this book is a collection of articles about the life and work of frances hodgson burnett the broad range of subjects and the varied backgrounds of the contributing authors are a tribute to burnett s wide and international appeal the book includes articles by three burnett biographers criticism of burnett s works and literary and social analysis of her books by scholars from several countries these range from pulitzer prize winner alison lurie to new scholars who are being published here for the first time the articles range from essays to transcripts of interviews and speeches and a filmography the book presents new research on films and plays based on burnett books the primary organization of the essays is chronological but the book is also arranged to reflect the structure of the frances hodgson burnett beyond the secret garden conference held at california state university fresno april 25 27 2003

surveying the state of american ballet in a 1913 issue of mcclure s magazine author willa cather reported that few girls expressed any interest in taking ballet class and that those who did were hard pressed to find anything other than dingy studios and imperious teachers one hundred years later ballet is everywhere there are ballet companies large and small across the united states ballet is commonly featured in film television literature

on social media professional ballet dancers are spokespeople for all kinds of products nail polish companies market colors like ballet slippers and prima ballerina and most importantly millions of american children have taken ballet class beginning with the arrival of russian dancers like anna pavlova who first toured the united states on the eve of world war i ballet class an american history explores the growth of ballet from an ancillary part of nineteenth century musical theater opera and vaudeville to the quintessential extracurricular activity it is today pursued by countless children nationwide and an integral part of twentieth century american childhood across borders of gender class race and sexuality a social history ballet class takes a new approach to the very popular subject of ballet and helps ground an art form often perceived to be elite in the experiences of regular everyday people who spent time in barre lined studios across the united states drawing on a wide variety of materials including children s books memoirs by professional dancers and choreographers pedagogy manuals and dance periodicals in addition to archival collections and oral histories this pathbreaking study provides a deeply researched national perspective on the history and significance of recreational ballet class in the united states and its influence on many facets of children s lives including gender norms consumerism body image children s literature extracurricular activities and popular culture

the stories in this book are organized by age level but we think they are timeless and enjoyable no matter how old you are
