what if your family couldn't protect you what if it was your family you needed protecting from forgiveness is far off for teenagers blair and ardit best friends and accomplices in a terrible crime at the home of the only adult they trust a police officer the girls confess every horrifying detail but it soon becomes clear the act was not one of malice or revenge but borne of fierce loyalty and an unimaginable desperation written off by abusive parents and mocked and shunned by their classmates blair and ardit had found a safe haven with one another and when that haven was threatened they realised they would have to do everything in their power to protect it whatever the cost a devastating novel of desperation and revenge from laura wiess this follow up to her heartbreaking debut such a pretty girl once again spins a shattering tale of the tragedies that befall young women who are considered society's leftovers blair and ardit are best friends who have committed an unforgivable act in the name of love and justice but in order to understand what could drive two young women to such extreme measures first you'll have to understand why you'll have to listen as they describe parents who are alternately absent and smothering classmates who mock and shun anyone different and young men who are allowed to hurt and dominate without consequence you will have to learn what it's like to be a teenage girl who locks her bedroom door at night who has been written off by the adults around her as damaged goods a girl who has no one to trust except the one person she's forbidden to see you'll have to understand what it's really like to be forgotten and abandoned in america today are you ready two teenagers blair and ardit lose their innocence in more ways than one as they are transformed from happy ninth graders to high school sophomores determined to secure justice for their families and friends whatever the cost seventeen year old hanna has been in love with seth for as long as she can remember but now that her feelings are requited and she and seth are in an actual relationship it feels like love just isn't enough seth is controlling and all they seem to do anymore is hurt each other if that's what love is hanna doesn't want any part of it besides she has something else on her mind graduation but she's been ignoring the school's community service requirement for years and now she needs to clock in some hours in a hurry she volunteers as a caretaker for the schoenmakers an elderly couple who live on a farm behind hanna's house mrs schoenmaker has advanced parkinson's and her husband can't always be there to watch over her while caring for mrs schoenmaker hanna gets drawn into an audiobook that the older woman is listening to a love story of passion and sacrifice and shared hurts and complete devotion she's fascinated by the idea that love like that can truly exist and without her even realizing it the story begins to change her but what hanna doesn't know is that the story she's listening to is not fiction and that mrs schoenmaker and her husband's devotion to each other is about to reach its shattering irrevocable conclusion in an instant 140 million people vanished from the face of the earth the cause of that incredible event remains unknown and there is no indication that those who are gone will ever be seen or heard from again the leftovers follows the lives that were forever changed by the event that shook the world on october 14 in the third season the garvey and murphy families come together as they desperately grasp for a system of belief to better explain what defies explanation the world is crackling with the energy of something big about to happen a corresponding bookend to the sudden departure that sent them all spinning years earlier bringing their journey down under laura wiess's masterful prose kept me turning the pages this is the first book in a very long time that made me say wish i'd written this ellen hopkins author of crank on such a pretty girl laura wiess captures the visceral emotion of a girl's journey from innocence to devastating loss and ultimately to a strange and unexpected kind of understanding in this beautiful and painfully honest new novel are there any answers when someone you love makes a tragic choice before and after that's how rowan areno sees her life now before she was a normal sixteen year old a little too sheltered by her police officer father and her mother after everything she once believed has been destroyed in the wake of a shattering tragedy and every day is there to be survived if she had known on that friday in march when she cut school that a random stranger's shocking crime would have traumatic consequences she never would have left campus if the crime video never went viral maybe she could have saved her mother grandmother and herself from the endless replay of heartache and grief finding a soul mate in eli a witness to the crime who is haunted by losses of his own rowan begins to see there is no simple straightforward path to healing wounded hearts can she learn to trust hope and believe in happiness again featuring a gallery readers group guide p 4 of cover this haunting emotionally gripping tale is the story of a 15 year old girl who must defend herself against her abusive father suspenseful and emotionally shattering the

novel captures a young woman s painful fight for survival and her journey back to herself lauded by critics and authors for her heartbreakingly real heroines laura weiss brings readers another devastating tale of betrayal and redemption rich with the raw emotion that made such a pretty girl a classic how can you make someone love you when they won t and what if that person happens to be your mother sayre bellavia grew up knowing she was a mistake unplanned and unwanted at five months shy of eighteen she s become an expert in loneliness heartache and neglect her whole life she s been cursed used and left behind swallowed a thousand tears and ignored a thousand deliberate cruelties sayre s stuck by her mother through hell tried to help her be near her be important to her even as her mother slipped away into a violent haze of addiction destroying the only chance sayre ever had for a real family now her mother is lying in a hospital bed near death ravaged by her own destructive behavior and as sayre fights her way to her mother s bedside she is terrified but determined to get the answer to a question no one should ever have to ask did my mother ever really love me and what will sayre do if the answer is yes this book advocates for a new culture one that is supportive of the health and well being of health professionals to the benefit of the patients and populations they serve a variety of case examples vignettes and illustrations serve not only to frame the scope of the challenges clinicians face but also to inspire readers to apply key concepts to their own situations the inclusion of positive practices discussion questions and written exercises also help readers to engage with the material and integrate what they have learned into their practice
