The memories of an Anonymous political prisoner 1807 this book is not an adventure or horror novel it is an account as simple as the author of the memoirs personal events and experiences are written spontaneously and directly the hero narrating the ordeal of the years spent in jail as if talking to his next door neighbour the exceptions from the morphology and syntax rules only add to the authenticity of the story as the reading of the text advances a question arises grows then becomes overwhelming how was it possible how could these creatures thrust such suffering in the flesh and the spirit of a human being a multiplied suffering amplified on the scale of millions of people the hero sees himself thrust in a moment in the hell of the romanian political prisons and consequently treated as a political prisoner with all the dark connotations that this title hides in its fatal folds it is the right to be beaten up to the loss of conscience the right to torment his comrades of suffering only to escape torture himself the right to starvation up to the point of dehumanization the right to work over your powers the right to die or the right to find desperately that you have become a beast and yet how close they were to success they had crossed unnoticed the ploughed strip of the border separating them from freedom or at least so they believed being in yugoslavia they also dreamt of getting to america but what disappointment and fear a group of serbian border guards cuts their way arrests them handcuffs them and after an investigation they deliver them to the romanian border guards and the ordeal continues or it has just begun the horror of the story which risks to slip the reader's attention is that popică is not a political criminal his only fault is that he wanted to live in america the communist authorities had declared the illegal border crossing to be a political offense popică did not even know the fact that the yugoslav authorities extradited the romanians they captured crossing the border even if he had known it popică honest simple minded and god fearing as he was could not have understood how it was possible for a free people like the serbs whom their leader tito let leave and return to their country anytime to extradite the romanian fugitives seeking freedom a romanian curse seemed to let romania have no common border with any free country in europe popică's first story contains the escape the crossing of the ploughed strip of land the great flashing joy of success followed by the most bitter disappointment of their being captured by the yugoslav border guards the story until crossing the border seems trivial because all over the world tens of thousands maybe hundreds of thousands of people cross borders illegally determined by political social or economic injustices in their country by unbearable climate changes by war or simply in the hope of a better life the area of the great lakes in the united states is to this day full of the descendants of the 1920s romanian emigrants whom no one asked why they left why they returned whether they returned or why they stayed these emigrants were not arrested by anyone on the border to be accused of intending to betray their homeland from now on popică's story turns into a tragedy as in a horror film the action takes a dramatic unreal turn it turns into a nightmare into a long and unbearable suffering that will chase him and which he will try to escape from with a wounded animal roar this roar will be the present book in other words telling his suffering he could wake up from the nightmare confessing his suffering the book becomes the confession of a martyr by telling it to everyone the author hopes to get rid of it or at least to alleviate it without franz kafka the writer's talent popică manages to thrill us making us plunge into the kafkian universe van wagons with metallic structures heated mercilessly by the burning sun of triage stations wagons packed to capacity with detainees some of them sick and suffocating screaming for lack of air feeling like dying the cells at jilava overcrowded with detainees even sleeping under the overlapped beds buckets full of fetid human waste placed near the pots of drinking water that transport of old detainees who are simply overturned in the mud at the gate of the camp and who can no longer rise up from the mud because of exhaustion to the amusement of the guards sinister onlookers in security guard uniforms watching the spectacle of human humiliation popică with his story opens up the gates of the hell built in romania by the romanian security at stalin's order and executed by his loyal servants from the central committee of the romanian workers party popică understood that dumitrache had already been dead when they brought him the bread roll and the kettle with water but he played the innocent for fear of punishment he understood that he had to play the role all the way thus facilitating the scenario of dumitrache's escape attempt up to the moment of dumitrache's attempt to escape the destiny of the memoirs author resembled that of dumitrache's both of them had been arrested investigated beaten and then sent to the peninsula or the poarta albă to die of cold starvation and working rules impossible to accomplish here the likeness of the two destinies ceases popică had remained inside while ion dumitrache had dared to go outside and had become a victim of the temptation to correct his destiny he fell into the hands of the security guards who beat him to death then they hung him with wires at the corner of the barracks and left him there as an example to scare the other prisoners dumitrache's figure hanging from the pillar his fallen head and his bruised face impressed him strongly dumitrache looked there on the pillar like christ crucified on the cross this likeness shook him to non oblivion the emotional shock he lived through made him write this testimony over the years certainly popică did not notice the directorial talent of the security guards who staged the great misfortune indeed in the forced labor colony where the drama happened no other escape attempts were reported the questions that have arisen deeply human questions are who has triumphed in the dumitrache case the security guards who tortured and killed dumitrache isn't it dumitrache the real winner who succeeded by his death to exchange the ordeal of detention with eternity is it popică the winner who endured the ordeal to the end and confessed it by writing these memoirs the answer to these questions is personal it is the answer that every reader will whisper to himself herself post scriptum i cannot put an end to this warning without expressing my profound sense of admiration to professor cornel goia for his tireless work as a chronicler of these incredible sufferings undergone in the romanian political prisons to keep them away from this dreadful death that is oblivion

