Australian Taxation *2024-03-11*

now updated to reflect the changes to the 2023
2024 tax rates and the may 2023 budget the
text is concise and to the point easy to
digest and applied rather than legalistic it
aims to demystify legal jargon and legal

technicality without sacrificing essentialcore legal knowledge and meaning importantly it provides the requisite foundation for business students who intend to later undertake the professional programs of either cpa australia or ca anz this new edition discusses ethics and technology including cryptocurrency examples in every chapter new features include more content on diversity and inclusion with a focus on indigenous content students can access both the print and digital formats including animated work problems practitioner videos and questions with feedback in the etext

Secured Transactions Law Reform in Africa *2019-10-31*

over the last few decades many countries have reformed their secured transactions law one of the main reasons has been the clear link between reform and the availability of credit and the drive to improve access to finance particularly for micro small and medium sized enterprises this book focuses particularly on developing economies in africa which have legal frameworks influenced by english french belgian roman dutch and other laws reform in this area of law across african countries has taken a number of forms which are explored and

discussed in this book secured transactions law reform in africa is a mixture of a critical description of the pre reform law and practice and the reform process itself it also includes a comparative analysis of the legal provisions and an examination of the early results of the reforms the book sets out a road map for the future of secured transactions reform primarily in africa but also in other countries that have undertaken or are contemplating similar reforms this book is the second in a series of books about secured transactions law in countries around the world and its reform both on a national and an international scale the first book secured transactions law reform principles policies and practice was published in 2016
