Co-Leaders 2000-08-11 co leadership is a tough minded strategy that will unleash the hidden talent in any enterprise above all co leadership is inclusive not exclusive it celebrates those who do the real work not just a few charismatic often isolated leaders who are regally compensated for articulating the organization s vision david a heenan and warren bennis today s heads of big companies are as recognizable to us as the most popular entertainers or sports stars but the heart and soul of every organization are those leaders below the ceo today s celebrity ceo has become either a figure head or an egomaniac and often too public a personality to get the real work done that work is done instead by teams of leaders exceptional deputies who forge great partnerships to maximize both organizational and personal success heenan and bennis believe we must look beyond the bill gateses of the world to understand what makes an organization excel written for ceos managers and anyone else interested in modern organizations this is the first comprehensive study of co leaders and their often quiet power exhaustively researched and illustrated with memorable anecdotes and lively stories co leaders examines a dozen great partners such as steve ballmer of microsoft bob lutz of chrysler bill guthridge coach of the university of north carolina basketball team and anne sullivan macy helen keller s teacher the changing nature of corporate leadership has seen the emergence of a new silicon valley model of success where boss and subordinate seem more like peers with the spotlight on great partnerships talent not title is the source of power at a growing number of hot high tech companies in these collegial non hierarchical organizations today s deputy can become tomorrow s ceo simply by taking his or her breakthrough idea and walking out the door good ideas belong initially at least to the people who have them not to the company and

not to the boss which is why this new egalitarianism isn't just a matter of style it's a question of survival co-leaders know both the executive and subordinate experience making them better adapted to the needs of the new millennium where men and women who can command and follow will prove to be the greatest assets of any organization co-leaders is intended for everyone who aspires to make his or her organization great by showing the enterprise through the eyes of inspired deputies this book reveals how both organizations and individuals can benefit from a more inclusive less celebrity oriented definition of leadership this groundbreaking book argues for a new paradigm gifted leaders and their talented co-leaders working together to make their organizations stronger more nimble more equitable and ultimately more successful david a heenan is a trustee of the estate of james campbell one of the nation's largest landowners with assets valued at over 2 billion a former senior executive with citicorp and jardine matheson heenan has served on the faculties of the wharton school and the columbia graduate school of business a wharton phd he is the author of the new corporate frontier and the re united states of america and his articles have appeared in the harvard business review the wall street journal and the new york times warren bennis is distinguished professor of business administration at the university of southern california and a consultant to multinational companies and governments throughout the world often referred to as the guru of modern management he is one of the preeminent authorities on leadership author of over a dozen books including the best sellers leaders and on becoming a leader bennis's insights have fundamentally shaped the way we think about leaders today

Creating Great Business Partnerships 2016-07-14 great partnerships are all different walt and mickey bogie and bacall bert and ernie milk and cookies spongebob and patrick ben and jerry the blues brothers calvin and hobbes thelma and louise and so on while they were all different they also had a lot in common the partners were unique but liked to be together talk together and do things together while they didn't always agree on things they argued in a skillful manner that left the relationship stronger not weaker they were in the relationship for the long haul they were committed to each other and they had shared values ask a hundred partners what it takes to make a great partnership and you may well receive 100 different answers being a partner in one firm does not automatically make you partner material in another august aquila has been working with partners of professional services firms for more than 36 years in the united states mexico canada england and india for nine years he was a partner in a top 50 accounting firm in chicago this book comes from those 36 years of experience these are things he has learned from his clients and from his own working experiences as a partner in a top 50 accounting firm a senior executive in a fortune 100 firm and an owner of his own consulting practice

What Makes a Great Partnership 2004-08-27 praise for the power of we in the power of we jonathan tisch reminds us again that working together still yields the best results jon has spent a lifetime mobilizing people and organizations to get a job done in business and in civic service his experience optimism intelligence and common sense are reflected in this fresh look at the rewards of partnerships president bill clinton the power of we offers a clear and compelling lesson in how today's business leaders can create new synergies and gain competitive advantage by learning how to partner successfully kenneth i chenault chairman and ceo american express company jon tisch has lived the strategy he describes in the power of we and now this extraordinary man and successful leader shares his strategy with us building partnerships at all levels social intellectual and political as well as entrepreneurial will be one of the keys to progress in the coming decades jon tisch provides a road map for those who grasp that reality john sexton president new york university being a leader requires vision focus and influence jonathan tisch has exhibited all three in this great body of work about what it takes to be a partner and something bigger than yourself the power of we is a must read pat riley president the miami heat

The Law of Partnership 2018-04-02 why buy this book because it answers the hard questions economically dental partnerships make great sense in terms of optimizing assets sharing costs increasing revenues and fine tuning division of labor yet in the united states over 80 of dentists practice solo and this figure has held steady for decades what causes this overwhelming and enduring pattern of dentists continuing to practice solo top practice management advisers now declare one sure way to realize a return on investment in your practice is to transition the practice from a solo to a partnered enterprise they recommend the best route to be through the process of associateship to partnership selling 50 to the partner then continuing to work in the practice and selling the remaining 50 downstream this works only if and when the partnership works what do you do with an expanded practice if the partnership doesn't work the majority of dental associateships and partnerships underperform or fail altogether although no clear studies are available a number of dental journals report the failure rate in dental partnerships to be somewhere between 70 and 90 why do dental partnerships have such an extremely high morbidity rate nearly all associateships and partnerships begin with tremendous goodwill excitement and enthusiasm the future appears extremely bright however it is not uncommon that within five years the shine disappears and is replaced with dissatisfaction what causes partnerships to unravel when an associateship to partnership fails the costs are extremely high in terms of money time and emotional distress the effect on staff performance and patient relations can be demoralizing as well partnership failure in dental practices costs hundreds of millions of dollars every year and untold emotional damage what can be done to prevent this surveys reveal the majority of dentists have difficulty in communications particularly with their associates or partners consequently they are ineffective at handling problems directly resolving conflicts and making mutual business decisions what are the factors that thwart a dentist's ability to effectively communicate to an associate or partner it seems dentists are in a

quandary a clear path to economic freedom and asset optimization exists through recruiting an associate and transitioning the associate to a partner the problem is most dental partnerships don t work this book provides answers to the most common and destructive issues and problems that cause dental partnerships to fail if you are considering a partnership as a strategy or if you currently have an associate or partner this book will enhance your ability to succeed
