching honesty and deep compassion these poems present a personal and collective past which is both comforting and disturbing both nostalgia s thread and the barbed wire of memory

## **Norman Rockwell's People 1981**

norman rockwell spent seven decades capturing the essence of the american spirit on canvas his paintings which graced more than three hundred covers of the saturday evening post created the symbols of the nation during world war ii depicted beautiful women who still retained their girl next door qualities showed boys and girls embroiled in the delights and disappointments of childhood and young lovers sipping ice cream sodas and celebrated the joys of family gatherings but most of all rockwell s pictures portrayed the strength and compassion of small town america earning him a unique position as both a storyteller and a chronicles of american history adults and children alike recognize norman rockwell s name and paintings as the embodiment of all that is positive in the american character norman rockwell who painted from 1912 to 1976 illustrated not only magazine covers but also children s books boy scout calendars and advertisements for corporations and the u s government he also portrayed all of the major presidential candidates from 1952 to 1972 as well as

statesmen actors and popular heroes of the day norman rockwell is a rockwell retrospective featuring work from almost every year of his artistic career from an early series depicting the awkwardness and exhilaration of young boy scouts to his later series illustrating the four freedoms freedom of speech freedom of worship freedom from want and freedom from fear for which america was fighting in world war ii to his poignant and authentic images of americans at play at work and in their homes this collection offers a truly spectacular and diverse array of full color reproductions of rockwell s work norman rockwell allows the rockwell fan to trace the evolution of the artist and his craft year by year through his paintings his sketches and photographs of him at work this volume also contains a discussion of rockwell s life a great american success story and a section describing the precise and deliberate way he created his paintings in addition norman rockwell features a preface by maureen hart hennessey curator of the normal rockwell museum at stockbridge this collection of rockwell s work full of his most popular paintings as well as much of his lesser known work is sure to delight people of all ages

## **Norman Rockwell 1990**

brush up your knowledge on popular american painter and illustrator norman rockwell with this exciting who was title norman rockwell often painted what he saw around him in nostalgic and humorous ways after hearing president franklin roosevelt s address to congress in 1943 he was inspired to create paintings that described the principles for universal rights four paintings that portray iconic images of the american experience over the course of his lifetime he painted 322 covers for the saturday evening post of his work he has said maybe as i grew up and found the world wasn t the perfect place i thought it to be i consciously decided that if it wasn t an ideal world it should be and so painted only the ideal aspects of it

## **Norman Rockwell 1980**

color reproductions of norman rockwell s cherished illustrations celebrate the many facets of american life from baseball and puppy love to courtship and mating with tenderness and humor

## ***Best of Norman Rockwell 2005-09-27***

norman rockwell s tremendously successful prolific career as a painter and illustrator has rendered him a twentieth century american icon however the very popularity and accessibility of his idealized nostalgic depictions of middleclass life have caused him to be considered not a serious artist but a mere illustrator a disparagement only reinforced by the hundreds of memorable covers he drew for the sunday evening post symptomatic of critics neglect is the fact that rockwell has never before been the subject of a serious critical biography based on private family archives and interviews and publishes to coincide with a major two year travelling retrospective of his work this book reveals for the first time the driven workaholic who had three complicated marriages and was a distant father so different from the loving all american dad image widely held to this day critically acclaimed author laura claridge also breaks new ground with her reappraisal of rockwell s art arguing that despite his popular sentimental style his artistry was masterful complex and far more manipulative than people realize

## **Norman Rockwell 2004**

presents a biography of norman rockwell
