a study guide for william blake s the fly excerpted from gale s acclaimed poetry for students this concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more for any literature project trust poetry for students for all of your research needs

Wings to Fly by Celia Barker Lottridge : a Novel Study Guide 2000

1. The novel is a story of a young girl who is born with a rare condition that makes her wings. She is born in a small town in the south and grows up in a family that is not very accepting of her condition. She is a very intelligent and creative girl, but she is also very lonely and misunderstood. She is a very strong and independent girl, but she is also very vulnerable and needs someone to love and protect her. The novel is a beautiful and touching story that is both a love story and a story of self-discovery.
