## **brain sciences an open access journal from mdpi *May 20 2024***

brain sciences is an international peer reviewed open access journal on neuroscience published monthly online by mdpi open access free for readers with article processing charges apc paid by authors or their institutions high visibility indexed within scopus scie of science pubmed pmc embase psyn dex caplus

## **wikipedia *Apr 19 2024***

brain science is a scientific discipline that studies the structure and function of the brain and its relationship to behavior and cognition. It is a multidisciplinary field that draws on knowledge from biology, psychology, neuroscience, and other disciplines. Brain science research aims to understand the complex processes of the brain, from the molecular level to the level of the whole brain, and to apply this knowledge to improve human health and well-being.
