winner of the 2019 mark e mack community engagement award from the society for historical archaeology the collaborative archaeology project at the former stewart indian school documents the archaeology and history of a heritage project at a boarding school for american indian children in the western united states in collaborative archaeology at stewart indian school the team s collective efforts shed light on the children s education foodways entertainment health and resilience in the face of the u s government s attempt to forcibly assimilate native populations at the turn of the twentieth century as well as school life in later years after reforms this edited volume addresses the theory methods and outcomes of collaborative archaeology conducted at the stewart indian school site and is a genuine collective effort between archaeologists former students of the school and other tribal members with more than twenty contributing authors from the university of nevada reno nevada indian commission washoe tribal historic preservation office and members of washoe paiute and shoshone tribes this rich case study is strongly influenced by previous work in collaborative

and indigenous archaeologies it elaborates on those efforts by applying concepts of governmentality legal instruments and practices that constrain and enable decisions in this case regarding the management of historical populations and modern heritage resources as well as social capital valued relations with others in this case between native and non native stakeholders as told through the trials errors shared experiences sobering memories and stunning accomplishments of a group of students archaeologists and tribal members this rare gem humanizes archaeological method and theory and bolsters collaborative archaeological research

Assessing Student Learning

2002

Assessing Student Learning is a book by Robert M. Kegan and Michael L. LaParo. It is a collection of essays that explore the challenges of assessing student learning in higher education. The book is organized into three parts: Part I: The Challenge of Assessment, Part II: The Practice of Assessment, and Part III: The Future of Assessment. The book is a valuable resource for faculty and administrators who are interested in improving the quality of student learning and assessment in their institutions.
