## ***Dymer 2023-07-10***

this book was compiled by alastair fowler from notes left by c s lewis at his death it is lewis s longest piece of literary criticism as distinct from literary history it approaches the faerie queene as a majestic pageant of the universe and nature celebrating god as the glad creator and argues that conventional views of epic and allegory must be modified if the poem is

to be fully enjoyed and understood

### ***Spenser's Images of Life 2013-11-07***

C.S. Lewis is best known as the creator of the fanciful world of Narnia and writer of literary criticism and Christian apologetics. This book examines Lewis's early writings under the pseudonym Clive Hamilton, analyzing the influence of his formative poetic aspirations upon his later prose by looking at early diaries and letters and the inclusion of four of Lewis's previously unpublished narrative poems and eleven previously unpublished short poems. This text explains the man through his writing.

### ***C.S. Lewis, Poet 2001***

C.S. Lewis had one of the great minds of the twentieth century. Many readers know Lewis as an author of fiction and fantasy literature, including the Chronicles of Narnia and the Space Trilogy. Others know him for his books in apologetics, including Mere Christianity and The Problem of Pain, but few know him for his scholarly work as a professor of medieval and renaissance literature. What shaped the mind of this great thinker? Jason Baxter argues that Lewis was deeply formed not only by the words of Scripture and his love of ancient mythology but also by medieval literature. For this undeniably modern Christian author, like Dante and Boethius, provided a worldview that was relevant to the challenges of the contemporary world. Here, readers will encounter an unknown figure to guide them in their own journey: C.S. Lewis, the medievalist.

### ***Sehnsucht: The C. S. Lewis Journal 2024-02-29***

C.S. Lewis explores the fascination with language by taking a series of words and teasing out their connotations.

### ***A Word Index to the Poetry of C.S. Lewis 1988***

This volume includes over twenty of C.S. Lewis's most important literary essays written between 1932 and 1962. The topics discussed range from Chaucer to Kipling, from the literary impact of the Authorized Version to psychoanalysis and literary criticism from Shakespeare and Bunyan to Sir Walter Scott and William Morris. Common to each essay, however, is the lively wit, the distinctive forthrightness, and the discreet erudition which characterizes Lewis's best critical writing.

## **Selected Literary Essays 2013-11-07**

here are dozens of surprising aspects of the life and writings of c s lewis george macdonald and dante george macdonald loved the writings of dante and c s lewis loved the writings of both dante and macdonald contents range from the quick surprising fun of who is this man to the practical down to earth instruction of c s lewis s free advice to hopeful writers and the adventurous scholarship of spring in purgatory and mining dante

## **C.S. Lewis 1985**

most popularly known as the author of the children s classic the chronicles of narnia c s lewis was also a prolific poet essayist novelist and christian writer his most famous work the lion the witch and the wardrobe while known as a children s book is often read as a christian allegory and remains to this day one of his best loved works but lewis was prolific in a number of areas including poetry christian writing literary criticism letters memoir autobiography sermons and more this set written by experts guides readers to a better understanding and appreciation of this important and influential writer clive staples lewis was born on november 29 1898 in belfast northern ireland his mother died when he was young leaving his father to raise him and his older brother warren he fought and was wounded in world war i and later became immersed in the spiritual life of christianity while he delved into the world of christian writing he did not limit himself to one genre and produced a remarkable oeuvre that continues to be widely read taught and adored at all levels as part of the circle known as the inklings which consisted of writers and intellectuals and included j r r tolkien charles williams and others he developed and honed his skills and continued to put out extensive writings many different groups now claim him as their own spanning genres from science fiction to christian literature from nonfiction to children s stories his output remains among the most popular

and complex here experts in the field of lewis studies examine all his works along with the details of his life and the culture in which he lived to give readers the fullest complete picture of the man the writer and the husband alongside his works his legacy and his place in english letters

