The Rescue of Miss Yaskell and Other Pipe Dreams 2014-08-05

the ethical dimension of autobiography is emerging as an important area of study scholars now recognize that an autobiography must be read with an element of caution since it represents not so much the literal truth as the author s perception of people and events a perspective sometimes unflattering to those portrayed focusing on the ethics of autobiography this volume analyzes the works of four writers who spent much of their youth in working class circumstances yet became highly educated intellectual professionals it examines the ways in which each author

confronts his or her past and how the authors represent their working class family members texts discussed are growing up by russell baker 1982 brothers and keepers by john edgar wideman 1984 a woman in amber by agate nesaule 1995 and clear springs by bobbie ann mason 1999 each work recounts the author s struggle with a particular societal element such as gender race class division or region while baker s memoir provides an example of positive balanced characterizations of working class relatives the texts by wideman nesaule and mason illustrate the ethical pitfalls in portraying less powerful family members in one s life story an overview of trends in working class autobiography and a brief survey regarding the critical reception of each work are included
