Hamric & Hanson's Advanced Practice Nursing - E-Book 2022-08-05 set adjacent to victims and bystanders perpetrators are by no means marginalized figures in human rights scholarship nevertheless the extent to which the perpetrator is not only socially imagined but also sociologically constructed remains a central concern in studies of state authorized mass violence this interdisciplinary collection of essays builds upon such work by strategically interrogating the terms through which such a figure is read via law society and culture of particular concern to the contributors to this volume are the ways in which notions of violation and culpability are mediated through less direct convoluted frames of corporatization globalization militarized humanitarianism post conflict truth and justice processes and postcoloniality the chapters variously give scrutiny to historical memory who can voice it when and in what registers question legalism s dominance within human rights and analyse the story telling values invested in the figure of the perpetrator against the common tendency to view perpetrators as either monsters or puppets driven by evil or controlled by others the chapters in this book are united by the themes of truth s contingency and complex imaginings of perpetrators even as the truth that emerges from perpetrator testimony may depend on who is listening with what attitude and in what institutional context the book s chapters also affirm that listening to perpetrators may be every bit as productive of human rights insights as it has been to listen to survivors and witnesses this book was previously published as a special issue of the international journal of human rights

Kozier & Erb's Fundamentals of Nursing Australian Edition 2014-12-01                                                                   software development  jolt award                      productivity award                      

What Happens When We Practice Religion? 2020-05-19 designed as a study aid for the students of manhattan prep s elite lsat prep classes 10 real lsats grouped by question type provides students with an opportunity for targeted practice cut from practice tests 41 50 this book allows students to hone their skills on specific question types in logical reasoning logic games and reading comprehension including assumptions inferences binary grouping and more in depth explanations for every question are written by manhattan prep s expert lsat instructors and feature hand drawn diagrams that allow students to get inside the mind of a 99th percentile scorer by providing a means for targeted training 10 real lsats grouped by question type is an invaluable study tool enabling students to get acclimated to the nuances of the exam and achieve a higher level of mastery on every question the lsat has to offer

The All India Digest, Section II (civil), 1811-1911 1912 comprises all laws of a general and permanent nature under arrangement of the official code of laws of the United States with annotations from federal and state courts

Essentials of Blood Product Management in Anesthesia Practice 2021-03-12 this volume is the first in a new series of studies on the frontiers of international law the term frontier is traditionally associated with proximity to a boundary or a demarcation line but it is also a connecting point i.e. a passage or channel between spaces that are usually considered as separate entities the series aims to explore the visible and imaginary boundaries of scholarship in international law it is designed to test the existing table of contents vocabulary and limits of public international law to investigate lines and linkages between centre and periphery and to re-map or re-think some of its conceptual boundaries the current volume is written in this spirit it deals with the tension between unity and diversification which has gained a central place in the debate under the label of fragmentation it explores the meaning articulation and risks of this phenomenon in a specific area international criminal justice it brings together established and fresh voices who analyse different sites and contestations of this concept as well as its context and specific manifestations in the interpretation and application of international criminal law the volume thereby connects discourse on fragmentation with broader inquiry on the merits and discontents of legal pluralism in public international law

Interrogating the Perpetrator 2018-02-02 2000                                                 

2007-12 moving from non-sticism to non-utilitarianism and from antinomianism to anarchism this book reveals law's connection with love and freedom

10 Real LSATs Grouped by Question Type 2014-04-08 this book will help educators/practitioners become better mentors expand the dialogue on what makes a good mentor and it will add new and critical insight into the literature this book is contributed by a balance of scholars and practitioners and will be a timely contribution to the field as more educators seek out mentors in a time of educational chaos