## **Delphi Complete Works of C. S. Lewis (Illustrated) 2017-01-26**

used by c s lewis himself the term scientifiction is revived here as it once encompassed not only what we call science fiction but also that indeterminate field of the 1940s and 1950s sometimes referred to as science fantasy leading up to ray bradbury along with a portion of that great realm that has come since the advent of the lord of the rings to be called fantasy rather as an eighteenth century novel may pre date the divide between novel and romance so c s lewis s interplanetary novels may be considered to pre date the modern divide between fantasy and science fiction and thus be thought of as scientifictional in nature the stories dealt with are those in which elwin ransom is a character the three usually called the space trilogy out of the silent planet perelandra and that hideous strength and the time fragment entitled the dark tower lengthy chapters are devoted to each of the four ransom stories the book presents a study of lewis the nature of science fiction the nature of lewis s arcadian science fiction and his and its place in english literary history

## **Narrative Poems 2002-12-23**

this entertaining and learned volume contains book reviews lectures and hard to find articles from the late c s lewis whose constant aim was to show the twentieth century reader how to read and how to understand old books and manuscripts

## **Sehnsucht: The C. S. Lewis Journal 2011-02-23**

c s lewis s studies in medieval and renaissance literature is a collection of fourteen fascinating essays half of which were never published in lewis s lifetime the first three provide a general introduction to medieval literature whilst the remaining essays turn to the works of major writers such as dante the divine comedy malory le morte d arthur spenser the faerie queene and milton comus lewis s insightful yet accessible writing will captivate anyone with an interest in medieval and renaissance literature page 4 of cover

## **Surprised by C.S. Lewis, George MacDonald & Dante 2001**

a collection of critical essays on c s lewis s work

## **C. S. Lewis 2007-04-30**

c s lewis the great british novelist and christian apologist has been credited by many including the author for aiding their journey to the catholic church for this reason it is often perplexing that lewis himself never became catholic in c s lewis

and the catholic church joseph pearce delves into lewis s life writings and spiritual influences to shed light on the matter although c s lewis s conversion to christianity was greatly influenced by j r r tolkien a catholic and although lewis embraced many distinctively catholic teachings such as purgatory and the sacrament of confession he never formally entered the church meticulously researched and beautifully written this book digs deep to present the facts of lewis s life to illuminate key points in his writings and to ask the question was c s lewis on the path to rome this revised and updated edition with a new introduction by father dwight longenecker is a fascinating historical biographical theological and literary account of a man whose writings have led scores to the catholic church despite never having become a catholic himself

## **The Scientifiction Novels of C.S. Lewis 2014-09-17**

paints a lucid picture of the medieval world view providing the historical and cultural background to the literature of the middle ages and renaissance this lewis s last book has been hailed as the final memorial to the work of a great scholar and teacher and a wise and noble mind

## ***Studies in Medieval Renaissance Literature 1966***

c s lewis was concerned about an aspect of the problem of evil he called subjectivism the tendency of one s perspective to move towards self referentialism and utilitarianism in c s lewis and a problem of evil jerry root provides a holistic reading of lewis by walking the reader through all of lewis s published work as he argues lewis s case against subjectivism furthermore the book reveals that lewis consistently employed fiction to make his case as virtually all of his villains are portrayed as subjectivists lewis s warnings are prophetic this book is not merely an exposition of lewis it is also a timely investigation into the problem of evil

## **Studies in Medieval and Renaissance Literature 2013**

from myth to musk astrology to astronomy dr stuark clark selects the very best writing about the red planet from its very first sighting mars has been a source of fascination for humanity named for the roman god of war this red planet has been explored more than any other beyond earth and continues to occupy a distinctive place in our imagination it s an environment that may even foster life in the book of mars dr stuart clark selects one hundred pieces of writing about the planet it is a collection that brings together fact and fiction dreams and fears centuries of observation and more recent feats of interstellar exploration from classic writers of science fiction stanley g weinbaum arthur c clarke h g wells ray bradbury pamela sargent roger zelazny to distinguished experts in astronomy astrobiology and aerospace engineering from hugo and nebula award winning authors kim stanley robinson mary robinette kowal to trail blazing journalists and science communicators from andy weir s the martian to elon musk s spacex programme the book of mars is an extraordinary overview both of the red planet and of the way scientific investigation diffuses into culture
