## **The Complete Fairy Tales and Stories**

2011-01-26

this definitive collection of work from hans christian andersen one of the immortals of world literature not only includes his own notes to his stories but is the only version available in trade paperback that presents andersen s fairy tales exactly as he collected them in the original danish edition of 1874 recognizing the literary merit of andersen s own simple colloquial language which victorian translators and their imitators very often altered to sentimentalize or vulgarize translator erik haugaard has remained faithful to the original text the fairy tales hans christian andersen wrote such as the snow queen the ugly duckling the red shoes and the nightingale are remarkable for their sense of fantasy power of description and acute sensitivity and they are like no others written before or since unlike the brothers grimm who collected and retold folklore andersen adopted the most ancient literary forms of the fairy tale and the folktale and distilled them into a genre that was uniquely his own

## ***The Complete Grimm's Fairy Tales***

the original vision of grimms tales in english for the first time when jacob and wilhelm grimm published their children s and household tales in 1812 followed by a second volume in 1815 they had no idea that such stories as rapunzel hansel and gretel and cinderella would become the most celebrated in the world yet few people today are familiar with the majority of tales from the two early volumes since in the next four decades the grimms would publish six other editions each extensively revised in content and style for the very first time the original folk and fairy tales of the brothers grimm makes available in english all 156 stories from the 1812 and 1815 editions these narrative gems newly translated and brought together in one beautiful book are

accompanied by sumptuous new illustrations from award winning artist andrea dezső from the frog king to the golden key wondrous worlds unfold heroes and heroines are rewarded weaker animals triumph over the strong and simple bumpkins prove themselves not so simple after all esteemed fairy tale scholar jack zipes offers accessible translations that retain the spare description and engaging storytelling style of the originals indeed this is what makes the tales from the 1812 and 1815 editions unique they reflect diverse voices rooted in oral traditions that are absent from the grimms later more embellished collections of tales zipes s introduction gives important historical context and the book includes the grimms prefaces and notes a delight to read the original folk and fairy tales of the brothers grimm presents these peerless stories to a whole new generation of readers

### ***Delphi Complete Fairy Tales of The Brothers Grimm (Illustrated)***

2017-07-01

the brothers grimm jacob and wilhelm were born in hanau near frankfurt in the german state of hesse throughout their lives they remained close friends and both studied law at marburg university jacob was a pioneer in the study of german philology and although wilhelm s work was hampered by poor health the brothers collaborated in the creation of a german dictionary not completed until a century after their deaths but they were best and universally known for the collection of over two hundred folk tales they made from oral sources and published in two volumes of nursery and household tales in 1812 and 1814 although their intention was to preserve such material as part of german cultural and literary history and their collection was first published with scholarly notes and no illustration the tales soon came into the possession of young readers this was in part due to edgar taylor who made the first english translation in 1823 selecting about fifty stories with the amusement of some young friends principally in view they have been an essential ingredient of children s reading ever since

excerpt from grimm s complete fairy tales long ago when wishes often came true there lived a king whose daughters were all handsome but the youngest was so beautiful that the sun himself who has seen everything was bemused every time he shone over her because of her beauty near the royal castle there was a great dark wood and in the wood under an old linden tree was a well and when the day was hot the kings daughter used to go forth into the wood and sit by the brink of the cool well and if the time seemed long she would take out a golden ball and throw it up and catch it again and this was her

favorite pastime now it happened one day that the golden ball instead of falling back into the maiden s little hand which had sent it aloft dropped to the ground near the edge of the well and rolled in the king s daughter followed it with her eyes as it sank but the well was deep so deep that the bottom could not be seen then she began to weep and she wept and wept as if she could never be comforted and in the midst of her weeping she heard a voice saying to her what ails you king 3 daughter your tears would melt a heart of stone and when she looked to see where the voice came from there was nothing but a frog stretching his thick ugly head out of the water oh is it you old waddler said she i weep because my golden ball has fallen into the well about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
