for taking notes making lists journaling or using as a diary it also makes a great gift idea size 6x9 inches paper 100 pages of lined paper cover soft cover increase creativity memory and intelligence when i was in first grade i had to move from california to washington in the middle of the school year we were about to finish our textbook gingerbread men and helicopters and i was going to miss cooking a gingerbread man with my class my favorite teacher of all time mrs washington surprised me on my last day of school with my very own gingerbread man some 40 years later this remains one of my fondest childhood memories you re probably thinking about your own story with one of your favorite teachers teachers are often unrecognized heroes of our communities this book the teacher dictionary definition notebook was created in honor of mrs washington and all of the other super teachers out there who have dared to educate and inspire the rest of us increase creativity writing by hand has been associated with boosting creativity whether you re searching for the next big business idea or for creative ways to express your thoughts writing in a notebook can give your creative juices more punch this means coming up with better ideas more quickly and easier than before imagine the how a boost in creativity will make you feel at work home or at school your next great idea may be write at the tips of your fingers waiting to be expressed on the pages of the teacher dictionary definition notebook notebook improve your memory writing by hand with a pen or pencil has also been shown in studies to improve the strength and length of memories manual note taking has an advantage over digital notes the association for psychological science proclaimed taking notes by hand is better than taking notes on a laptop how will you take advantage of this knowledge to gain an edge on your competition at school work or business how will better understanding make things better for you technology is designed to speed up tasks not for user improvement remember you re not taking notes to refer to later you re writing it down to remember it now because you desire comprehension and understanding rather than simple transcription the teacher dictionary definition notebook notebook is a must achieve your goals and organize your life write down accomplishments with your hobbies weight loss and other life goals look back feel good about yourself and all you ve done besides capturing goals and dreams capture important tasks notes and phone numbers use the teacher dictionary definition notebook notebook to organize your life increase your iq through journaling a report by the university of victoria indicated that writing related to language has a positive correlation with intelligence journaling is also a way to process and manage emotions improve self awareness and to develop empathy this translates to a better understanding of others and higher levels of emotional intelligence stop limiting yourself and start generating better ideas more mindfulness and greater organization now whether you re a super teacher or looking for a great gift for one of your favorite
