transform everything you think you know about sex romance and god so what are you waiting for the answer is right inside summer 1954 as louisville kentucky simmered society struggled to maintain ties to the old ways which had seemed so correct an air of gentleness existed then methods of doing business lacked the tense high pressure atmosphere found in northern cities and a family name meant more then money for it indicated a status earned though 200 years of kentucky history but louisville was changing with the tide of people and new industry moving in to this setting middle class dusty burton finds himself caught in a frustrating web of worries as he enters his third year of college fraternity parties lifeguarding the draft and communists in america were surpassed by his love for social girl cindy york what are you doing derby day dusty believed that question and the spectacular kentucky derby would work magic as he tried to win cindy s love forever here is a peek at youth in the 1950 s through the eyes of dusty and cindy during a restless year of conflicts it is a light hearted american graffiti type story packed with humor and memories from that innocent generation a heart rending honest account of the effect a stroke can have on family life nick wisbey was 15 when his 49 year old father stan was struck down by a stroke that was to leave him speechless and unable to communicate verbally instantaneously the stroke relegated stan from the head of the household the breadwinner to an invalid the devastation on losing his ability to speak caused massive frustrations with the family left to guess from his gesticulations what it was he wanted the tensions mounted and stan understandably struggled to adapt to his changed life over time he sank into a world of tv watching reading and silence the family were left to cope as best they could but felt that the stroke had cheated them out of a husband and father the frustrations only increased as the years passed and the family grew stan wisbey survived his stoke for twenty eight years retaining the good looks and outward composure he d always possessed but never having resolved his anger with the illness a further stroke took its toll on his well being and cognative abilities what are you thinking of dad is nick wisbey s touching account of those 28 years they focus on his relationship with his father the highs and lows the love and hate as well as his mother s caring devotion to the family during this time this account is unique because of the emphasis on the long term effect living with serious illness 10 principles for leading your family to true resilience from the bestselling author of spartan up and the ceo founder of spartan joe de sena has spent his life running toward challenge and discomfort why because how we react to challenging situations defines us and our families the only tools we have as humans to survive the many peaks and valleys of a full life are preparedness health leadership and most importantly resilience why do so many parents struggle to finish things we start delay gratification and protect our health and why do our kids continue to struggle in every facet of life because we haven t showed them a path to resilience and we haven t fought for it ourselves in 10 rules for resilience joe de sena outlines his 10
