Beyond Wealth

2011-03-31

it's not all about the money the key to true riches leo tolstoy said nobody knows where the human race is going the highest wisdom then is to know where you are going yet many today chase the false rabbits of success status luxury reputation and material possessions in the quest to have it all our lives often lack real meaning and purpose beyond wealth is the antidote new york times bestselling author alexander green takes things right down to brass tacks we are here for a short time knowledge is limitless therefore the most critical knowledge is not any particular skill but rather wisdom about how to live fortunately men and women have had several thousand years to think about what it means to live the good

a guided journal from the bestselling author of *I Will Teach You to Be Rich* with inspiring questions and thought provoking exercises to help you understand your own money behavior and create your vision of a rich life

Rich life. Богатая жизнь
