from the newbery medal winning author of the beloved classic from the mixed up files of mrs basil e frankweiler comes four jewel like short stories one for each of the team members of an academic bowl team that ask questions and demonstrate surprising answers how had mrs olinski chosen her sixth grade academic bowl team she had a number of answers but were any of them true how had she really chosen noah and nadia and ethan and julian and why did they make such a good team it was a surprise to a lot of people when mrs olinski s team won the sixth grade academic bowl contest at epiphany middle school it was an even bigger surprise when they beat the seventh grade and the eighth grade too and when they went on to even greater victories everyone began to ask how did it happen it happened at least partly because noah had been the best man quite by accident at the wedding of ethan s grandmother and nadia s grandfather it happened because nadia discovered that she could not let a lot of baby turtles die it happened when ethan could not let julian face disaster alone and it happened because julian valued something important in himself and saw in the other three something he also valued mrs olinski returning to teaching after having been injured in an automobile accident found that her academic bowl team became her answer to finding confidence and success what she did not know at least at first was that her team knew more than she did the answer to why they had been chosen

1942

eleanor of aquitaine 1124 1204 queen of france and england and mother of two kings has often been described as one of the most remarkable women of the middle ages yet her real achievements have been embellished and even obscured by myths that have grown up over eight centuries this process began in her own lifetime as chroniclers reported rumours of her scandalous conduct on crusade and has continued ever since she has been variously viewed as an

adulterous queen a monstrous mother and a jealous murderess but also as a patron of literature champion of courtly love and proto feminist defender of women s rights inventing eleanor interrogates the myths that have grown up around the figure of eleanor of aquitaine and investigates how and why historians and artists have invented an eleanor who is very different from the 12th century queen the book first considers the medieval primary sources and then proceeds to trace the post medieval development of the image of eleanor from demonic queen to feminist icon in historiography and the broader culture