Dark Ops: An Anonymous Story 2023-04-29 many observers greeted the second vatican council 1962 65 as the most important religious event in the twentieth century its implementation and impact are still being felt in the catholic church the wider christian world and beyond one sea change that vatican ii brought concerned roman catholic attitudes towards judaism islam and other religions gerald o collins breaks fresh ground by examining in detail five documents from the council which embodied a new mindset about other religious faiths and mandated changes that quickly led to international and national dialogues between the catholic church and the followers of non christian religions the book also includes chapters on the insights that prepared the way for the rethinking expressed by vatican ii and on the follow up to the council s teaching found in the work of pope john paul ii and jacques dupuis o collins ably illustrates how the council made a startling advance in official catholic teaching about followers of other living faiths carefully researched the book is written in the clear accessible style that readers of previous works by o collins will recognize

The Memoir of the Brief Life and Death of An Anonymous Son of the Indian Diaspora 1801 fourteen year old jennie s life is turning upside down her father has walked out and her anguished mother seeks solace in pills her best friend practically abandons her to be with a boyfriend it seems like jennie s real best friend is her diary then she meets mr johnstone the substitute math teacher jennie has never met such a charismatic teacher she feels honored when mr j seems to single her out for special attention and begins to fantasize about him as her boyfriend when mr j first reveals his feelings for her she is thrilled by the relationship that grows outside the classroom walls then slowly jennie s diary becomes a record of her loneliness pain and confusion will it also offer her a way to escape from this treacherous love

Answer to an anonymous Letter [signed: A Seeker of Truth], dated September 18. 1777, on Predestination and Free-Will, with a postscript on eternal punishments 1848 what s done in the dark murderer is a title she never expected to wear friend sure boss hell yes but murderer never if only she hadn t threatened exactly that just before someone winds up dead and her fingerprints are all over the murder weapon always comes to light all he wanted was to live a quiet life without all the danger and darkness of his past those plans are blown when he s accused of a crime he has nothing to do with leaving him with a hard decision remain in the shadows or do what he can to help a friend when other crimes start stacking up the handiwork of an anonymous suspect with an unknown vendetta they ll discover something that flips their worlds upside down a murder accusation may be the least of their worries

A Statement of Facts connected with an anonymous circular, and the proceedings at certain meetings lately held of Actuaries and others officially connected with Life Assurance Companies 1825 a summary of state campaign finance laws with quick reference charts for the u s territories and possessions

A reply to an anonymous pamphlet, entitled "A refutation of the mis-statements contained in an anonymous pamphlet ... circulated by the London Dock Company, etc 1737 who in his right mind wants to talk to a shrink i don t want to talk about anything i don t want to feel anything taste anything or anything the lyrics just dying to die run around in my brain day and night fifteen year old sam is in pain he comes to the therapist s office unwillingly angry depressed and filled with guilt over his own self destructive behavior he is being drawn deeper and deeper into a black hole of despair from which he sees no way out the road back this is the real life story of sam s recovery told from tapes of his therapy sessions it tells what drove him to leave home how he survived on the street and why he was desperate to escape from the brutality of the gang that had become his family and from the torment of his own self loathing for every teen who has experienced the pain and loneliness of a no way out darkness and for all those who love them here is the light that can lead the way back

Answers to an Anonymous Pamphlet consisting of five Letters very lately published: in opposition whereto, is prov'd ... that all Scripture is equally of Divine original ... By a Student of Divinity

2023-05-18 i am so scared i feel like i m silently screaming for help and no one pays any attention of tries to hear me i can t control anything anymore it s all out to get me when kim can t handle things she eats then she purges sometimes she fasts she knows she isn t as thin as the other girls on her gymnastics team and she s worried that now away from home for the first time as a college freshman she won t be able to live up to expectations especially her own eating is the one thing she can control or can she

The Log-Cabin Lady; An Anonymous Autobiography 1759 this book examines the criminal justice decisions of the rehnquist court era through analyses of individual justices contributions to the development of law and policy the rehnquist court era 1986 2005 produced a period of opportunity for the u s supreme court s judicial conservatives to reshape constitutional law concerning rights in the criminal justice process it was an era in which the court produced many hotly debated decisions concerning such issues as capital punishment search and seizure police interrogations and prisoners rights the court s most conservative justice william h rehnquist ascended to the key leadership position of chief justice and he was joined on the court by two new appointees antonin scalia and clarence thomas who were equally supportive of both greater authority for police and limited definitions of constitutional rights for suspects defendants and criminal offenders the rehnquist court era decisions refined and narrowed many of the rights expanding decisions of the warren court era 1953 1969 however the supreme court did not ultimately eliminate the warren era s foundational rights concepts in criminal justice such as the exclusionary rule and miranda warnings as the leading liberal voices of the warren era william brennan and thurgood marshall retired early in the rehnquist era the court experienced continued advocacy of broad conceptions for many rights through the increased assertiveness of republican appointees harry blackmun john paul stevens and david souter as well as the arrival of new democratic appointees ruth bader ginsburg and stephen breyer in many important cases the justices advocating the preservation of constitutional protections could prevail even on a generally conservative court by persuading one or more of president ronald reagan s appointees to support a particular right for suspects and defendants sandra day o connor and anthony kennedy in particular shaped outcomes within a divided court as they determined which of the court s wings with which they would align in a particular case the contributors to this volume identify and highlight the unique perspectives and influential decisions of individual justices as the means for understanding the rehnquist court s imprint on criminal justice
