Thyrozone 2017

thyrozone offers a revolutionary approach to thyroid disease a disease that afflicts millions of people who are often left with no real solution to alleviate their pain and suffering the truth is that the medical community has yet to understand the causes or even the symptoms of thyroid disease this means patients have no strategy to address their disease or ways to optimize their health to provide any meaningful quality of living after years of development and experience dr john robinson and dr cristina bosch wrote thyrozone to offer a medical solution to patients who are simply not being provided the answers they need and deserve about their thyroid and metabolism the science based thyrozone system surpasses the typical advice and provides unique practical instruction that offers real results if you or a loved one have ever experienced a thyroid condition but have always been told the test results are normal then this book is for you

The Thyroid Solution (Third Edition) 2017-06-20

Take Charge of Your Thyroid Disorder 2020-12-29

no you re not crazy despite seeing dozens of doctors and thyroid specialists being treated with thyroid medication and having normal thyroid labs you still don t feel well maybe you re still exhausted gaining weight losing hair and feeling depressed foggy or anxious you re not crazy you re not alone and it is not your fault you re simply stuck in the middle of a thyroid debacle for decades modern medicine has misunderstood key points about thyroid physiology that has led to the prolonged suffering of millions of americans most importantly that thyroid disorders are primarily caused by a dysfunctional thyroid gland as a result doctors are taught to rely on an outdated model of testing tsh and t4 and simply replacing thyroid hormone with medication never once asking the question of what s causing the dysfunction in the first place in the thyroid debacle dr eric balcavage and dr kelly halderman explore thyroid disorders from a new perspective looking

to create a paradigm shift in how doctors and patients understand and approach thyroid physiology they argue that hypothyroidism is more commonly an issue with the functioning of cells not a problem with the thyroid gland itself and that the key is to look at root causes rather than attempt to mask symptoms with pills you can feel like yourself again this revolutionary new approach will help you understand the real cause of your thyroid symptoms so you can make informed decisions with your doctor and take back control of your health this is not your usual thyroid book thank goodness dig into this book learn howyour thyroid works what dirties it and howyou can clean it up in time you ll feel better than ever dr ben lynch author of the best selling book dirty genes this book goes deep but also offers hope with practical suggestions on how to course correct when typical thyroid interventions have failed i recommend it to everyone who struggles with thyroid dysfunction or who is in medicine and wants to truly learn more about the thyroid beyond synthroid and selenium carrie jones nd fabne mph head ofmedical education rupa health

The Thyroid Debacle 2022-06-07
